I had my flaws

My Head Lives Here Mia Shparaga,2019-10-31 This book is a residence for thoughts that cannot live inside a head The majority of the poems in this collection endeavor to articulate the often overwhelming elusiveness of the world around us Each piece intends to invoke an image that relates to moments in our life that we relive every now and then flavoring our conscious with either hints of nostalgia or the essence of apprehension Those moments that have been hidden away in our deepest memories displaced by the bustling substance of things that matter Throughout the text there is an obvious evolution of emotional depth and complexity in my perception of the adequate words to say Yet the entire collection represents my current state as a new author aspiring to emulate the effortless yet profound simplicity of words as art As an extension of my own reality the world inside these pages explores the extremes of emotion that are sometimes better read than felt

Customs Solmaz Sharif,2022-03-01 Winner of the 2023 CLMP Firecracker Award for Poetry Winner of the 2023 Northern California Book Award for Poetry Finalist for the 2023 Kingsley Tufts Poetry Award Finalist for the 2022 L A Times Book Prize for Poetry Longlisted for the 2023 PEN Jean Stein Book Award In *Customs* Solmaz Sharif examines what it means to exist in the nowhere of the arrivals terminal a continual series of checkpoints officers searches and questionings that become a relentless experience of America With resignation and austerity these poems trace a pointed indoctrination to the customs of the nation state and the English language and the realities they impose upon the imagination the paces they put us through While Sharif critiques the culture of performed social skills and poetry itself its foreclosures affects successes she begins to write her way out to the other side of acceptability and toward freedom *Customs* is a brilliant excoriating new collection by a poet whose unfolding works are among the groundbreaking literature of our time **Risking Everything**

Roger Housden,2007-12-18 Listen are you breathing just a little and calling it a life Mary Oliver This luminous anthology brings together great poets from around the world whose work transcends culture and time Their words reach past the outer divisions to the universal currents of love and revelation that move and inspire us all These poems urge us to wake up and love They also call on us to relinquish our grip on ideas and opinions that confine us and instead to risk moving forward into the life that is truly ours In his selection Roger Housden has placed strong emphasis on contemporary voices such as the American poet laureate Billy Collins and the Nobel Prize winners Czeslaw Milosz and Seamus Heaney but the collection also includes some timeless echoes of the past in the form of work by masters such as Goethe Wordsworth and Emily Dickinson

The tens of thousands of readers of Roger Housden's Ten Poems series will welcome this beautiful harvest of poems that both open the mind and heal the heart *Nightingales and Pleasure Gardens* Talat S. Halman, Jayne L. Warner, 2005-07-05 The earliest Turkish verses dating from the sixth century A.D. were love lyrics. Since then love has dominated the Turkish poetic modes and moods: pre-Islamic, Ottoman, classical, folk, modern. This collection covers love lyrics from all periods of Turkish poetry. It is the first anthology of its kind in English. The translations faithful to the originals possess a special freshness in style and sensibility. Here are lyrics from pre-Islamic Central Asia, passages from epics, mystical ecstasies of such eminent thirteenth-century figures as Rumi and Yunus Emre, classical poems of the Ottoman Empire including Seyyid Nispeti Zeki, the Magnificent and women court poets, luring folk poems and the work of the legendary communist Nazim Hikmet who is arguably Turkey's most famous poet internationally and the greatest living Turkish poet, Fazıl Hakkı Doğlar. The verses in this collection are true to the Turkish spirit as well as universal in their appeal. They show how Turks praise and satirize love, how they see it as a poetic experience. Poetry was for many centuries the premier Turkish genre and love its predominant theme. Some of the best expressions produced by Turkish poets over a period of fifteen centuries can be found in this volume.
