## **Love Loss:**

**The Smartest Woman I Know** Ilene Beckerman, 2011-09-05 The author of *Love Loss and What I Wore* presents a whimsically illustrated memoir about her acerbic Jewish grandmother. *St Petersburg Times* Ilene Beckerman's first book illuminates the experience of an entire generation of women. *The New York Times Book Review* in a full page of praise for *Love Loss and What I Wore* It became a bestseller and inspired the hit Off Broadway play by the same name. Now Gingy returns with her fifth illustrated treasure *The Smartest Woman I Know* a tribute to the insightful woman who raised her. It's been said there's nobody as smart as an old woman. That's Gingy's grandmother Ettie though she had no more than a third grade education. She dispensed unforgettable wisdom to Gingy and her sister Tootsie as well as to the customers at her and her husband Mr Goldberg's stationery and magazine store where customers ranged from Irish nannies to Sara Delano Roosevelt to Marlene Dietrich. Clever about life and love food and men Ettie had advice for everyone and it didn't hurt that she got some of her best ideas from talking things over with God out loud. Known for bringing wit and emotion to issues that concern women depth and poignancy to subjects as seemingly trivial as clothes beauty and bridesmaids Gingy now magically brings the irrepressible Ettie Goldberg to life. With its compact format and bright colors *The Smartest Woman I Know* by Ilene Beckerman looks deceptively cute but it's a deeply felt homage to the author's 4 foot 10 inch grandmother Ettie. *The Jewish Week* Ettie's epigrams are packaged in a quick amusing read complete with quirky illustrations. *Publishers Weekly*

**Love, Loss, and What We Ate** Padma Lakshmi, 2016-03-08 A vivid memoir of food and family survival and triumph *Love Loss and What We Ate* traces the arc of Padma Lakshmi's unlikely path from an immigrant childhood to a complicated life in front of the camera a tantalizing blend of Ruth Reichl's *Tender at the Bone* and Nora Ephron's *Heartburn*. Long before Padma Lakshmi ever stepped onto a television set she learned that how we eat is an extension of how we love how we comfort how we forge a sense of home and how we taste the world as we navigate our way through it. Shuttling between continents as a child she lived a life of dislocation that would become habit as an adult never quite at home in the world. And yet through all her travels her favorite food remained the simple rice she first ate sitting on the cool floor of her grandmother's kitchen in South India. Poignant and surprising *Love Loss and What We Ate* is Lakshmi's extraordinary account of her journey from that humble kitchen ruled by ferocious and unforgettable women to the judges table of *Top Chef* and beyond. It chronicles the fierce devotion of the remarkable people who shaped her along the way from her headstrong mother who flouted conservative Indian convention to make a life in New York to her Brahmin grandfather a brilliant engineer with an irrepressible sweet tooth to the man seemingly wrong for her in every way who proved to be her truest ally. A memoir rich with sensual prose and punctuated with evocative recipes it is alive with the scents tastes and textures of a life that spans complex geographies both internal and external. *Love Loss and What We Ate* is an intimate and unexpected story of food and family both the ones we are born to and the ones we create and their enduring legacies. **Love, Loss, and what I Wore**
