Allen Grootboom, 2012-02-03 One of the challenges man faces is to be who they are at all times In this challenge man is continuously involved in processes of change because of life impacts These impacts allow man to evolve towards becoming a better person In striving to become better human beings man plays out roles But what role is man playing How did it come that you are playing that particular role Who are you In the search of the SELF you unknowingly and knowingly wear a mask As you evolve these masks become who you are The real self gradually becomes so hidden behind these masks that you are unable to find the true self It is at this point that you have to learn how to take your face off to unmask The journey through this book is about that journey back to the self and complete life s circle Poliakoff Plays: 1 Stephen Poliakoff,1989 Stephen Poliakoff has been one of our sharpest and least predictable writers for the past twenty years Daily Telegraph Clever Soldiers is a thoughtful play about violence Times which attacks the mythology of Oxbridge against the background of war Hitting Town a powerful play about incest is a riveting piece of theatre a stupendous achievement Sunday Telegraph City Sugar A savage dissection of that pristine slagheap of Our Times mass culture Time Out Shout Across the River traces the progress of a passionate and extraordinary relationship between a young mother and her teenage daughter played against the background of a vast suburb of south London Guardian American Days Into the escapist limbo of a top record company executive s office tumble three teenagers spotted by an insecure talent scout and now given a hit or miss chance to impress Poliakoff has the dramatic ability to make you care very much a completely enjoyable play Financial Times Strawberry Fields is about three young members of the lost generation of the sixties Imaginative and controversial a sort of Pinteresque fantasy with thriller Catalog of Copyright Entries Library of Congress. Nicole Treadwell, 2009-03-16 Nicole Treadwell has a secret If she reveals it she will surely die Of course she knows it's true because certain death is what he promised her after the incident in the deep woods years ago Her fate ever in his hands keeping the secret guts her on the inside as she struggles to make ends meet serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol with secrets of her own Nicole is tired exhausted toying with thoughts she's afraid to own of letting life go Her life is unraveling her sound mind frayed At the end of herself she knows she can t save herself but

who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chumb and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late
