If God Is Love, Don't Be a Jerk John Pavlovitz, 2021-09-28 Thou Shalt Not Be Horrible Imagine for a moment what the world might look like if we as people of faith morality and conscience actually aspired to this mantra What if we were fully burdened to create a world that was more loving and equitable than when we arrived What if we invited one another to share in wide open fearless spiritual communities truly marked by compassion and interdependence What if we daily challenged ourselves to live a faith that simply made us better humans John Pavlovitz explores how we can embody this kinder kind of spirituality where we humbly examine our belief system to understand how it might compel us to act in less than loving ways toward others This simple phrase Thou Shalt Not Be Horrible could help us practice what we preach by creating a world where spiritual community provides a sense of belonging where all people are received as we are the most important question we ask of a religious belief is not Is it true but rather is it helpful it is morally impossible to pledge complete allegiance to both Jesus and America simultaneously the way we treat others is the most tangible and meaningful expression of our belief system In *If God Is Love Don't Be a Jerk* John Pavlovitz examines the bedrock ideas of our religion the existence of hell the utility of prayer the way we treat LGBTQ people the value of anger and other doctrines to help all of us take a good honest look at how the beliefs we hold can shape our relationships with God and our fellow humans and to make sure that love has the last loudest word

Love Like Jesus: How Jesus Loved People (and how you can love like Jesus) Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popular-ish blog *God Running Love Like Jesus* begins with the story of how after a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven-year deep dive After pouring over Jesus every interaction with another

human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus

The Love of God Jon D. Levenson,2020-03-31 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God s mysterious love for the people of Israel who in turn observe God s laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God s love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition Publisher **Holy Bible (NIV)** Various Authors,2008-09-02 The NIV is the world s best selling modern translation with over 150 million copies in print since its first full publication in 1978 This highly accurate and smooth reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation **The Difficult Doctrine of the Love of God** D. A. Carson,2010-01-01 **The Love of God** Oswald Chambers,2020-02-04 This deeply scriptural spiritually practical book by Oswald Chambers explores the difference God s love makes both in this world and in our lives You ll discover a greater intimacy with Christ a richer knowledge of Him and a better understanding of how to share His love with others Love Shanna Star,2023-05-18 The Real Word of God series began in 2019 part one being published in 2020

There has been much information delivered in this series and I am being called to take a break from this series after part V. There is so much information to be processed and so many layers of healing in that process that I must stop delivering the information and allow humanity to catch up with it. Too much too fast is destructive to evolution and even though I have enough information to continue writing in this series it would hinder the ability for humanity to genuinely learn all of the lessons involved. Use me as an example of listening to intuitive guidance for the greater good of humanity versus the plans our limited human mind sets in place. I will continue to work in different ways as I am being called to take action in new ways. We are limitless when walking as a vessel of creation. There is no final destination to reach; there is no point where you are almost there. You are always there exactly where you need to be with an opportunity to choose the next level of yourself. When you feel stuck, this series was given to me to give to you to bring you out of the dark. I Love You Love Shanna **God's**

Love Story Brian Dowler, 2012-10-01. God's Love Story gives a broad overview of the Bible from start to finish. It is intended to help you grasp the story and purpose of God's plan for mankind. This book contains an assortment of verses and is not intended to replace the complete Bible. Just like a movie trailer entices you to see the whole movie, reading God's Love Story will enable you to desire read and understand the entire Bible as never before. God's Love Story contains selected and compiled portions of the Bible placed as best as possible in chronological order as a means of giving a readable and easy to understand synopsis of the Bible. By removing verse markings, the text reads much like a novel and actually reverts back to a form more like the original text as first written down thousands of years ago. God's Love Story is divided into 39 compact chapters that can easily be read in one sitting. Some explanations have been added, clearly marked in italicized font. These transitional statements are useful in bridging the gaps over sections that were not included for the sake of brevity. They are simple Biblical and written without espousing any personal doctrine or beliefs, preferring to let the scriptures speak for themselves. The scriptures were taken from the World English Bible, which is not copyrighted and thus free to use. In God's Love Story, we see plainly the plan of God which spans from the beginning of creation to the future coming of Christ. Even from the time God created this world, He knew that the sacrifice of his Son would be required to redeem us from our sins. Despite our faults, God loved us enough to set this painful plan in motion. We were created to glorify God who enjoys our loving worship of exercising our free will and showing our love for Him in response to His love for us. By obeying and loving Him, we fulfill our purpose. In return, God has prepared for us a wonderful place of eternal bliss. This is the greatest story ever told. This is God's love story. History of the Love of God Gwen Shamblin, 2015-09 *God is Love* Anthony J.

