

The background of the cover is a dark, atmospheric photograph of a forest. The trees are tall and thin, with bare branches, suggesting a late autumn or winter setting. The ground is covered in fallen leaves and ferns. In the center of the lower half, a small, dark silhouette of a person is walking away from the viewer down a path that leads into the distance. The overall mood is somber and contemplative.

Love Of Anxiety Other Essays:

The Love of Anxiety, and Other Essays Charles Frankel, 1965 Publisher description The wide diversity of subjects treated in this book by a contemporary philosopher adds to its interest and surprise The essays range from reflections on the condition and validity of religion to a description of a barge trip on the Seine from a consideration of the institution of the family to a tale about the peculiar moral ideals of bears and beavers French existentialism the shortcomings of American popular pragmatism and the anti intellectualism of the intellectuals are among the other subjects discussed Essays In Love Alain de Botton, 2014-12-15 A unique love story and a classic work of philosophy rooted in the mysterious workings of the human heart and mind With an introduction by Sheila Heti De Botton is a national treasure Susan Hill author of *The Woman in Black* Perhaps it is true that we do not really exist until there is someone there to see us existing we cannot properly speak until there is someone who can understand what we are saying in essence we are not wholly alive until we are loved A man and a woman meet over casual conversation on a flight from Paris to London and so begins a love story from first kiss to first argument elation to heartbreak and everything in between Each stage of the relationship is illuminated with startling clarity as Alain de Botton explores emotions often felt but rarely understood With the verve of a novelist and the insight of a philosopher de Botton uncovers the mysteries of the human heart *Essays In Love* is an iconic book one that should be read by anyone who has ever fallen in love **Catalog of Copyright Entries. Ponomareff, 1998 The main thrust of this collection of essays excluding those on Russian literature is to visualize the European Holocaust from a number of different vantage points the historical and cultural the political and individual the psychological and social and the critical and literary This wider perspective especially as it relates to the range and extent of human suffering suggests that a redefinition of the twentieth century Holocaust is now timely **Status Anxiety** Alain De Botton, 2008-12-10 There s no writer alive like de Botton Chicago Tribune and now this internationally heralded author turns his attention to the insatiable human quest for

status a quest that has less to do with material comfort than love Anyone who s ever lost sleep over an unreturned phone call or the neighbor s Lexus had better read Alain de Botton s irresistibly clear headed new book immediately For in its pages a master explicator of our civilization and its discontents explores the notion that our pursuit of status is actually a pursuit of love ranging through Western history and thought from St Augustine to Andrew Carnegie and Machiavelli to Anthony Robbins Whether it s assessing the class consciousness of Christianity or the convulsions of consumer capitalism dueling or home furnishing Status Anxiety is infallibly entertaining And when it examines the virtues of informed misanthropy art appreciation or walking a lobster on a leash it is not only wise but helpful

The Golden Condom Jeanne Safer,2016-04-05 Dr Jeanne Safer has dedicated much of her decades long career in psychotherapy to exploring taboo subjects that we all think about in private but seldom discuss in public From conflicted sibling relationships to the choice not to have children Safer s work has always been unflinching in its aim to dive deep into topics that make most of us blush but which are present in all of our lives In The Golden Condom Safer turns her sharp and fearless eye to a subject perhaps more universal than any other love in all its permutations In The Golden Condom

Safer interweaves her own experiences with those of a variety of memorable people including her patients telling a series of tales that investigate relationships both healthy and toxic that most of us don't escape life without experiencing at least once including traumatic friendships love after loss unrequited or obsessional love and more Never prescriptive and always entertaining these stories will demolish any suspicion you might have that you're alone in navigating a turbulent romantic life and will inspire you with the range of possibilities that exist to find love however unconventional and at any age Little Essays of Love and Virtue Havelock Ellis, 1922 Written for the general reader this 1922 collection by pioneering sex researcher Havelock Ellis clearly and cleanly introduces ideas from his major works and applies them to daily life Ellis discusses the positive moral value of sexual pleasure the social and biological reasons for marriage and the benefits of understanding human sexuality from a modern scientific perspective which for Ellis involved a positive view of eugenics

