Peony in Love Lisa See,2007-06-26 NEW YORK TIMES BESTSELLER A complex period tapestry inscribed with the age old tragedy of love and death The New York Times Book Review I finally understand what the poets have written In spring moved to passion in autumn only regret In seventeenth century China in an elaborate villa on the shores of Hangzhou s West Lake Peony lives a sheltered life One night during a theatrical performance in her family s garden Peony catches sight of an elegant handsome man and is immediately overcome with emotion So begins Peony s unforgettable journey of love and destiny desire and sorrow the living world and the afterworld Eventually expelled from all she s known Peony is thrust into a realm where hungry ghosts wander the earth written words have the power to hurt and kill and dreams are as vivid as waking life Lisa See s novel based on actual historical events evokes vividly another time and place where three generations of women become enmeshed in a dramatic story uncover past secrets and tragedies and learn that love can transcend death Peony in Love will make you ache in heart and mind for young Peony and all the women of the world who want to be heard

BONUS This edition contains an excerpt from Lisa See s Shanghai Girls Praise for Peony in Love Electrifying a fascinating and often surprising story of women helping women women hurting women and women misunderstanding each other The Miami Herald See mines an intriguing vein of Chinese history weaving fact and fiction into a dense romantic tapestry of time and place as she meditates on the meaning of love the necessity of self expression and the influence of art Los Angeles Times A transporting read to lost worlds earthly and otherwise Chicago Tribune A quietly beautiful tale that sneaks into the reader s heart Not since Susie Salmon of Alice Sebold s The Lovely Bones has a ghostly narrator been as believable and empathetic San Antonio Express News There s much here to be savored and a great deal to be learned The Washington Post Book World

Cosmologies P. K. Page,2003-06 P K Page writes poetry unencumbered by the freight of biography or gossip poems that don t invite speculation about the poet or her personae but arise from a bigger sense of the world and our more universal concerns She s a poet with great empathy for humanity Her poems reach always for the light in darkness in this sense they are moral poems The New Brunswick Reader

Her Quest for Self: a Journey Gayreen Lyngdoh,2015-10-14 To journey into the pages of this book is to journey into the colourful world of Chinese and Chinese American culture into slivers of history into gender politics into myth and perhaps even into ourselves In the private struggles and triumphs of Pearl S Bucks and Amy Tans women characters in their quest to re frame and re define themselves and their lives echo the universal experience of women in time and space the stories of love and loss the yearnings and heartaches the joys and sorrows the laughter and the tears and above all their quiet strength and resilience in the face of great odds and injustices that more often than not have marked the female experience through

generations The book will no doubt strike a chord in the hearts of the readers and offer a fascinating insight into the heart of a woman's world and what it is to be a woman Pearl S Buck and Amy Tan the two authors revisited in this book may both be described as writers who have in their own ways written about the lives of women Through their work they challenged patriarchal assumptions about women by attempting to fashion a distinctive feminine voice that allows for the articulation of women's experiences in their own voices and or through the female perspective This book takes a re look at the women characters in select novels of these two writers examining and analysing their experiences and subjectivities as they journey in quest of the self Special attention is drawn to the role of stories storytelling as a potent means of female expression and of bridging multifarious human divides The urgency of reframing and reinterpreting popular myths as a way of critiquing and changing mindsets where these need to be changed is also explored in depth The book is therefore a critical and insightful study of the works of two women that although written in different periods yet intersect in these pages The novels studied are those relating specifically to China and the Chinese Chinese American experience the main subject being the Chinese woman both in her own local space as well as outside of it Storytelling enables the transmission and perpetuation of values culture and history which as depicted here are crucial to self knowledge and to an understanding of one's place and identity in the universe The self that is represented in these novels therefore is not a self in isolation but a self that is a part and parcel of the human tapestry where race gender culture and history meet and intersect **Paul Scott P.**

with an Indian princess and struggles with cultural divides The Far Pavilions is itself a Himalayan achievement a book we hate to see come to an end It is a passionate triumphant story that excites us fills us with joy move us to tears satisfies us deeply and helps us remember just what it is we want most from a novel M M Kaye s masterwork is a vast rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction moving the famed literary critic Edmond Fuller to write Were Miss Kaye to produce no other book The Far Pavilions might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell s achievement in Gone With the Wind

Paul Scott,2013-08-14 Paul Scott is most famous for his much beloved tetralogy The Raj Quartet an epic that chronicles the end of the British rule in India with a cast of vividly and memorably drawn characters Inspired by Scott s own time spent in India and Malaya during World War II this two powerful novel provides valuable insight into how foreign lands changed the British who worked and fought in them hated and loved them The Chinese Love Pavilion follows a young British clerk Tom Brent who must track down a former friend now suspected of murder in Malaya Tom faces great danger both from the mysterious Malayan jungles and the political tensions between British officers but the novel is perhaps most memorable for the strange beautiful romance between Tom and a protean Eurasian beauty whom he meets in the eponymous Chinese Love Pavilion

The Hidden Room Patricia Kathleen Page,1997 If not a shilling life a glance at Who s Who in Canada will give you all the facts Which are more than impressive P K Page born in 1916 and very much with us is in brief a phenomenon a force majeure in Canadian literary and artistic life a National Treasure Her work to date sprung from the praiseworthy ambition of the lavishly gifted bestows upon us rich decades of protean accomplishment of widespread honour and renown Let us however concern ourselves here with the essential fictions with the beginning in delight and ending in wisdom as Frost has it of true poems with this present testament of imaginative intellectual and spiritual achievement The Hidden Room Collected Poems To immerse oneself in these two handsome volumes elegantly complemented and informed throughout by the drawings and paintings of her twin sister beautiful as Euclid the painter P K Irwin is to plunge into a deep freighted breaking wave of swirled delights and parlous undertows It is as with all such translucent ramparts of desire and abandon best met head on This is not to say that one must read consecutively through the some four hundred and fifty pages of poetry and the one dangerous liminal short story The ordering of the volumes is

credited to Stan Dragland who tackled material spanning sixty years and threaded it together in a manner uniquely his own While the overall drift is chronological the poems have been so intelligently interwoven that each of the volumes is a realized entity as each is a reflection of the whole
