Love Talks For Families:

I Only Say This Because I Love You Deborah Tannen, 2002-05-28 Why does talk in families so often go in circles leaving us tied up in knots In this illuminating book Deborah Tannen the linguist and bestselling author of *You Just Don't Understand* and many other books reveals why talking to family members is so often painful and problematic even when we're all adults Searching for signs of acceptance and belonging we find signs of disapproval and rejection Why do the seeds of family love so often yield a harvest of criticism and judgment In *I Only Say This Because I Love You* Tannen shows how important it is in family talk to learn to separate word meanings or messages from heart meanings or metamessages unstated but powerful meanings that come from the history of our relationships and the way things are said Presenting real conversations from people's lives Tannen reveals what is actually going on in family talk including how family conversations must balance the longing for connection with the desire for control as we struggle to be close without giving up our freedom This eye-opening book explains why grown women so often feel criticized by their mothers and why mothers feel they can't open their mouths around their grown daughters why growing up male or female or as an older or younger sibling results in different experiences of family that persist throughout our lives and much much more By helping us to understand and redefine family talk Tannen provides the tools to improve relationships with family members of every age

Love Makes a Family Sophie Beer, 2018-12-24 This fun inclusive board book celebrates the one thing that makes every family a family and that's LOVE Love is baking a special cake Love is lending a helping hand Love is reading one more book In this exuberant board book many different families are shown in happy activity from an early morning wake up to a kiss before bed Whether a child has two moms two dads one parent or one of each this simple preschool read-aloud demonstrates that what's most important in each family's life is the love the family members share

Love Must Be Tough James C. Dobson, 2010-12-22 You've forgiven a thousand times You've bent over backwards to make your partner feel loved and accepted But the only reward for your loyalty has been anger indifference infidelity or abuse Your spouse may even be ready to walk out the door Do you feel like all is lost Are you ready to give up There IS still hope Dr James Dobson's tough love principles have proven to be uniquely valuable and effective Unlike most approaches to marriage crisis the strategy in this groundbreaking classic does not require the willing cooperation of both spouses *Love Must Be Tough* offers the guidance that gives you the best chance of rekindling romance renewing your relationship and drawing your partner back into your arms
