

The background of the cover is a misty, purple-toned landscape. In the foreground, there is a calm body of water reflecting the light. In the middle ground, there are rolling hills or mountains covered in trees, partially obscured by a thick mist or fog. The sky is a soft, hazy purple. The overall mood is serene and contemplative.

The Man's Guide to Women John Gottman, Julie Schwartz Gottman, Doug Abrams, Rachel Carlton

Abrams, 2016-02-02 A great philosopher once said: "Trying to understand women is like trying to smell the color." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably, there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling *7 Principles of Making Marriage Work*. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton, MD, is based on 40 years of scientific study, much of it gleaned from the Gottmans' popular couples workshops and the Love Lab at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. **The Man's Guide to Women** offers the science-based answers to the question: "What do women really want in a man?" The book explains the hallmarks of manhood that most women find attractive and helps men hone those skills to be the man she desires.

[After the Affair](#) Janis A. Spring, 1997-02-14 For the 70 percent of couples who have been affected by extramarital affairs, this is the only book to offer proven strategies for surviving the crisis and rebuilding the relationship, written by a nationally known therapist considered an expert on infidelity. "When I was 15, I was raped. That was nothing compared to your affair. The rapist was a stranger; you, I thought, were my best friend. There is nothing quite like the pain and shock caused when a partner has been unfaithful. The hurt partner often experiences a profound loss of self-respect and falls into a depression that can last for years. For the relationship, infidelity is often a death blow." **After the Affair** is the first book to help readers survive this crisis. Written by a clinical psychologist who has been treating distressed couples for 22 years, it guides both hurt and unfaithful partners through the three stages of healing: Normalizing feelings, deciding whether to recommit, and revitalizing the relationship. It provides proven practical advice to help the couple change their behavior toward each other, cultivate trust and forgiveness, and build a healthier, more conscious intimate partnership.