Kelly, 2012-06-01. God is love and he who abides in love abides in God and God abides in him. 1 John 4:16. In this famous passage, St. John expresses the heart of the Christian faith and the essence of the Christian image of God. In the same verse, he also offers a kind of summary of the Christian life. We have come to know and to believe in the love God has for us. In God Is Love, Anthony Kelly CSSR takes this phrase as a concise and profound expression and unpacks it for thinking Christians today.

He explores seven ideas that are necessarily implied in the love that God is the Trinitarian terms Father Son and Holy Spirit the cross and resurrection as events within the paschal mystery the church as the revelation of God's love being worked out in history and finally the ultimate hope for eternal life and heaven itself

What Is Love? Ifeanyi Chukwujama, 2014-11-05 I received this revelation Love is enduring pain heartaches and wrongs visited on you by people you care about Forgiveness is actually an expression of love You need love to forgive When people you love do wrong to you in their irrational state it hurts It makes you recoil and want to distance yourself from them But love dictates that you continue to give even when it no longer feels right to give That is why Jesus Christ said Greater love has no one than this that he lay down his life for his friends John 15:13 Love is being ready to offer yourself for someone you love not only when they are good to you but also when they are not So bear unfair treatments from loved ones and remain committed to the relationship while at the same time committing yourself into God's hand for the saving power of His grace No other relationship calls for that commitment more than marriage The Bible says For it had been granted you on behalf of Christ not only to believe on him but also to suffer for him Philippians 1:29 Jesus Christ also washed the feet of Judas Iscariot at the Last Supper Love knows no boundaries Whether it is the love of God for us or our love for God or any other love is love and operates the same way all the time There is nothing like different kinds of love All we have is different kinds of relationships involving love Whether it is love between a husband and a wife or between a mother and a son or between a man and God or between friends or among a congregation or between neighbors and son on it is the same love unaltered and indivisible Only God gives love and love is a spirit so its level can fluctuate And love can be tarnished and minimized by us through the power of our minds Evil crops up in the heart and fills whatever vacuum is created when love dissipates from our hearts And when evil comes in sin happens And the Bible tells us that all wrongdoing is sin When love is at the highest level in your heart you have no room in your heart for the evil spirit therefore you have no capacity for wrongdoing hence the Scripture We know that anyone born of God does not continue to sin the one who was born of God keeps him safe and the evil one cannot harm him 1 John 5:18 Love puts you in a state of goodness that endears your heart to people you are in relationship with all your relationships The nature of your relationship with someone then determines what acts and activities you perform in the relationship And various acts and activities lead to various emotions which can be mistaken as love or lack thereof Love is perfection but human emotions are imperfect and all over the place One minute we feel one way and the next we feel another way Some of our emotions may tarnish love and minimize it sometimes to the point of extinction Love is simply love And love is the purest of all things there is nothing else that God created which compares to the purity and potency of love Love shines with God's glorious splendor and puts life into all things Love is perfection Love is so pure and so potent that it ionizes and refines all things Love dissipates all wrongs and imperfections wears down all resistance and removes all obstacles Love renews and revives things and restores luster to them Love makes everything attractive That is why the Bible says Love never fails But where there are

prophecies they will cease where there are tongues they will be stilled where there is knowledge it will pass away For we know in part and we prophesy in part but when perfection comes the imperfect disappears 1 Corinthians 13 8 10 Love makes prophecies cease love causes tongues to be stilled and love makes knowledge to pass away because love is the best attribute of God For God so loved the world that he gave his only begotten Son that whosoever believes in Him shall not perish but have eternal life John 3 16 **The Love of God** Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

