Loud Silences In Open Spaces:

Loud Silences in Open Spaces Margaret Deming, 2004-11-01 I feel as if we are under constant watch as our love is growing strong as the days go by You say words to me without promoting and it is almost as if I am rubbing off on you Our feelings have changed for those around us and there is a level of constant restraint between the both of us as eyes are forever watching out for the next move that we make toward each other I feel victory for myself as I feel no threat of the other after the exchange that you had with the other last evening and her total disrespect that she has toward your mother I don't blame you for wanting to lash out at her and you should have as there is no excuse for the lack of disrespect which she spoke out to you in streams of venom I had the same day yesterday myself and I felt the same way you did but I feel like a caged animal that is constantly being poked at and provoked by what I don't or do with events and actions in my life It drives me crazy all the time and maybe that is why I hurt myself because I am unable to fight the battle against not winning the argument and it leaves me numb and cold as stone inside Until I hear or see you I am all right and all those impulses vanish from my thoughts I find no reason to hurt myself whenever you are near me I hear your voice or see your face and I am elated because on the other side of the line you are feeling the same The Silent God and the Silenced Min-Ah

The Master of Silence Irving Bacheller,2022-07-31 Irving Bacheller s The Master of Silence a Romance in the most literal sense captures the delicate interplay of love and longing with a prose that is at once evocative and ethereal The narrative is steeped in the creative ethos of early 20th century literature a period that burgeoned with explorations into human psychology and spiritual transcendence As with other works from this era Bacheller s style reverberates with the echoes of Romanticism manifesting in richly drawn characters and the profound pursuit of ideals beyond the material plane DigiCat Publishing s special edition breathes new life into this classic text ensuring the preservation of its literary significance and enabling its continued discussion and appreciation within the academic and literary communities Irving Bacheller an influential figure in American literary circles is best known for his compelling storytelling and contributions to the genre of adventure and romance fiction His impetus to write The Master of Silence likely sprang from the cultural currents of his time which praised introspection and the exploration of the intangible aspects of human experience Bacheller s own sensibilities would have been finely attuned to themes of silence and communication given the shifting dialogues that characterized the post Victorian awakening in American literature The Master of Silence offers not just a window but a doorway into the understandings of love and human connection as conceived by early modernist writers It is recommended for those who seek a dive into the ruminations of the heart guided by the hand of a skilled literary craftsman Scholars students and general readers alike will find in Bacheller s romance an exquisite testament to the power of language and the enduring quest for understanding in the silence that often frames our most profound experiences
