Survivor Infant "James" Wilkins,2011-05-17 Survivor sends a message from God and babies to the mothers of those who have aborted their children THE MESSAGE We love you We forgive you WE LONG TO MEET YOU IN HEAVEN **But the Greatest of These Is Love** Eward M. Vigeant,2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also

necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love Love Story D. A. Fletcher,2012-06-20 Being a Christian does not mean never having to say you re sorry that s ridiculous In fact we American Christians may have so much to apologize for before we can begin to mount an apologetic we seem to have lost our voice with the lost and all credibility for the Gospel In each our own individual act of idolatry we have each chosen our own Jesus to match our beliefs rather than choosing our beliefs to match Jesus We have recreated God in our own image and we have lost our way Love Story isolates on some large vitally important ways that we have drifted from our faith making it much more American than Godly we have become idolators of individualism freedom democracy capitalism and even idolators of America itself We have little understanding of suffering little to say about the meaning of life and we ve missed entirely the spectacular nature of the universe and life We have much to unlearn before we can dare to speak of our faith *I Didn't Survive* Naghmeh Abedini Panahi,Eugene Bach,2023-10-10 It s hard enough having a painful secret that you are terrified of sharing It s even harder when you find yourself in the international limelight as the advocate wife of a Christian hero imprisoned for his faith The worst part is fearing that if you did share this secret it might devastate the lives of your family and close friends alienate tens of thousands of active supporters and cause persecuted people around the world to become even more vulnerable Naghmeh Abedini Panahi lived in constant tension from the irreconcilable realities playing out in her own life in her family life in the conduct of others and on the worldwide stage as she interacted with power brokers and well known religious leaders Tension involving Steadfastly honoring God versus being carried away by the tide of circumstances Personal reality versus public persona Genuine faith versus hypocritical religion Truth and caring versus the end justifying the means Obedience to God versus loyalty to others For Naghmeh it all came to a breaking point and the only way through it was to die Not physically but in experiencing a death and rebirth in her understanding of God her faith and her identity as a woman I can t tell you how I was able to make it through because I didn t she writes Like the Phoenix rising from the ashes the new me emerged from the catastrophe of my marriage I Didn t Survive Emerging Whole After Deception Persecution and Hidden Abuse is Naghmeh s firsthand story

which takes you from war torn Tehran to the quiet Midwestern U S to the halls of power in Washington D C It vividly describes the Islamic upbringing that shaped her her unexpected conversion to Christianity and the events that led to her marriage to Saeed Abedini a magnetic pastor in the Iranian underground church The book details Saeed s arrest and imprisonment for preaching the gospel her fateful decision to share the truth about her husband her betrayal and abandonment by former supporters and the new life of advocacy for women that has arisen from the brokenness Through the pain abuse and loss Naghmeh clearly demonstrates what it means for us to find our true identity in God discover the protective care God has for His children and participate in sharing the love and healing He desires to bring to the world

How Lucifer Hijacked Humanity's Eternal Destiny Christine Sihag,2023-09-21 *How Lucifer Hijacked Humanity s Eternal Destiny* is a whimsical poetic tale that tackles some of humanity s most enduring enigmas such as the unnerving inevitability of death as the beginning of one s own eternal destiny and the disturbing existence of evil in the world But what might eternity be if life is the only testing ground that precedes forever And why has humankind been assigned such a wonderous but grave responsibility as everyone contemplates eternity with concepts of heaven hell and even nothingness These ageless ideas continue to cause everyone to hope for the very best in terms of an afterlife for themselves and for their loved ones Eternity remains as relevant a consideration now as it was in ancient times when the greatest civilizations labored to entomb their kings and queens with enough care as to ensure their safe arrival to the hereafter Thus the onus of eternity has always haunted humanity like the strange curse of death itself And as humanity still reckons with that inexplicably egregious entity called evil does anyone actually know what it is or who it is

How to Survive in a World of Unbelievers John F. MacArthur,2001-01-10 How should Christians conduct themselves in an increasingly secular society Jesus answered this troubling question on the eve of His death with some of the most poignant powerful teaching in His entire ministry During those hours He taught His apostles and consequently all believers throughout history *How To Survive in a World of Unbelievers* Respected pastor teacher and author John MacArthur plumbs the depths of Jesus final words of encouragement to us based on John 13 16 By studying this valuable book you will find answers to these and other difficult questions How can you remain pure hearted and spiritually sound in a church seemingly full of hypocrites How do you help your children stay morally pure when they want to fit in with school friends who prefer

objectionable activities How can you keep your family anchored to Christ in a society that is drifting far away from His teaching on family issues such as divorce homosexuality and abortion How do you retain your Christian ethics when your boss asks you to lie or cheat How can you keep your life focused on glorifying Christ in a society that proclaims self pride and personal achievement as marks of success *Hearts That Survive* Yvonne Lehman,2012 The sinking of the Titanic impacts many lives as Lydia and Caroline both suffer tragic losses when the unsinkable ship goes down and decades later Alan searches for his identity with Joanna Caroline's granddaughter **How to Survive Abusive, Controlling and Addictive Relationships** Cynthia Kelly,2012-06 Domestic violence is not new to the human condition it is as old as mankind itself It showed its ugly head in the first family that God created Adam and Eve's two sons brought it to form when Cain slew his brother Abel in a fit of jealous rage But the answers to the problem are as old as mankind as well and the author believes they are found not only in the pages of this book but also in the pages of the book of books the Holy Bible It is her hope and desire that those who read it will find the help wisdom and ultimately the safety and survival it ascribes **Thinking About God's Love** Lorraine Cavanagh,2015-12-01 There are many people who are put off Christianity by the way the doctrines of atonement and redemption are communicated People find it hard to believe in a loving God who appears at the same time to be so angry and vindictive Many also feel that Christian teachings publicly or privately do not connect with them in any meaningful way This is either because they are put off by the narrow theological framework in which Christianity is presented or because what is said about atonement and redemption seems theoretical and remote from their experience of life This book seeks to address some of the difficult questions that these people are asking It is written for those who may be wanting to return to their faith who would like to explore it in greater depth or in a more open theological landscape The intention is that readers will find in this book a new understanding of what it really means to live as people who have been forgiven and brought home into a more honest and deeper relationship with God through the atoning and redemptive work of Jesus Christ
