## **Louis Brandeis Slept Here A Slightly Cynical History Of American Jews:**

**Louis Brandeis Slept Here** David Gleicher, 1997 From Colonial America to intermarriage in present times Louis Brandeis covers such controversial issues as Jews and Blacks and Jews and politics with each point being analyzed through the eyes of history and a strong dose of irreverence *Divided We Stand* Ofira Seliktar, 2002-11-30 The relationship between Israel American Jews and the peace process has been a subject of passionate debate among scholars political activists and lay observers alike This book is the first rigorous attempt to chart the impact of the peace process on the American Jewish community and its relationship with Israel as mediated by the changing identity needs of American Jews Overall the trajectory of this relationship has been from a wide consensus of support for Israeli foreign policy toward increasing polarization On one side is the peace camp composed mainly of those whose Jewish American identity is based on a religious universalistic definition of Judaism on the other those who identify as nationalistic or orthodox in religious terms and support a hard line vision of Greater Israel The acrimony between the two combined with demographic change has undermined Israel as a symbol of Jewish identity in America and impeded effective lobbying for Israel **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp, 2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world *The Jewish Spectator* ,1998 *American Book Publishing Record* ,1997-09 **The Publishers Weekly** ,1997 *My Yeshiva College* Menachem Butler, Zev Nagel, 2006 *Jewish Life in Washtenaw*

*County*, 1998      **Forthcoming Books** Rose Arny, 1997      Subject Guide to Books in Print, 1997      **Library Journal**, 1997  
 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      *Books in Print*, 1991      **Arts & Humanities Citation Index**, 1997      *Albion's Seed* David Hackett Fischer, 1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States from the earliest English settlements to our own time It is a history of American folkways as they have changed through time and it argues a thesis about the importance for the United States of having been British in its cultural origins While most people in the United States today have no British ancestors they have assimilated regional cultures which were created by British colonists even while preserving ethnic identities at the same time In this sense nearly all Americans are Albion's Seed no matter what their ethnicity may be The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988 and still help to shape attitudes toward education government gender and violence on which differences between American regions are greater than between European nations      **Haunch, Paunch and Jowl** Samuel Ornitz, 1929      *The Jewish Choice: Unity or Anti-Semitism* Michael Laitman, 2019-12-22 The Jewish Choice Unity or Anti-Semitism is like no other book you have ever read about Jews about history or about anti-Semitism As its title suggests it draws a direct link between Jewish unity and a rise in anti-Semitism including the current wave Assuming such a correlation is so extraordinary you could easily brush it off as a provocation were it not documented in hundreds of books essays and letters throughout history Beginning in ancient Babylon and ending in America Babylon's modern counterpart the author masterfully draws parallels and connects the dots of history like none have done before By the end of the book you will know the reason for the oldest hatred how it can be dissolved and how Jews and non Jews alike will benefit as a result      The Reformatory Press Iowa. Reformatory at Anamosa, 1915      The Un-Americans Joseph Litvak, 2009-11-25 Cultural study of Cold War film and theater that considers how Jewish assimilation into American culture during the blacklist period was characterized by a demand to be a stoolpigeon or to become an informer      The Jewish Phenomenon Steven Silbiger, 2009-11-16 Spielberg Brin Dell Seinfeld phenomenally successful and Jewish Why have Jews risen to the top of the business and professional world in numbers staggeringly out of proportion to their percentage of the American population Steven Silbiger has the answer Based on the author's synthesis of wide reading and research The Jewish Phenomenon sets forth seven principles that form the bedrock of Jewish financial success With startling statistics a wealth of anecdotes and the fascinating details behind some of America's biggest business success stories Silbiger convincingly shows how these seven keys have helped the Jews historically and how they continue to ensure Jewish success today More important the author makes clear that these principles are equally at the disposal of Jews and non Jews alike The amazing success of the Jews simply proves that they work The Jewish Phenomenon pays tribute not merely to the success of a people but to the commonsense wisdom and enduring values that can enrich us all      *LIFE*
