This is an important piece of work. It clearly comes from a place of love and practicality to evoke thought, promote communication, and bridge the gap at home between parents and children. There's definitely a place for it among caregivers who want to start meaningful conversations and offer guidance to the younger generation in a non-threatening and playful manner. Leanne L. Earnest, Ph.D. The challenges that young people face today are so much heavier than they were just a few years ago. The dangers of bullying, drugs, and social media have become common topics of discussion everywhere. However, many young people are challenged to communicate openly about their struggles. And many more hit puberty and decide that their parents just don't get it. They stop talking, and communication becomes a chore. How do we prepare our tweens, teens, and young adults for the journey ahead without putting pressure on them to tell us everything? **SKILLZ for the Journey** is a simple, practical guide that offers powerful solutions. **SKILLZ** is an interactive book designed to help promote thought and communication between families. **SKILLZ** creates an opportunity for parents and young people to connect through identification. **SKILLZ** will assist young people in learning to make healthy choices. **SKILLZ** addresses 52 topics on everything from eating disorders and anger to self-esteem and peer pressure. **SKILLZ** offers thought-probing questions at the end of each paragraph so that everyone has a turn to share their experience and opinions. **SKILLZ** will open the door for communication on a wide range of topics that may not otherwise come up in conversation. **SKILLZ** will facilitate families talking with each other about problems and solutions without any pressure.

RECOMMENDED USE FOR THIS BOOK: Pick a topic together. Read the entry and questions aloud. Each person takes a turn answering the questions for him or herself. Watch the miracle of communication unfold. **All I See Is You** Jessica Urlichs, 2020-11-16. Motherhood: the journey where you stop to take in the scenery. And even through the storm, isn't it beautiful? **All I See Is You** captures the little but meaningful moments of motherhood as if you're there, breathing it all over again. Jessica Urlichs' words encompass the highs and the lows, the raw and the vulnerable, and the overwhelming love a mother has for her child. This book of poetry and prose will take mothers on a journey of healing and growth with a powerful affirmation that you are not alone. Jessica found a way to put into words the very soul of motherhood. Your words help me feel seen. **Finding Eve** Rita Springer, 2013. **Finding Eve** follows Eve's journey to find her way back to God's heart and to discover her true identity as a daughter of God. If you're facing disappointment, the fallout from bad choices, or the pain of unfilled dreams, **Finding Eve** will equip you with the tools and encouragement to find redemption and be all you were intended to be in His great kingdom. **Mastered** Maya Banks, 2015-12-29. The #1 New York Times bestselling author of the *Surrender Trilogy* and the *Breathless Trilogy* knows what makes readers hot. Now she turns it up in **Mastered**, the explosive first book in a new series of a desire too dangerous to resist. What he wants, he takes with no remorse or guilt. She stood out

in his club like a gem unspoiled and untouched A lamb among wolves she clearly didn't belong Drawn to her innocence he watched as she was surrounded by men who saw what he did but no one but him could touch her He summoned her to his private quarters He sensed her fear He also recognized the desire in her eyes And he knew she wouldn't leave before he possessed her She had no need to know his secrets Not until he had her under his complete and utter control What he wants she isn't sure she can give him The moment he told her what he wanted she couldn't resist Instinct told her to run but her heart said stay and walk the fine line between pleasure and pain Though she wasn't sure she could ever completely surrender the primal part of her wanted to try even knowing this man could break her in ways she never imagined Because once he possessed her he owned her and it would be too late to turn back She can only pray that he doesn't destroy her in the end

Home is Where the Mic Is Vundla, Mandi Poefficient, Horwitz, Allan Kolski, 2019-03-18 This anthology presents the work of twenty-four young Spoken Word poets from South Africa with a sprinkling of guests from the United States Britain and Australia The experience of black youth in societies polarized by racism inequality and gender violence whilst at the same time struggling to come to terms with love sex and all the other basic needs of young people makes for fascinating reading The inventive graphic layout is a fine addition to a stand-out volume *Home is Where the Mic Is* was conceived as a collaboration with Word n Sound a popular Johannesburg Spoken Word platform The intention was to give hitherto only stage poets an opportunity to test their work on the page and confound the Eurocentric critics of the new wave of performance poetry who decry its energy and breaking down of artificial definitions of poetry This is South African poetry standing on its own two feet
