

Jude Deveraux

The book cover features a romantic illustration of a woman in a white, off-the-shoulder gown standing on a path in a garden, looking down. In the background, there is a large, red-brick manor house with a central tower and arched windows, set against a warm, golden sky. The overall style is classic and evocative of historical fiction.

Love Stories By New Women:

The Glass Slipper Susan Ostrov Weisser, 2013-10-09 Why is the story of romance in books magazines and films still aimed at women rather than at men Even after decades of feminism traditional ideas and messages about romantic love still hold sway and in our postfeminist age are more popular than ever Increasingly we have become a culture of romance stories of all kinds shape the terms of love Women in particular love a love story The Glass Slipper is about the persistence of a familiar Anglo American love story into the digital age Comparing influential classics to their current counterparts Susan Ostrov Weisser relates in highly amusing prose how these stories are shaped and defined by and for women the main consumers of romantic texts Following a trajectory that begins with Jane Austen and concludes with Internet dating sites Weisser shows the many ways in which nineteenth century views of women s nature and the Victorian idea of romance have survived the feminist critique of the 1970s and continue in new and more ambiguous forms in today s media with profound implications for women More than a book about romance in fiction and media The Glass Slipper illustrates how traditional stories about women s sexuality femininity and romantic love have survived as seemingly protective elements in a more modern feminist sexually open society confusing the picture for women themselves Weisser compares diverse narratives historical and contemporary from high literature and low genres discussing novels by Jane Austen and Charlotte Bront Victorian women s magazines and D H Lawrence s Lady Chatterley s Lover Disney movies popular Harlequin romance novels masochistic love in films pornography and its relationship to romance and reality TV and Internet ads as romantic stories Ultimately Weisser shows that the narrative versions of the Glass Slipper should be taken as seriously as the Glass Ceiling as we see how these representations of romantic love are meant to inform women s beliefs and goals In this book Weisser s goal is not to shatter the Glass Slipper but to see through it

The Prime of Miss Jean Brodie Muriel Spark, 2012-03-20 A perfect book the film version won Maggie Smith an Academy award about a controversial teacher and her female students in the years before World War II Chicago Tribune Give me a girl at an impressionable age and she is mine for life So asserts Jean Brodie a magnetic dubious and sometimes comic teacher at the conservative Marcia Blaine School for Girls in Edinburgh Brodie selects six favorite pupils to mold and she doesn't stop with just their intellectual lives She has a plan for them all including how they will live whom they will love and what sacrifices they will make to uphold her ideals When the girls reach adulthood and begin to find their own destinies Jean Brodie's indelible imprint proves a gift to some and a curse to others Muriel Spark is one of the few writers on either side of the Atlantic with enough resources daring and stamina to be altering as well as feeding the fiction machine John Updike The New Yorker Surprises are systematically reduced until there is only one left and it is like the stab of a stiletto The Spectator Beautifully constructed extremely amusing and deeply serious Saturday Review This ebook features an illustrated biography of Muriel Spark including rare photos and never before seen documents from the author's archive at the National Library of Scotland

What Counts as Love Marian Crotty, 2017-10-15 Longlisted for the 2018 PEN America Literary Awards In these nine stories Marian Crotty inhabits the lives of people searching for human connection Her characters most often young women are honest troubled and filled with longing The stories are set in Arizona North Carolina Pennsylvania Maryland and the Persian Gulf and often touch on themes of addiction class sexuality and gender What Counts as Love is a poignant often funny collection that asks us to take it and its characters seriously

