*In the Hands of a Fiercely Tender God* Colleen Chao, 2022-10-25 Is it possible to face the darkest days of life with hope and joy and purpose The life of Colleen Chao was bright and beautiful it was brimming with hope and possibility She was a talented confident and ambitious young woman So Colleen never imagined that she d swim through two decades of deep water anxiety and depression She didn t guess that she d marry late suffer years of chronic pain and illness and give birth to a child with health complications And never in her life did she imagine hearing the words Cancer Stage four Terminal In the Hands of a Fiercely Tender God is born of the suffering that on its own could have crushed Colleen Her pain instead opened her eyes to eternal realities and has wrought a soul of indestructible joy How do we suffer long and well What do we do when we feel cheated How do we face pressing darkness One thing Colleen has learned is that we cannot bear the suffering alone We need lots of help To that end Colleen shares a precious devotional gift with the suffering soul thirty one days of wisdom hope and encouragement Drawing upon stories from past saints rich truths from Scripture and habits that build joyful endurance Colleen helps fellow sufferers to embrace one day at a time to trust and love Jesus more and put themselves In the Hands of a Fiercely Tender God

**Hope Heals** Katherine Wolf, Jay Wolf, 2016-04-26 When all seems lost where can you find hope Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles CA As they pursued their dreams she as a model and he as a lawyer they planted their lives in the city and their church community Their son James came along unexpectedly in the fall of 2007 and just six months later everything changed in a moment for this young family On April 21 2008 as James slept in the other room Katherine collapsed suffering a massive brain stem stroke without warning Miraculously Jay came home in time and called for help Katherine was immediately rushed into brain surgery though her chance of survival was slim As the sun rose the next morning the surgeon proclaimed that Katherine had survived the removal of part of her brain though her future recovery was uncertain Yet in that moment there was a spark of hope Through forty days on life support in the ICU and nearly two years in full time brain rehab that small spark of hope was fanned into flame Hope Heals documents Katherine and Jay s journey as they struggled to regain Katherine s quality of life and as she relearned to talk eat and walk As Katherine returned home with a severely disabled body but a completely renewed purpose she and Jay committed to celebrating this gift of a second chance by embracing life fully even though that life looked very different than they could have ever imagined As you uncover Katherine and Jay s remarkable story you ll be encouraged to Find lasting hope in the midst of struggle Embrace the unexpected Welcome God s miracles into your everyday life In the midst of continuing hardships both in body and mind Katherine and Jay found what we all long to find a hope that heals the most broken place our souls Let Hope Heals be your guide along the way Praise for Hope Heals As I read this book tears streamed from my eyes even as joy flooded my heart Jay and Katherine are a raw yet refreshing testimony to the unshakable trustworthiness of God amidst the unimaginable trials of life This book reminds all of us where hope can be
