

A romantic couple is shown in a close embrace, nearly kissing. The woman has long dark hair and is wearing a grey lace-trimmed top. The man has a beard and is wearing a light blue shirt and a dark tie. The background is a soft, out-of-focus indoor setting.

*A good woman
inspires a man,
a brilliant woman
interests him,

a beautiful woman
fascinates him,
but a sympathetic
woman gets him.*

Landscape for a Good Woman Carolyn Steedman, 1987 This book is about lives lived out on the borderlands lives for which the central interpretative devices of the culture don't quite work It has a childhood at its centre my childhood a personal past and it is about the disruption of that fifties childhood by the one my mother had lived out before me and the stories she told about it Intricate and inspiring this unusual book uses autobiographical elements to depict a mother and her daughter and two working class childhoods Burnley in the 1920s South London in the 1950s and to find a place for their stories in history and politics in psychoanalysis and feminism Provocative and quite dazzling in its ambitions Beautifully written intellectually compelling Judith Walkowitz Carolyn Steedman's 1950s South London childhood was shaped by her mother's longing What she actually wanted were real things real entities things she materially lacked things that a culture and a social system withheld from her When the world didn't deliver the goods she held the world to blame When Carolyn Steedman grows up and begins to look for reflections of her and her mother's lives in history theory and literature she finds that the tradition of cultural criticism that has employed working class lives and their rare expression in literature has made solid and concrete the absence of psychological individuality of subjectivity Through an in depth comparison of personal experience and prevailing political and social science theory on the psychology and attitudes of working class people *Landscape for a Good Woman* challenges an intellectual tradition that denies its subjects a particular story a personal history except when that story illustrates a general thesis In this poignantly written and thoroughly researched work the common theoretical conclusion that the survival struggles of working class people precludes the time necessary for more genteel elaboration of relationships is shot full of delightfully life affirming holes From 500 Great Books by Women review by Jesse Larsen

The Love of a Good Woman Alice Munro,2011-06-22 In eight stories a master of the form extends and magnifies her great themes the vagaries of love the passion that leads down unexpected paths the chaos hovering just under the surface of things and the strange often comical desires of the human heart Time stretches out in some of the stories a man and a woman look back forty years to the summer they met the summer as it turns out that the true nature of their lives was revealed In others time is telescoped a young girl finds in the course of an evening that the mother she adores and whose fluttery sexuality she hopes to emulate will not sustain her she must count on herself Some choices are made in a will in a decision to leave home with irrevocable and surprising consequences At other times disaster is courted or barely skirted when a mother has a startling dream about her baby when a woman driving her grandchildren to visit the lakeside haunts of her youth starts a game that could have dangerous consequences The rich layering that gives Alice Munro s work so strong a sense of life is particularly apparent in the title story in which the death of a local optometrist brings an entire town into focus from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know Large moving profound these are stories that extend the limits of fiction **Searching for Courtship**

Winifred Berg Cutler,1993 Offers a biological reappraisal of courtship describing the four roles a woman plays when she wants courtship and explaining the eleven principles that comprise the code of courtship **Logan** Giulia Lagomarsino,2017-11-11 Logan is a Revenge Romance and the third book in the For The Love Of A Good Woman series It can be read as a standalone but the characters are intertwined in all books Is this the man who attacked you Sean asked Yep That s him Alright Sean pulled out his phone and told the person on the other line his badge number and then told them he needed a squad car at this address Sean was about to pull the guy to his feet but I hadn t had my turn yet I quickly pointed the taser at the man and pushed the button watching in satisfaction as he screamed and then peed himself He s already incapacitated Cece Sean shot me a disapproving glare but I just shrugged He looked like he was trying to get loose to me Me too I saw him trying to get out of his restraints Vira added You get to clean up the mess since you tased him Totally worth it Revenge never tasted so sweet I had started over and made a great life for myself Then Logan walked back into my life but he didn t recognize me He had walked away ten years ago and devastated me Now I would get my revenge and make him pay for hurting me Who says that revenge can t be fun He s still the same cocky guy I knew but he s also sweet and that made me question how long I could hold out for I planned to thoroughly enjoy my time with Logan before I destroyed his life I just

hoped the cost wouldn't be too high I've lived my life the way I wanted to not answering to anyone else The result was friends that don't have a very high opinion of me and a lonely life that I started to wish included someone who truly cared for me Cece was the hottest thing I'd ever seen and the moment I had her I knew she was not just someone that would pass through my life My attraction to her didn't dim even when she left me tied to a bed Her spirit and punky attitude didn't push me away no matter how hard she tried but I began to question if I could truly bring this woman around or if she would be the one to tear my world apart
