to save his world from deadly magic Prince Trevelyan the lord of the wolves must carve the Rose of Rebirth from the living heart of his lost true love Original **The Way of the Rose** Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary's prayers and mysteries secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world *Machoponi: A Prance with Death* Lotus Rose, 2019-03-17 The first volume of the dementedly funny 80's nostalgia series The Poniworld Chronicles introduces us to MachoPoni He's a purple pony who tries to act tough but has a heart of gold And his heart has a soft spot for a female pony named Dust He's loved her ever since they were children though many would call him a fool for doing so Because most ponies would call Dust cruel and manipulative But the part of her that MachoPoni fell in love with is a part deep inside that she doesn't show to others So when Dust is kidnapped and taken to the land of undead ponies MachoPoni has no choice but to rescue her If you grew up watching 80's My Little Pony cartoons you'll love this irreverent twisted take on ponies and 80's pop culture It's fun to catch all the references to the 80's and specifically to the year 1983 Seriously every book in the series takes place in that year because in Poniworld it's always 1983 These books are darkly humorous twisted parodies that children shouldn't be allowed to read They're for those of you who want to revisit your childhood but from the perspective of the slightly off adult you've become They're truly children's books for adults delivered with a twisted sense of humor But don't worry If you didn't grow up in the 80's there's plenty of fun to be had for you too Prepare to learn why the 80's were so gnarly **Yellow Lotus Flower** Jen Myzel, 2019-07-16 Yellow Lotus Flower is a children's sing a long book for the soul The story is told by the lotus herself reminiscing on a time when she was a scared little seed stuck in the murky depths of the pond unsure of herself and if life would ever be different Luckily she encounters guides along the way like the benevolent sun and a wise golden fish who proclaims there's light at the top you've got to believe me So grow up and up and send your roots

down deep The lotus flower lives a parallel and intertwined life with a grieving young girl Through fear and uncertainty they have to muster their own courage to send their roots down into the muck in order to transform into the beautiful flower and human they are meant to be As Yellow Lotus Flower sings her song she is joined by a symphony at the pond a frog on guitar singing dragonflies turtles on drums and piano playing newts To conclude the epic song of her life Yellow Lotus encourages the next generation of seeds to have faith that they too will find their way through the muck and bloom Yellow Lotus Flower follows the simple life cycle of a flower yet carries a deep personal and cultural message about transformation and finding our way through dark times Author scholar and elder Joanna Macy praises it as a story for our times Yellow Lotus Flower draws wisdom directly from the natural world and is also inspired by Buddhist teachings offering a beacon of hope for children and parents grappling with life s inevitable challenges and transitions Yellow Lotus Flower like the sun you rise up from the darkness When tears come your heart grows stronger like the sun we rise up from the darkness Yellow Lotus Flower offers an innovative multi media experience in which children and parents can sing along to the words of the book by downloading or streaming the Yellow Lotus Flower song or scanning a QR code in the book Children and parents can also find guitar chords in the back of the book and learn how to play the song To see the Yellow Lotus Flower music video listen to the song and check out the online shop visit www.jenmyzel.net/yellowlotusflower or bit.ly/yellowlotus **The Rose**
