

A scenic landscape featuring a winding asphalt road that leads the eye from the bottom center towards the horizon. The road is flanked by dark, silhouetted hills and mountains. The sky is a vibrant mix of orange, yellow, and pink, suggesting a sunset or sunrise. The overall mood is peaceful and contemplative.

Love Pabion Solitude:

Empire City Matt Gallagher, 2021-01-26 From the author of Youngblood comes a brilliant and daring Phil Klay award winning author of Redeployment novel following a group of super powered soldiers and civilians as they navigate an imperial America on the precipice of a major upheaval for fans of The Fortress of Solitude and The Plot Against America Thirty years after its great triumph in Vietnam the United States has again become mired in an endless foreign war overseas Stories of super soldiers known as the Volunteers tuck in little American boys and girls every night Yet domestic politics are aflame an ex military watchdog group clashes with police while radical terrorists threaten to expose government experiments within the veteran rehabilitation colonies Halfway between war and peace the Volunteers find themselves waiting for orders in the vast American city state Empire City There they encounter a small group of civilians who know the truth about their powers including Sebastian Rios a young bureaucrat wrestling with survivor guilt and Mia Tucker a wounded army pilot turned Wall Street banker Meanwhile Jean Jacques Saint Preux a Haitian American Volunteer from the International Legion decides he ll do whatever it takes to return to the front lines Through it all a controversial retired general emerges as a frontrunner in the presidential campaign promising to save the country from itself Her election would mean unprecedented military control over the country with promises of security and stability but at what cost A passionate scary wise and perhaps even prophetic novel Tim O Brien author of The Things They Carried Empire City is a rousing vision of an alternate yet all too familiar America on the brink written by a preeminent voice in American writing Sara Novic author of Girl at War

Divine Feminine Handbook Volume II Marilyn Pabon, 2021-05-06 Unleashing Your Inner Goddess is about understanding and acknowledging that her divinity exists Your Inner Goddess is the purest form of you She is everything love and never concerns herself with trivial things She s been around for a LONG time and knows the ways of the Universe She also knows why you re here She is your Divine spark We often make the mistake of thinking our history begins with our birth in this life and that our memories extend only from the moment of our birth Our physical body is just the tip of the iceberg when it comes to who we are and what makes us us We have memories and knowledge from our life before this one Your Inner Goddess is your soul your true essence who always wants the best for you She s the part of you who truly remembers who you were before you came to this world She s free and wild and really doesn t care about other people s opinions She s the part of you who s at peace with what you ve been through and where you re headed It s You who set the course of your life and the things you want to accomplish and learn before you even came to this earth It s You whispering guidance to yourself about your highest path and purpose Your Inner Goddess invariably involves how you can best serve others while being true to yourself This part of You helps you to keep on track with your life s purpose and in touch with your passions and joy Your Inner Goddess has brought with her your feminine energy She s that part of your soul who is fully connected with the Divine Feminine Your Inner Goddess manifests as your higher self your soul your spirit your intuition the essence of who you truly

are You might frequently hear the phrase finding yourself but finding yourself is really returning to yourself and to your Inner Goddess Tapping into this divine feminine energy allows you to live life guided by your true essence and be in perfect flow with the magic of the universe Every woman has an Inner Goddess whether you realize it or not Connecting with your Inner Goddess will automatically make you feel happier radiant healthier and sexier Your higher vibration will make you naturally glow from the inside out You don't need to contact your Higher Self as an entity outside of yourself she is You Wisdom and memories are inside of you if you will access them Pay attention to your desires and passions Your truest heartfelt desires are feedback from your Inner Goddess about what you want to do now Living from your Inner Goddess means not sacrificing or ignoring those desires it also means listening to those desires on a daily basis You know you are stepping into your Goddess self and awakening your true eternal nature when you become more concerned about your inner journey than your outward one

Divine Feminine Handbook Marilyn Pabon, 2021-10-17 Divine Feminine self reliance is more than being self sufficient It means not clinging to people It means not making life harder for others than it already is For the most part it's an attitude and it's one that will serve you well no matter the circumstances in which you find yourself You probably know someone who lives on their own terms with an independent attitude and a determination to take care of their own needs they are accountable for themselves The shift to taking responsibility for our lives is vital to transforming our life into one of Divine Feminine self reliance No matter what challenges we face we must learn to save ourselves Do not wait for someone else to come along the proverbial white knight Do not buy into the old story that someone else can take better care of you than you can Your Divine Feminine Power is all about being self reliant When we think of self reliance sometimes we think of everything being on our shoulders That's not the case Being self reliant and independent doesn't mean you have to be alone it is being responsible for your life and taking the lead when it comes to planning making decisions and taking action It's about you taking the initiative and making certain things get done in a manner that is in your best interest This book will encourage and teach you to embrace a more self reliant Divine Feminine mindset one small step at a time in many areas of your life Your Divine Feminine energy power and intelligence to do so is your wise soul's gift to yourself and the planet