To Love as God Loves Roberta C. Bondi, 1987 Being a Christian means learning to love with God's love But God's love is not a warm feeling in the pit of the stomach It has definite characteristics we learn in the course of our life in the behavior and teaching of the early monastics as we ponder over what we can say about God as God deals with us and finally as we model our own lives on what we have learned *God Is Love, Let Love Lead* Gwendolyn Jones, 2021-11-19 God is Love Let Love Lead is thought provoking spiritually enlightening and hopefully encouraging While written during a time of political chaos and civil unrest the title could have easily been no love no justice no peace If the opposite of love is hate then the absence of God can produce the same In summary the book embraces the all encompassing meaning of the phrase God is love God Is Love will never be just another feel good slogan despite how hearing it makes us feel good The pages contained within demonstrate how God's love must be applied to every area of our lives especially marriage and family which is the foundation of our existence God's love must be extended to our neighbor coworker customer and enemy which produces the basic concept of who God is Mark 12 30 31 tells us to Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength love your neighbor as yourself There are no commandments greater than these NIV When we allow God to lead his love is manifested in everything we do every conversation every action and every reaction God's love is never based on skin color material possessions money educational status job title physical features fraternity or sorority political or professional affiliation or talent Hate is so prevalent in the world today only love God can conquer hate A revelation of who God is and who he created humanity to be versus what it has become is crystal clear from the cover to the last chapter Every human being is born with the capacity to both experience and extend love but sympathy concern hunger for life lusting wanting and needing are emotions that have always been confused with real love which must begin with God

The ability to love like God loves comes when a spiritual relationship is established with the creator God's love is the picture of a Shepherd's love it commits provides for takes care of communicates to listen seeks to understand and never ends The Bible assures us that God's love bears all things believes all things hopes all things endures all things 1 Corinthians 13:7 KJV Beloved let us love one another for love is from God and whoever loves has been born of God and knows God Anyone who does not love does not know God because God is love In this the love of God was made manifest among us that God sent his only Son into the world so that we might live through him 1 John 4:7-9 ESV God is love Let Love Lead **God of Love and God of Judgement** Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives God's Love Melissa Reeves, 2007-08 Reeves compares God's love as a gift waiting to be opened While mankind sees love as complicated Reeves says God sees love as simple and freely gives to all Practical Life God's Love Through the Spirit Kenneth Loyer, 2014 Although the doctrine of the Holy Spirit has often been a neglected subject in theology it remains vital for understanding both the Christian confession of God as Trinity and the nature of the Christian life In view of those two topics God's Love through the Spirit examines the relationship between love and the person and work of the Holy Spirit in Thomas Aquinas and John Wesley two very different figures whose teachings on the Spirit and the Christian life are found to be on the whole surprisingly compatible An investigation into Aquinas's amor based pneumatology including a groundbreaking analysis of his recently discovered Pentecost sermon and a fresh assessment of the doctrine of sanctification in Wesley show that in distinctive yet largely complementary ways Aquinas and Wesley provide resources that can be used to reclaim a richer pneumatology specifically in relation to the theological virtue of love Discover the Secret of True Love Consolatus C. Okorundu, 2008-12-15 In the midst of the many hardships we endure in our daily lives it can be difficult to define the true meaning of love let alone find it Yet living without such love can leave us empty and unfulfilled Consolatus C Okorundu can help Drawing on her personal relationship with God

and many of her life experiences Okorundu explores the supreme definition of love and how it can offer us liberation from the darkness within our souls With an in depth look at scriptures from the Holy Bible Okorundu shares how true love will always lead you to peace and harmony toward God others and yourself Learn how the fruits of love patience understanding acceptance consideration honesty forgiveness and communication are the key to successful relationships with others whether it be your family your spouse your friends or even your co workers Okorundu also shares different personal interpretations of love from others to reveal how the common human experience unites us all But at its heart Discover the Secret of True Love shows the awesome love that God has for each of his children Find inner peace with the love from our almighty Father and renew your spirit
