Lottie Dod Champion Of Champions The Story Of An Athlete:

Lottie Dod, Champion of Champions Jeffrey Pearson, 1988 A biography of the greatest sportswoman of her time and her remarkable life A Contemporary History of Women's Sport, Part One Jean Williams, 2014-04-24 This book is an historical survey of women's sport from 1850-1960. It looks at some of the more recent methodological approaches to writing sports history and raises questions about how the history of women's sport has so far been shaped by academic writers. Questions explored in this text include: What are the fresh perspectives and newly available sources for the historian of women's sport? How do these take forward established debates on women's place in sporting culture and what novel approaches do they suggest? How can our appreciation of fashion, travel, food and medical history be advanced by looking at women's involvement in sport? How can we use some of the current ideas and methodologies in the recent literature on the history and sociology of sport in order to look afresh at women's participation? Jean Williams's original research on these topics and more will be a useful resource for scholars in the fields of sports, women's studies, history and sociology.

Britain's Olympic Women Jean Williams, 2020-07-26 Britain has a long and distinguished history as an Olympic nation. However, most Olympic histories have focused on men's sport. This is the first book to tell the story of Britain's Olympic women, how they changed the Olympic spectacle and how in turn they have reinterpreted the Games. Exploring the key themes of gender and nationalism and presenting a wealth of new empirical archival evidence, the book explores the sporting culture produced by British women who aspired to become Olympians from the early years of the modern Olympic movement. It shines new light on the frameworks imposed on female athletes individually and as a group by the International Olympic Committee (IOC), the British Olympic Association (BOA) and the various affiliated sporting international federations. Using oral history and family history sources, the book tells of the social processes through which British Olympic women have become both heroes and anti-heroes in the public consciousness. Exploring the hidden narratives around women such as Charlotte Cooper, Lottie Dod, Audrey Brown and Pat Smythe and bringing the story into the modern era of London 2012, Dina Asher-Smith and Katarina Johnson-Thompson, the book helps us to better understand the complicated relationship between sport, gender, media and wider society. This is fascinating reading for anybody with an interest in sport history, Olympic history, women's history, British history or gender studies.

Little Wonder Sasha Abramsky, 2020-08-04 Masterfully captures the life of this little-known sportswoman, a versatile female athlete comparable to Babe Didrikson Zaharias. Booklist starred review: Lottie Dod was a truly extraordinary sports figure who blazed trails of glory in the late nineteenth and early twentieth centuries. Dod won Wimbledon five times and did so for the first time in 1887 at the ludicrously young age of fifteen. After she grew bored with competitive tennis, she moved on to and excelled in myriad other sports: she became a leading ice skater and tobogganist, a mountaineer, an endurance bicyclist, a hockey player, a British ladies golf champion and an Olympic silver medalist in archery. In her time, Dod had a huge following, but her years of distinction occurred just before the rise of

broadcast media By the outset of World War I she was largely a forgotten figure she died alone and without fanfare in 1960 Little Wonder brings this remarkable woman's story to life contextualizing it against a backdrop of rapid social change and tectonic shifts in the status of women in society Paving the way for the likes of Billie Jean King Serena Williams and other top female athletes of today Dod accepted no limits no glass ceilings and always refused to compromise Eighty five years before Billie Jean King and Bobby Riggs fought the battle of the sexes a Victorian teenager showed what women could do Abramsky celebrates her as a brave and talented and determined original The Atlantic Love Game Elizabeth Wilson,2016-05-06 A journey through the history culture and mystique of tennis from an original and provocative mind The Wall Street Journal If you've watched Rafael Nadal spin a forehand at 4000 rpm Maria Sharapova arabesque out of a serve Serena Williams utterly destroy a short ball or Roger Federer touch a volley into an impossibly angled winner you know how exciting tennis can be This book reveals the long history and unique culture behind the sport With a penchant for tennis's inherent drama historian Elizabeth Wilson finds its core a psychological face off between flamboyant personalities navigating the ebbs and flows of fortune in the confines of a 78 x 36 foot box whether of clay grass or DecoTurf Walking the finely kempt lawns of Victorian England she shows how tennis's early role as a social pastime that included both men and women and thus lots of sexual tension set it apart from most other sports and their dominant masculine appeal Even today when power and endurance are more important than ever tennis still demands that the body behave gracefully and with finesse In this way Wilson shows tennis has retained the vibrant spectacle of human drama and beauty that have always made it special not just to sports fans but to popular culture Telling the stories of all the greats from the Renshaw brothers to Novak Djokovic and of all the advances from wooden racquets to network television schedules Wilson offers a tennis book like no other keeping the court square in our sights as history is illuminated around it A sporting history unlike any I've read one that in its sophistication and thoughtfulness shows up the hollowness of most other accounts Observer British Sport: Biographical studies of British sportsmen, sportswomen, and animals Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **A Historical Dictionary of British Women** Cathy Hartley,2013-04-15 This reference book containing the biographies of more than 1 100 notable British women from Boudicca to Barbara Castle is an absorbing record of female achievement spanning some 2 000 years of British life Most of the lives included are those of women whose work took them in some way before the public and who therefore played a direct and important role in broadening the horizons of women Also included are women who influenced events in a more indirect way the wives of kings and politicians mistresses ladies in waiting and society hostesses Originally published as The Europa Biographical Dictionary of British Women this newly reworked edition includes key figures who have died in the last 20 years such as The Queen Mother Baroness Ryder of Warsaw Elizabeth Jennings and