Book of Love and Pain, The Juan-David Nasio, 2012-02-01 Addresses the limits in treating pain psychoanalytically and offers a phenomenological description of psychic pain particularly the pain of a lost loved one *I Love You More Than You Know* Jonathan Ames, 2007-12-01 Utterly delightful essays from the creator of the HBO's *Bored to Death* reveal intimate details of his life as a famously neurotic New York writer Brendan Halpin Los Angeles Times Jonathan Ames has drawn comparisons across the literary spectrum from David Sedaris to F. Scott Fitzgerald to P. G. Wodehouse and his books as well as his abilities as a performer have made him a favorite on the Late Show with David Letterman Whether he's chasing deranged cockroaches around his apartment kissing a beautiful actress on the set of an avant garde film finding himself stuck perilously on top of a fence in the middle of the night in Memphis or provoking fights with huge German men Jonathan Ames has an uncanny knack for getting himself into outlandish situations In *I Love You More Than You Know* Ames once again turns his own adventures neuroses joys heartaches and insights into profound and hilarious tales Alive with love and tenderness for his son his parents his great aunt and even strangers in bars Ames looks beneath the surface of our world to find the beauty in the perverse the sweetness in loneliness and the humor in pain in essays that are both poignant and silly an irresistible mix John Dicker Philadelphia Weekly **Love in a Time of Loneliness** Paul Verhaeghe, 2018-04-17 The first essay *The Impossible Couple* is both a humorous and razor sharp analysis of the contemporary relationship between man and woman In the second essay *Fleeing Fathers* the author demonstrates that today the Freudian Oedipus complex has disappeared with a resulting shattering of classic gender roles Post modern morals are strange compared to previous morality because they convey an obligation to enjoy Things become even stranger when one finds that the expected enjoyment fails to come and instead of that we are faced with boredom anxiety and anger The author reconsiders the opposition between Eros and Thanatos as an opposition between two forms of sexual pleasure The fact that this opposition is ever present in heterosexual love demonstrates that gender differentiation goes beyond temporal cultural forms Accessibly written and provocatively argued *Love in a Time of Loneliness* is a polemic whose very informality belies its serious intent In

these three fascinating essays The author leaves the ordinary paths of thinking and sets out to discover what drives us in sex and love *My Philosophy - And Other Essays on the Moral and Political Problems of Our Time* Benedetto Croce,2011-10-12 My Philosophy is a 1949 work by Benedetto Croce containing many of his essays on philosophy together with various writings on the subjects of morality ad politics Contents include Discourses on Philosophy Philosophy of Politics Problems of Ethics and Aesthetics Philosophy of History and Various Thoughts Benedetto Croce 1866 1952 was an Italian historian philosopher and politician A prolific writer he who wrote on many different subjects including history philosophy aesthetics and historiography This vintage book is highly recommended for those with an interest in philosophy and is not to be missed by fans and collectors of Croce s seminal work Many vintage books such as this are becoming increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with an introduction to Croce s philosophy by Raffaello Piccoli Cultural Anxiety Rafael López-Pedraza, Four brilliant essays by the author of *Hermes and His Children* hailing the elemental force of the irrational in a world that is all too often explained and understood Moon Madness Titanic Love Cultural Anxiety Reflections on the Duende Consciousness of Failure L pez Pedraza passionately urges us to acknowledge our roots in the soul and our debt to the unknowable **Kierkegaard's Ethic of Love** C. Stephen Evans,2004-09-09 A compelling account of Kierkegaard s ethical views seeing him against the backdrop of nineteenth century European society but showing the relevance of his thought for the twenty first century Kierkegaard s view of morality as grounded in God s command to love our neighbours as ourselves has clear advantages over contemporary secular rivals **Love and Other Impossible Pursuits** Ayelet Waldman,2007-02-13 In this moving wry and candid novel widely acclaimed novelist Ayelet Waldman takes us through one woman s passage through love loss and the strange absurdities of modern life Emilia Greenleaf believed that she had found her soulmate the man she was meant to spend her life with But life seems a lot less rosy when Emilia has to deal with the most neurotic and sheltered five year old in New York City her new stepson William Now Emilia finds herself trying to flag down taxis with a giant industrial strength car seat looking for perfect strawberry flavored lactose free cupcakes receiving corrections on her French pronunciation from her supercilious stepson and attempting to find balance in a new family that s both larger and smaller than she bargained for In *Love and Other Impossible Pursuits* Ayelet Waldman has created a novel rich with humor and truth perfectly characterizing one woman s search for answers in a crazily uncertain world **Ethics, Love, and Faith in Kierkegaard** Edward F. Mooney,2008-07-17 *Ethics Love and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard s philosophy of religion With their unique focus on notions of the self views on the command to love one s neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard s philosophical and religious writings Poised at the intersection of Kierkegaard s moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent
