Love on the Line James, Anna,1984 *Secret Fires* James, Kristin,1984 **Winner Circle** April Thorne,Janis Flores,1984-11 *Everything But Time* Mary Lynn Baxter,1984-11 *East Side, West Side* Blake, Jillian,1984 Édith Piaf David Looseley,2015 The world famous French singer dith Piaf 1915 63 was never just a singer This book suggests new ways of understanding her her myth and her meanings over time at home and abroad by proposing the notion of an imagined Piaf *The Things They Carried* Tim O'Brien,2013 *The Image of the City* Kevin Lynch,1964-06-15 The classic work on the evaluation of city form What does the city s form actually mean to the people who live there What can the city planner do to make the city s image more vivid and memorable to the city dweller To answer these questions Mr Lynch supported by studies of Los Angeles Boston and Jersey City formulates a new criterion imageability and shows its potential value as a guide for the building and rebuilding of cities The wide scope of this study leads to an original and vital method for the evaluation of city form The architect the planner and certainly the city dweller will all want to read this book **Forthcoming Books** Rose Army,2001 All Quiet on the Western Front Erich Maria Remarque,2025-01-01 All Quiet on the Western Front by Erich Maria Remarque is a poignant narrative that captures the profound effects of World War I on a generation stripped of its innocence and vitality Through the eyes of the young German soldier Paul B umer Remarque unfolds the harrowing realities of war on the front lines where the only certainties are death despair and the relentless erosion of one s humanity As Paul and his comrades navigate the brutal chaos of trench warfare they are bound by a brotherhood forged under fire clinging to fleeting moments of joy and solace amidst the omnipresent specter of mortality This seminal work is not merely a novel about war it is a powerful indictment of the senseless brutality of conflict and the incalculable cost of violence Remarque s unflinching portrayal of the soldiers experiences serves as a universal reminder of the tragedies that unfold when nations choose war as a means to settle disputes All Quiet on the Western Front remains as relevant today as it was upon its publication continuing to offer profound insights into the personal and collective consequences of warfare and a poignant commentary on the loss of youth and innocence in the crucible of battle *The English Wife* Doreen Roberts,2012-05-15 He left her a cottage in England and a photograph with the words I m sorry written on it Marjorie Maitland was used to a certain routine she d built her life around the safety of predictability Then the unexpected happened her husband died But grief was not the only emotion that overwhelmed her The mystery her husband left behind puzzled her a deed to a cottage in England Where had that come from And who was the woman in the photograph Margie knew trouble when it knocked on her door The old Margie safe in her suburban home would have avoided this potentially humiliating situation But things were changing The new Margie had to unravel this tangled web and get to the truth And that meant a trip to England to find out if her entire life had been a lie or to discover the best parts of the rest of her life **Let's Pretend This Never Happened** Jenny Lawson,2013-03-05 The 1 New York Times bestselling mostly true memoir from the

hilarious author of *Furiously Happy* Gaspingly funny and wonderfully inappropriate *O The Oprah Magazine* When Jenny Lawson was little all she ever wanted was to fit in That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood It did however open up an opportunity for Lawson to find the humor in the strange shame spiral that is her life and we are all the better for it In the irreverent *Let s Pretend This Never Happened* Lawson s long suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments the ones we want to pretend never happened are the very same moments that make us the people we are today For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud this is a poignant and hysterical look at the dark disturbing yet wonderful moments of our lives Readers Guide Inside *The Underdogs* Mariano Azuela,2008-07-29 The greatest novel of the Mexican Revolution in a brilliant new translation by an award winning translator The *Underdogs* is the first great novel about the first great revolution of the twentieth century Demetrio Macias a poor illiterate Indian must join the rebels to save his family Courageous and charismatic he earns a generalship in Pancho Villa s army only to become discouraged with the cause after it becomes hopelessly factionalized At once a spare moving depiction of the limits of political idealism an authentic representation of Mexico s peasant life and a timeless portrait of revolution The *Underdogs* is an iconic novel of the Latin American experience and a powerful novel about the disillusionment of war

Line and Form Walter Crane,2016-08-24 As in the case of *The Bases of Design* to which this is intended to form a companion volume the substance of the following chapters on Line and Form originally formed a series of lectures delivered to the students of the Manchester Municipal School of Art There is no pretension to an exhaustive treatment of a subject it would be difficult enough to exhaust and it is dealt with in a way intended to bear rather upon the practical work of an art school and to be suggestive and helpful to those face to face with the current problems of drawing and design These have been approached from a personal point of view as the results of conclusions arrived at in the course of a busy working life which has left but few intervals for the elaboration of theories apart from practice and such as they are these papers are now offered to the wider circle of students and workers in the arts of design as from one of themselves They were illustrated largely by means of rough sketching in line before my student audience as well as by photographs and drawings The rough diagrams have been re drawn and the other illustrations reproduced so that both line and tone blocks are used uniformly being sacrificed to fidelity WALTER CRANE **Year of Yes** Shonda Rhimes,2015-11-10 The creator of *Grey s Anatomy* and *Scandal* details the one year experiment with saying yes that transformed her life revealing how accepting unexpected invitations she would have otherwise declined enabled powerful benefits **Signs and Symbols** Adrian Frutiger,1998 Discusses the elements of a sign and looks at pictograms alphabets calligraphy monograms text type numerical signs symbols and trademarks Jackson Pollock Pepe Karmel,1999 Published to accompany the exhibition Jackson Pollock held the Museum of Modern Art New York from 1 November 1998 to 2 February 1999 Haiti Noir 2 Edwidge Danticat,2013-12-16
