Sullivan,2011-06-03 Legendary Southern Baptist missionary Charlotte Lottie Moon played a pivotal role in revolutionizing southern civil society Her involvement in the establishment of the Women s Missionary Union provided white Baptist women with an alternate means of gaining and asserting power within the denomination s organizational structure and changed it forever In *Lottie Moon A Southern Baptist Missionary to China in History and Legend* Regina Sullivan provides the first comprehensive portrait of Lottie who not only empowered women but also inspired the formation of one of the most influential religious organizations in the United States Despite being the daughter of slaveholders in antebellum Virginia Moon never lived the life of a typical southern belle Highly educated and influenced by models of independent womanhood including an older sister who was a woman s rights advocate an open opponent of slavery and the first Virginian female to earn a medical degree Moon followed her sister s lead and utilized her extensive education to successfully combine the language of woman s rights with the egalitarian impulse of evangelical Protestantism In 1873 Moon found her true calling however in missionary work in China During her tenure there she recommended that the week before Christmas be designated as a time of giving to foreign missions In response to her vision thousands of Southern Baptist women organized local missionary societies to collect funds and in 1888 the Woman s Missionary Union was founded as the Southern Baptist Convention s female auxiliary for missionary work Sullivan credits Moon s role in the establishment of the Woman s Missionary Union as having a significant impact on the erosion of patriarchal power and women s new engagement with the public sphere Since her initial plea in 1888 the Missionary Union s annual Lottie Moon Christmas Offering has raised over a billion dollars to support missionary work Lottie Moon captures the influence and culminating effect of one woman s personal spiritual and civic calling Dead Letters from Paradise Ann McMan,2022-06-28 Two time Lambda Literary Award winning author Ann McMan introduces readers to a spinster postal investigator for the Winston Salem Dead Letter Office who finds herself entangled in the mystery of solving who is sending undeliverable love letters to the town s 18th century hortus medicus The year is 1960 and Gunsmoke is the most popular show on TV Elvis Presley tops the Billboard charts and a charismatic young senator named John F Kennedy is running for
