The Psychology of Sex (Vol. 1-6) Havelock Ellis,2022-12-10 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained **Yoga Journal** ,1990-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty **SUMMARY - The Joy Of Sex By Alex Comfort** Shortcut Edition,2021-06-21 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will learn how to take ownership of your sex life You will also learn to listen to your desires and those of your partners to become sexually responsible to approach sexuality in a relaxed and uncomplicated

way to take responsibility for your sexuality For many many years sexuality has been ignored Some agreed that making sexuality a taboo was not appropriate because it is a source of pleasure Thus a number of writings and drawings related to sex have circulated since then Although there is no longer a law of silence around sexuality it remains difficult to talk about it freely The objective is therefore to free speech on this subject by sending false beliefs misinformation and any notion of guilt into the air In any case sexuality has not drastically evolved but the sexual revolutions and their moral repercussions have made it possible to approach certain subjects more serenely without fear of being judged So are you ready to understand what it means to have a fulfilling sex life Buy now the summary of this book for the modest price of a cup of coffee **No**
