Heft on Wheels Mike Magnuson,2004-06-15 A few years ago the closest Mike Magnuson thought he would get to participating in a sporting event was sitting in the local bar slamming pitchers of beer and watching the NFL playoffs on TV He was thirty eight years old smoked a pack a day drank a case or two of beer a week and carried 250 pounds of weight on his five foot ten inch frame Getting on a bicycle for a peddle around the block could have been dangerous in his condition let alone trying to keep up with a group of racer fit riders for forty five miles at a clip but that is just what Mike decided to do He was sick of it all the booze the cigarettes and the heft He could have been seriously hurt But he wasn t In Mike s words he was merely handed his proverbial fat ass on a platter three times a week and kept coming back for more Heft on Wheels charts in hilarious detail every curve in Mike Magnuson s 180 degree journey from the big guy at the back of the pack to the

lean mean racing machine setting the pace for the group Along the way we meet his friends colleagues and family and learn how even a healthy obsession can have its uphill climbs For a start there s the starvation diet and the nicotine patches not to mention the skin tight XXL cycling outfit and the insanely unrealistic goal of completing the Bridge to Bridge Incredible Cycling Challenge proudly billed as 100 Miles of Pure Hill within the year Yet through it all Mike never loses his sense of humor though after having a quick conversation with God on one particularly grueling hill he does believe he has come within spitting distance of losing his mind Filled with triumph heartbreak and hilarity Heft on Wheels is an unforgettable book about getting from one place to another in more ways than one *Corgis on Wheels* Bobbie Mayer,2013-05-20
