The Interaction Between Law and Love in the Pauline Writings Pandelani Paul, 2015-07-16 There are five chapters of this book The first chapter is the overview of the whole book and how the research was going to be conducted It also gives the summary of law and love in the books of Paul The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love which has followed mankind from creation and eventually leads him to eternity We discovered that the law of God reveals Gods character and that is his love The law of God and his love are one and cannot be separated from each other God gives the law to prove to man that he loves him deeply and eternally The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us He gave his all for our redemption The plan of salvation is the perfect revelation of law and love in Pauline writings Chapter 1 and 2 looks at law and love and the theology and ethics of law and love The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God

God's Only Law Bill Cohen, 2022-02-14 This book describes the journey God has created for us and why this journey is necessary Some will understand the journey while others of us will twist and distort it for our own purposes lying even to ourselves Those lying to us want us to believe there are so many laws created by God and man that we cannot possibly keep them all The implication is it is okay to break some of them even God s laws since everyone lies cheats steals envies or worse now and again So today we are tearing this veil of selfishness and lies to reveal the truth that God has only

one law God's only law is His law of love And now I beseech thee lady not as though I wrote a new commandment unto thee but that which we had from the beginning that we love one another 2 Jn 5 5 He said this is the commandment we have had from the beginning and we do not need other laws if we would just live the fruit of the Spirit But the fruit of the Spirit is love joy peace longsuffering gentleness goodness faith Meekness temperance against such there is no law Gal 5 22 23 This is God describing what His law of love looks like And He tells us all the law and the prophets are fulfilled in one word love For all the law is fulfilled in one word even in this Thou shalt love thy neighbor as thyself Gal 5 14 Therefore all things whatsoever ye would that men should do to you do ye even so to them for this is the law and the prophets Matt 7 12 Owe no man any thing but to love one another for he that loveth another hath fulfilled the law Rom 13 8 The New Testament of Our Lord and Saviour Jesus Christ ,1867 **American Journal of Theology** ,1907 Vols 2 6 include Theological and Semitic literature for 1898 1901 a bibliographical supplement to the American journal of theology and the American journal of Semitic languages and literatures By W Muss Arnolt Separately paged **Law & Liberty: A Biblical Look at Legalism** Don Kistler, John MacArthur, Steven J. Lawson, Joel Beeke, Richard D. Phillips, Phil Johnson, Jim Elliff, Kenneth Talbot, Bruce Bickel, 2015-03-16 The authors in this compilation address the issue of legalism from a variety of angles John MacArthur shows first that obedience to God is not an issue of legalism but an issue of love In his second chapter he deals with the inevitable response of people who are confronted with Biblical standards Judge not that ye be not judged Here MacArthur shows what our Lord meant when He said that and shows what biblical discernment really is that there is a vast difference between judgmental and holding people accountable to God's standards Phil Johnson in his first chapter deals with Christian liberty In his second chapter he takes a critical look at two kinds of legalism then explores the relationship of Christian love and Christian liberty Joel Beeke shows that enthusiasm for God's law is not necessarily legalism One can be zealous without being legalistic As David wrote Oh how I love Thy Law Bruce Bickel explains that legalism is due to a weak understanding of what Christ accomplished on the cross Jim Elliff makes clear that legalism is an attack on unity within the Body of Christ particularly local congregations Ken Talbot helps us to see that legalism is inconsistent with and incompatible with the doctrine of justification by faith alone He points out that the doctrine of free will leads to this dangerous position Rick Phillips explores the relationship to loving God and obeying His law Some today believe that love is all that matters and that the law as a guideline to love is extinct Then this author shows that Biblical sanctification is the antidote to and the opposite of legalism Steven J Lawson shows that legalism is the result of holding to man made traditions over the truth of God's Word Second he points out how dangerous and deadly a thing legalism is and why Table of Contents 1 Introduction What Legalism Is What Legalism Does Don Kistler 2 Truth Vs Tradition Stephen J Lawson 3 Love and God's Law Richard D Phillips 4 The Cross Is Enough Bruce Bickel 5 The Danger of Legalism Steven J Lawson 6 Obedience Love or Legalism John MacArthur 7 Zealous But not Legalistic Joel Beeke 8 The Plague of Free Will Moralism Kenneth Talbot 9 Judging Vs Biblical Discernment

Stephenson,2017-06-09 Paul told the Romans the Law is holy and the commandment is holy and righteous and good Yet four times in three epistles he wrote We are not under law but under grace Christians read these seemingly conflicting statements and are easily confused They wonder if anyone can understand how the law and the Old Testament relates to their faith Some take the easy way out and all but ignore the Old Testament calling it legalism They prefer to concentrate on and enjoy the magnificent grace of God that comes with salvation This limits their understanding of the Scriptures and indeed restricts spiritual growth Confusion further abounds because just about every denomination has a different interpretation of the law and the relationship between the testaments Lester Stephenson proposes a different approach rooted in Jesus words in Matthew 5 17 18 Do not think that I came to abolish the Law or the Prophets I did not come to abolish but to fulfill For truly I say to you until heaven and earth pass away not the smallest letter or stroke shall pass from the Law until all is accomplished Those two verses call for Christians to look anew at the law and the rest of the Old Testament Not one part of the law or what the prophets wrote will pass away until Jesus has completely fulfilled it Stephenson stresses that Christians must recognize the importance of the Bible that Jesus and the apostles used Each time Jesus and the apostles used the phrase it is written they were using an Old Testament passage to illustrate a New Testament principle In A Biblicist View of Law and Gospel Stephenson advocates a biblicist view based on careful Bible study to explain how Christians are to view the law and the way the testaments fit together as an inspired whole Richard Baxter's Catholick Theologie : Plain, Pure, Peaceable : for Pacification of the Dogmatical Word-warriours, ...
