[A Dish to Die for](#) by Lucy Burdette, 2022-08-09 National bestselling author Lucy Burdette returns to Key West for another delectable dish of secrets, intrigue, and murder. Peace and quiet are hard to find in bustling Key West, so Hayley Snow, food critic for *Key Zest* magazine, is taking the afternoon off for a tranquil lunch with a friend outside of town. As they are enjoying the wild beach and the lunch, she realizes that her husband Nathan's dog Ziggy has disappeared. She follows his barking to find him furiously digging at a shallow grave with a man's body in it. Davis Jager, a local birdwatcher, identifies him as GG Garcia, a rabble-rousing Key West local and developer. Garcia was famous for overdevelopment on the fragile Keys, womanizing, and refusing to follow city rules, so it's no wonder he had a few enemies. When Davis is attacked in the parking lot of a local restaurant after talking to Hayley and her dear friend, the octogenarian Miss Gloria Hayley is slowly but surely drawn into the case. Hayley's mother Janet has been hired to cater GG's memorial service reception at the local Woman's Club, using recipes from their vintage Key West cookbook, and Hayley and Miss Gloria sign on to work with her, hoping to cook up some clues by observing the mourners. But the real clues appear when Hayley begins to study the old cookbook, as whispers of old secrets come to life, dragging the past into the present with murderous results. , **Cranky's Cookbook** by Walter Hoving, 2008-04 This cookbook is comprised of recipes for appetizers, soups, stews, potées, bourrides, cassoulets, ragouts, and other assorted recipes that have been collected from many countries and many different ethnic backgrounds.
