Adamson,1998-06-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes these books help you locate resources on world history for students Each is divided into two sections In the first part titles are listed according to grade levels within specific geographic areas and time periods They are further organized by product type Both books cover world history from Prehistory and the Ancient World to 54 B C to the modern era Other chapters include Roman Empire to A D 476 Europe and the British Isles Africa and South Africa Australia New Zealand Pacific Islands and Antarctica Canada China India Tibet and Burma Israel and Arab Countries Japan Vietnam Korea Cambodia and Thailand and South and Central America and the Caribbean The second section has an annotated bibliography that describes each title and includes publication information and awards The focus is on books published since 1990 and all have received at l **Hunger Fighters** Paul De Kruif,1928 The Biography Book Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals **Genuine Geniuses: A Gallery of Gifted** Nancy Polette,2010 The 50 Most Significant Individuals in Recorded History Stan Russo,2005-04 This book contains a

subjective ranking of the 50 most significant men and women throughout recorded history The author Stan Russo conducted more than four years of meticulous research on 500 important figures throughout the ages before settling on this list Each person's reasons for inclusion are described in a countdown format leading up to the most significant individual The book not only provided an educational and entertaining look at numerous cultures and time periods in the process but also builds suspense with each page as readers guess which person comes next and why After the top ranked name is revealed the author then provides his rationale for why other famous men and women did not make the cut This book is an excellent resource for educators and all fans of history by serving as a starting point for further debate and discussion Reintroduce the fun back into historical studies Learn about individuals who might otherwise have gone unrecognized See if your own favorite figures from history made the list Whether you agree or disagree with the choices and the order they are listed in you'll think about history in new ways

[The Fight Against Germs](#) Josepha Sherman, Margaux Baum, 2016-07-15 From the dawn of history individuals and civilizations have battled disease The struggle shifted once epidemiologists medical professionals and other specialists identified the microscopic organisms often to blame for much of humanity's illnesses over time This book examines both the history of battling disease and the ever shifting frontlines of the modern struggle against germs as well as possible future developments From cutting edge medical treatments to common sense measures to prevent and address the insidious effects of germs measures that have changed remarkably little through the centuries this work documents how the fight against germs helps the human race to survive and thrive