Modern Love Daniel Jones, 2019-10-17 A joyful collection of the most popular provocative and unforgettable essays from the New York Times Modern Love column featuring stories from the upcoming anthology series starring Tina Fey Andy Garcia Anne Hathaway Catherine Keener Dev Patel and John Slattery A young woman goes through the five stages of ghosting grief A man's promising fourth date ends in the emergency room A female lawyer with bipolar disorder experiences the highs and lows of dating A widower hesitates about introducing his children to his new girlfriend A divorcee in her seventies looks back at the beauty and rubble of past relationships These are just a few of the people who tell their stories in Modern Love featuring dozens of the most memorable

essays to run in the New York Times Modern Love column since its debut in 2004. Some of the stories are unconventional while others hit close to home. Some reveal the way technology has changed dating forever, others explore the timeless struggles experienced by anyone who has ever searched for love. But all of the stories are above everything else honest. Together they tell the larger story of how relationships begin, often fail, and when we're lucky, endure. This is the perfect book for anyone who's loved, lost, stalked an ex on social media, or pined for true romance. In other words, anyone interested in the endlessly complicated workings of the human heart.

Gray Hair Don't Care Karen Booth, 2021-02-02

Everything went wrong. And then she went gray. At 47, newly divorced makeup artist Lela Bennett is dreading her next steps: Dating, Meeting people. Not letting herself go. But then she runs into Donovan James and tries something different: sleeping with her sexy crush from college. Unfortunately, in a post-orgasm stupor, Lela confesses she was in love with Donovan all those years ago. He responds by leaving while she sleeps. The next morning, her gray hairs are practically taunting her. She knows she has to get it together. Forget men. Embrace her age. Own her gray. Donovan James is a marketing genius, but his ex-wives will tell you nothing freaks him out like feelings. Three years after his one-night stand with Lela, he's focused on his daughter's lifestyle company but unprepared to meet the face of their new beauty brand. It's Lela. With stunning silver locks and new confidence, she's no longer swayed by his charms. When business starts booming, the universe seems intent on throwing them together, time and again. And suddenly, two people convinced that romance was behind them are wondering if love could be what's next.

Cassandra Speaks Elizabeth Lesser, 2020-09-15

What story would Eve have told about picking the apple? Why is Pandora blamed for opening the box? And what about the fate of Cassandra, who was blessed with knowing the future but cursed so that no one believed her? What if women had been the storytellers? Elizabeth Lesser believes that if women's voices had been equally heard and respected throughout history, humankind would have followed different hero myths and guiding stories: stories that value caretaking, champion compassion, and elevate communication over vengeance and violence. *Cassandra Speaks* is about the stories we tell and how those stories become the culture. It's about the stories we still blindly cling to and the ones that cling to us: the origin tales, the guiding myths, the religious parables, the literature and films, and fairy tales passed down through the centuries about women and men, power and war, sex and love, and the values we live by. Stories written mostly by men, with lessons and laws for all of humanity. We have outgrown so many of them, and still they endure. This book is about what happens when women are the storytellers too, when we speak from our authentic voices, when we flex our values, when we become protagonists in the tales we tell about what it means to be human. Lesser has walked two main paths in her life: the spiritual path and the feminist one, paths that sometimes cross but sometimes feel at cross purposes. *Cassandra Speaks* is her extraordinary merging of the two. The bestselling author of *Broken Open* and *Marrow*, Lesser is a beloved spiritual writer as well as a leading feminist thinker. In this book, she gives equal voice to the cool water of her meditative self and the fire of her feminist self. With her trademark gifts of both humor and insight, she offers a vision that

transcends the either/or ideologies on both sides of the gender debate Brilliantly structured into three distinct parts Part One explores how history is carried forward through the stories a culture tells and values and what we can do to balance the scales Part Two looks at women and power and expands what it means to be courageous daring and strong And Part Three offers A Toolbox for Inner Strength Lesser argues that change in the culture starts with inner change and that no one woman or man is immune to the corrupting influence of power She provides inner tools to help us be both strong willed and kind hearted Cassandra Speaks is a beautifully balanced synthesis of storytelling memoir and cultural observation Women men and all people will find themselves in the pages of this book and will come away strengthened opened and ready to work together to create a better world for all people

