God loves you perfectly and unconditionally right now, Joyce Meyer. **Seven Colors of Love: Love Conquers** Pramod Rajput, 2021-02-26 Raj turned back to look at Gauri. Her hair was disheveled. Her face was not glowing as before. For the first time, he saw a common girl in her and no longer an angel. Gauri was unable to see the tears in his eyes from that distance. Raj cried his heart out all the way home. The road was deserted except for his sobs which reverberated against the surrounding hills and rocks, turning into an echo that only his soul could hear. It was the echo of a broken heart that Raj heard for the first time. **Age of Joy** Yaseva, 2021-02-05 Have you at some time or the other wondered whether it is ever possible for human civilization to move away from its present inconsistent and jarring ways? Whether the deep-down desires of human beings will ever get met in a widespread way? If the anxiety, uncertainty, and confusion that seem to be the norm of these times

get replaced with rampant and pervasive peace happiness and joy Many feel that the world is progressing especially with the advancement in technology and communication But in reality if one looks closely it is debatable whether humanity is moving up or sliding down The global pandemic violent territorial disputes between nations religious chauvinism intolerance extreme poverty violence against women and children trafficking discrimination and so on are certainly not manifestations of human civilization progressing it s more like degeneration The Climate Emergency we are living in is pushing the planet towards extinction The unscrupulous pharmaceutical industry is exploiting the health system for financial gains The humongous war and armament industry drives the economy of developed nations and subversively fuels conflicts and jingoism among neighboring nations to keep their market flourishing The insatiable greed of corporate tycoons for endless growth and wealth garnering has no consideration for the livelihood of the vulnerable causing chronic inequity The mindless destruction and pollution of the planet s primary resources namely air water and earth to boost GDP carries on merrily All these are categorized as aspects of unworkability and left to persist as situations that we are expected to live with Pursuit of Joy is the panacea for all social anomalies and will usher human civilization into the Age of Joy *The Inescapable Love of God* Thomas Talbott,2014-11-17 Will the love of God save us all In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love forgiveness and hope into a message of fear and guilt According to the New Testament proclamation he argues God s love is both unconditional in its nature and unlimited in its scope hence no one need fear for example that God s love might suddenly turn into loveless hatred at the moment of one s physical death For God s love remains the same yesterday today and forever But neither should one ignore the New Testament theme of divine judgment which Talbott thinks the Western theological tradition has misunderstood entirely He argues in particular that certain patterns of fallacious reasoning which crop up repeatedly in the works of various theologians and Bible scholars have prevented many from appreciating St Paul s explicit teaching that God is merciful to all in the end This second edition of Talbott s classic work is fully revised updated and substantially expanded with new material ALSO AVAILABLE IN AUDIO FORMAT The Inescapable Love of God is also available as an unabridged audiobook wonderfully narrated by the actor George W Sarris running time 11 hours and 2 minutes The audiobook can be downloaded from christianaudio.com and Audible Battling Unbelief John Piper,2007-02-20 Pastor John Piper shows how to sever the clinging roots of sin that ensnare us including anxiety pride shame impatience covetousness bitterness despondency and lust in Battling Unbelief When faith flickers stoke the fire No one sins out of duty We sin because it offers some promise of happiness That promise enslaves us until we believe that God is more desirable than life itself Psalm 63 3 Only the power of God s superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin Delighting in the bounty of God s glorious gospel promises will free us for a less sin encumbered life to the glory of Christ Rooted in solid biblical reflection this book aims to help guide you through the battles to the joys of
