Simon Clark, 2014-10-28 It is a quiet uneventful Saturday in Doncaster Nick Aten and his best friend Steve Price troubled seventeen year olds spend it as usual hanging around the sleepy town eating fast food and planning their revenge on Tug Slatter a local bully and their arch enemy But by Sunday Tug Slatter becomes the last of their worries because somehow overnight civilization is in ruins Adults have become murderously insane literally They re infected with an uncontrollable urge to kill the young Including their own children As Nick and Steve try to escape the deadly town covered with the mutilated bodies of kids a group of blood thirsty adults ambushes them Just a day before they were caring parents and concerned teachers today they are savages destroying the future generation Will Nick and Steve manage to escape Is their hope that outside the Doncaster borders the world is normal just a childish dream **Blood Crazy** first published in 1995 is a gripping apocalyptic horror from Simon Clark **Nonprofit Crowdfunding Explained** Salvador Briggman, 2016-10-15

Right now we re in the middle of a historic shift in charitable giving behavior The rules of nonprofit fundraising are being re written as we speak With the emergence of social media smartphones and the web opportunities for budding nonprofits are finally opening up What were once tried and true methods to engage donors are quickly becoming archaic and ineffective Believe it or not you are living in the golden age of fundraising A handful of nonprofits have caught on and are absolutely crushing it online They ve harnessed the power of technology to run massive online giving campaigns and reach thousands of supporters across the web It s a complete no brainer but not everyone realizes that yet In this step by step guide I m going to be introducing you to several of these organizations that have caught on to and are riding a soaring trend I ve written about many of these orgs on my popular blog which has been cited by the New York Times the Wall Street Journal and more I ve

also spoken with many on my podcast After talking with these nonprofits I realized one thing They re not special What they re doing isn t all that sophisticated They re run by ordinary folks just like you and me In fact if you follow the steps that I outline in this book you ll be able to replicate their results You ll finally get badly needed funding for your organization Take a second to imagine just how great it will feel to log on to your computer and find your email inbox overflowing with donation messages Wouldn t that be awesome I m not saying that it s going to be easy Quite frankly you re going to be treading into uncharted waters A lot of the tools websites and techniques I m about to cover might seem unfamiliar and at first confusing But I promise you that I ll hold your hand every step of the way By the end of this ebook you ll have a clear step by step plan for executing an online crowdfunding campaign and know what to do next More importantly you ll be able to stay true your org s mission and serve humanity