Reading the Romance Janice A. Radway, 2009-11-18 Originally published in 1984 Reading the Romance challenges popular and often demeaning myths about why romantic fiction one of publishing's most lucrative categories captivates millions of women readers Among those who have disparaged romance reading are feminists literary critics and theorists of mass culture They claim that romances enforce the woman reader's dependence on men and acceptance of the repressive ideology purveyed by popular culture Radway questions such claims arguing that critical attention must shift from the text itself taken in isolation to the complex social event of reading She examines that event from the complicated business of publishing and distribution to the individual reader's engagement with the text Radway's provocative approach combines reader response criticism with anthropology and feminist psychology Asking readers themselves to explore their reading motives habits and rewards she conducted interviews in a midwestern town with forty two romance readers whom she met through Dorothy Evans a chain bookstore employee who has earned a reputation as an expert on romantic fiction Evans defends her customers choice of entertainment reading romances she tells Radway is no more harmful than watching sports on television We read books so we won't cry is the poignant explanation one woman offers for her reading habit Indeed Radway found that while the women she studied devote themselves to nurturing their families these wives and mothers receive insufficient devotion or nurturance in return In romances the women find not only escape from the demanding and often tiresome routines of their lives but also

a hero who supplies the tenderness and admiring attention that they have learned not to expect The heroines admired by Radway's group defy the expected stereotypes they are strong independent and intelligent That such characters often find themselves to be victims of male aggression and almost always resign themselves to accepting conventional roles in life has less to do Radway argues with the women readers' fantasies and choices than with their need to deal with a fear of masculine dominance These romance readers resent not only the limited choices in their own lives but the patronizing attitude that men especially express toward their reading tastes In fact women read romances both to protest and to escape temporarily the narrowly defined role prescribed for them by a patriarchal culture Paradoxically the books that they read make conventional roles for women seem desirable It is this complex relationship between culture text and woman reader that Radway urges feminists to address Romance readers she argues should be encouraged to deliver their protests in the arena of actual social relations rather than to act them out in the solitude of the imagination In a new introduction Janice Radway places the book within the context of current scholarship and offers both an explanation and critique of the study's limitations

Love Stories of Old California Mrs. Fremont Older, 1971 Semi-fictionized stories of Spanish California *The Book of Gutsy Women* Hillary Rodham Clinton, Chelsea Clinton, 2019-10-01 Now an eight-part docuseries on Apple TV Hillary Rodham Clinton and her daughter Chelsea share the stories of the gutsy women who have inspired them women with the courage to stand up to the status quo ask hard questions and get the job done She couldn't have been more than seven or eight years old Go ahead ask your question her father urged nudging her forward She smiled shyly and said You're my hero Who's yours Many people especially girls have asked us that same question over the years It's one of our favorite topics HILLARY Growing up I knew hardly any women who worked outside the home So I looked to my mother my teachers and the pages of Life magazine for inspiration After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male-dominated jobs I started a scrapbook of my own Long after I stopped clipping articles I continued to seek out stories of women who seemed to be redefining what was possible CHELSEA This book is the continuation of a conversation the two of us have been having since I was little For me too my mom was a hero so were my grandmothers My early teachers were also women But I grew up in a world very different from theirs My pediatrician was a woman and so was the first mayor of Little Rock who I remember from my childhood Most of my close friends' moms worked outside the home as nurses doctors teachers professors and in business And women were going into space and breaking records here on Earth Ensuring the rights and opportunities of women and girls remains a big piece of the unfinished business of the twenty-first century While there's a lot of work to do we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us That is the achievement of each of the women in this book So how did they do it The answers are as unique as the women themselves Civil rights activist Dorothy Height LGBTQ trailblazer Edie Windsor and swimmer Diana Nyad kept pushing forward no matter what Writers like Rachel

Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before Historian Mary Beard used wit to open doors that were once closed and Wangari Maathai who sparked a movement to plant trees understood the power of role modeling Harriet Tubman and Malala Yousafzai looked fear in the face and persevered Nearly every single one of these women was fiercely optimistic they had faith that their actions could make a difference And they were right To us they are all gutsy women leaders with the courage to stand up to the status quo ask hard questions and get the job done So in the moments when the long haul seems awfully long we hope you will draw strength from these stories We do Because if history shows one thing it is that the world needs gutsy women