Christina Foyle The Sporting Life Nancy Fix Anderson,2010-02-26 This lively and intriguing study looks at the way sports both reflected and shaped Victorian society Just as our own games have a lot to say about modern American culture so sports are a prism through which we can gain valuable insights into Victorian society The Sporting Life Victorian Sports and Games is an engaging and perceptive account of how sport developed during Britain s heyday who played and who wasn t allowed to play and what it all conveys about gender race imperialism and national pride Drawing extensively on 19th century writings The Sporting Life begins with a survey of sports in pre Victorian England and the impact of industrialism in the early 19th century We read of the effects of evangelicalism and utilitarianism both of which first opposed sport then used it for their own purposes We learn of the association of sports with masculinity an identification women challenged late in the century Finally we learn how English sports became part of the imperial game used to promote and resist the spread of Victoria s vast empire Beyond SW19 Kevin Jefferys,2021-05-24 Wimbledon has long stood at the pinnacle of British and world

tennis But as Kevin Jefferys shows in this ground breaking new study Britain has a rich history of international standard play beyond SW19 in top level tournaments and Davis Cup competitions at iconic venues such as Queen s Club Eastbourne and Edgbaston The book traces the fluctuating fortunes of a dozen or so tournaments that have brought the world s finest players to English shores during the 140 year history of lawn tennis Taking a tour around different regions of the country the author sheds fresh light on the best known events and on largely forgotten but once high profile tournaments held in Bristol Torquay and Scarborough Both a record and a celebration of England s tennis heritage the book is packed with stories about memorable players and matches full results for singles finals and anecdotes about quirky or controversial incidents ranging from the courtside fire that halted a tournament final to the anti apartheid protests that disrupted a Davis Cup tie *British Sport - a Bibliography to 2000* Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Sport in Britain** Richard

William Cox,1991 Mothers Of The City Michael Kelly,2012-04-09 Mothers of the City brings to life some of the outstanding women who have served Liverpool and the nation It shows vividly how they excelled in their expert fields of law education politics and the arts It inspires us all by showing how they used their expertise to try and bring about a better society Women like Eleanor Rathbone who fought for a system of Family Allowance which was introduced in 1945

Sport'S Great All-Rounders James Holder,2015-08-26 On July 3 1958 Arthur Milton and MJK Smith opened the batting for England in the third Test against New Zealand at Headingley Coincidentally Milton was the last Englishman to play football and cricket for England and Smith the last Englishman to play rugby and cricket for England However both before and after that Test in 1958 there have been a number of sportsmen and sportswomen who have represented their country in more than one sport In this book are listed biographical details of 172 sportsmen and sportswomen including some of whom

are disabled who have excelled at more than one sport Some such as CB Fry and Denis Compton will be well known others such as Aramugam Vijiaratnam who represented Singapore in four sports and Ken Hough who played three different sports for three different countries may be less well known But everyone listed has excelled at more than one sport and this book serves to recognize their achievements *The Alpine Journal*, 1990 Women Tennis Stars Dennis J.
