**Lou Reed** Anthony DeCurtis, 2017-10-05 A GUARDIAN AND CHOICE BOOK OF THE YEAR A walk on the wild side with the alt rock pioneer GQ DeCurtis is well placed to trace Reed's five decade career drawing on insider knowledge but skilfully balancing it with detailed research and fascinating interviews Mojo Magazine As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once the height of sanctity and perversity transcended a genre speaking to millions of listeners inspiring a new generation of musicians and forever changing the way we think of that iconic era of sex drugs and rock n roll Throughout his five decade career Reed embodied artistic self awareness and captured the beauty paranoia and vivacity of his time into an array of hit songs experimental albums and a larger than life persona With such masterpieces as Sweet Jane and Walk on the Wild Side Reed exerted an influence on popular music rivaled only by the likes of Bob Dylan and the Beatles and is recognized to this day as one of the greatest musicians of the 20th century Now just a few years after Reed's death comes the thrilling provocative story of his complex life An acclaimed Rolling Stone contributor Anthony DeCurtis interviewed Reed extensively and knew him well With unparalleled access to Reed's friends family and dozens of other intimate relations DeCurtis brings Reed's story compellingly alive and deepens our understanding of his indelible music We travel deep into the underground artist clubs listen along in the studio as the Velvet Underground record their signature work and revel in Reed's relationship with legends like Andy Warhol Patti Smith and David Bowie Insightful revelatory and intimate Lou Reed is a gripping tribute to a quintessential American icon

Lou Reed's Transformer Ezra Furman, 2018-04-19 Transformer Lou Reed's most enduringly popular album is described with varying labels it's often called a glam rock album a proto punk album a commercial breakthrough for Lou Reed and an album about being gay And yet it doesn't neatly fit into any of these descriptors Buried underneath the radio friendly exterior lie coded confessions of the subversive wounded intelligence that gives this album its staying power as a work of art Here Lou Reed managed to make a fun accessible rock n roll record that is also a troubled meditation on the ambiguities sexual musical and otherwise that defined his public persona and helped make him one of the most fascinating and influential figures in rock history Through close listening and personal reflections songwriter Ezra Furman explores Reed's and Transformer's unstable identities and the secrets the songs challenge us to uncover *The Life of Lou Reed* Howard

Sounes, 2019-09-10 An illuminating biography of Lou Reed featuring interviews with over 140 people who knew him intimately plus previously unpublished photographs As band leader of the Velvet Underground and later a successful solo artist Reed was much more than what the general public came to know as the grumpy New Yorker in black who sang Walk on the Wild Side To his dedicated admirers he was one of the most innovative and intelligent songwriters of modern times a natural outsider who lived a tumultuous and tortured life In the course of his deep research into Reed's life from a humble upbringing on Long Island to death from liver disease in 2013 Howard Sounes interviewed more than 140 people who knew

the artist intimately some of whom have not spoken publicly about him before With new revelations from former wives and lovers family members fellow band members and celebrities and music industry figures this book offers an updated unfettered look at Reed s creative process his mental health problems his bisexuality his three marriages and his addictions to drugs and alcohol Featuring previously unpublished photographs of some of Reed s most private moments this is the definitive account of one of rock n roll s most complicated and brilliant prophets Compelling Soundes takes pride in carefully debunking the myths that have crept in from Reed s own fictionalizations The Sunday Telegraph Controversial Soundes book pushes the standard Reed narrative New York Times A measured chronicle of the life and music of Lou Reed Soundes proves to be an amiable narrator who successfully reveals Reed as an innovative influential musician Publishers Weekly A walk on the dark side Independent A must read Soundes chronicles Reed s turbulent and often brutal relationships with men and women and the wayward talent that produced such classics as Walk On The Wild Side Daily Mail Please Kill Me Legs McNeil, André Malraux, Gillian McCain, 2006 Now in paperback this first oral history of the most nihilistic of all pop movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony Please Kill Me reads like a fast paced novel but the tragedies it contains are all too human and all too real photos *Pass Thru Fire* Lou Reed, 2008-12-09 Originally published New York Hyperion c2000 **Dirty Blvd.** Aidan Levy, 2015-10-01 Lou Reed made it his mission to rub people the wrong way whether it was with the noise rock he produced with the Velvet Underground in the late 1960s or his polarizing work with Metallica that would prove to be his swan song On a personal level too he seemed to take pleasure in insulting everyone who crossed his path How did this Jewish boy from Long Island an adolescent doo wop singer rise to the status of Godfather of Punk And how did he maintain that status for decades Dirty Blvd the first new biography of Reed since his death in 2013 digs deep to answer those questions And along the way it shows us the tender side of his prickly personality Born in Brooklyn Reed was the son of an accountant and a former beauty queen but he took the road less traveled trading literary promise for an entry level job as a budget label songwriter and founding the Velvet Underground under the aegis of Andy Warhol The cult of personality surrounding his transformation from downtown agent provocateur to Phantom of Rock and finally to patron saint of the avant garde was legendary but there was more to his artistic evolution than his abrasive public persona The lives of many American rock stars have had no second act but Reed s did Dirty Blvd not only covers the highlights of Reed s career but also explores lesser known facets of his work such as his first recordings with doo wop group the Jades his key literary influences and the impact of Judaism upon his work and his engagement with the LGBT movement Drawing from new interviews with many of his artistic collaborators friends and romantic partners as well as from archival material concert footage and unreleased bootlegs of live performances author Aidan Levy paints an intimate portrait of the notoriously uncompromising rock poet who wrote Heroin Sweet Jane Walk on the Wild Side and Street Hassle songs that transcended their genre and established Lou Reed as one of the most influential

and enigmatic American artists of the past half century      **I'll Be Your Mirror** Lou Reed, 2019-11-05 A 2019 Music Book of the Year THE TIMES Out of print for several years a comprehensive volume of Lou Reed's lyrics with brand new introductions now updated in a new text design to include the lyrics from his final album with Metallica Lulu Through his many incarnations from proto punk to glam rocker to elder statesman of the avant garde Lou Reed's work has maintained an undeniable vividness and raw beauty fueled by precise character studies and rendered with an admirable shot of moral ambiguity Beginning with his formative days in the Velvet Underground and continuing through his remarkable solo albums like Transformer Berlin and New York Doin' The Things We Want To is crucial to an appreciation of Lou Reed not only as a consummate underground musician but as one of the truly significant visionary lyricists of the rock n roll era Containing a body of work that spans more than six decades this is a monument to the literary qualities of an American original

*Perfect Day* Bettye Kronstad,2016-11-08 Hey you Beautiful The voice was compelling an order So I turned around Yeah you he said What are you doing in here You look normal I am I said Bettye Kronstad met Lou Reed in 1968 as a nineteen year old Columbia University student they were married briefly in 1973 Their relationship spanned some of the most pivotal years

of his life and career from the demise of The Velvet Underground to the writing and recording of his seminal solo masterpieces Transformer for which Lou wrote Perfect Day about an afternoon they spent together in the park and Berlin which draws on tales from Bettye's childhood In Perfect Day Bettye looks back on their initially idyllic life together on the Upper East Side Lou's struggle to launch a solo career after leaving perhaps the most influential rock band of all time his work and friendships with fellow stars David Bowie and Iggy Pop and his descent into drink and drug abuse following the success of Transformer which sent him spinning out from gentle soul to rock n roll animal and brought a swift and calamitous end to their relationship The result is a powerful and poignant meditation on love loss writing and music
