Mulrooney, 2022-03-15 A revealing work of public history that shows how communities remember their pasts in different ways to fit specific narratives *Race Place and Memory* charts the ebb and flow of racial violence in Wilmington North Carolina from the 1730s to the present day Margaret Mulrooney argues that white elites have employed public spaces memorials and celebrations to maintain the status quo The port city has long celebrated its white colonial revolutionary origins memorialized Decoration Day and hosted Klan parades Other events such as the Azalea Festival have attempted to present a false picture of racial harmony to attract tourists And yet the revolutionary acts of Wilmington's African American citizens who also demanded freedom first from slavery and later from Jim Crow discrimination have gone unrecognized As a result beneath the surface of daily life collective memories of violence

and alienation linger among the city's black population Mulrooney describes her own experiences as a public historian involved in the centennial commemoration of the so called Wilmington Race Riot of 1898 which perpetuated racial conflicts in the city throughout the twentieth century She shows how despite organizers best efforts a white authored narrative of the riot's contested origins remains Mulrooney makes a case for public history projects that recognize the history making authority of all community members and prompts us to reconsider the memories we inherit A volume in the series Cultural Heritage Studies edited by Paul A Shackel Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

The Man Who Punched Jefferson Davis Ben Wynne, 2018-11-07 Regarded as one of the most vocal well traveled and controversial statesmen of the nineteenth century antebellum politician Henry Stuart Foote played a central role in a vast array of pivotal events Despite Foote's unique mark on history until now no comprehensive biography existed Ben Wynne fills this gap in his examination of the life of this gifted and volatile public figure in *The Man Who Punched Jefferson Davis: The Political Life of Henry S Foote* Southern Unionist An eyewitness to many of the historical events of his lifetime Foote an opinionated native Virginian helped to raise money for the Texas Revolution provided political counsel for the Lone Star Republic's leadership before annexation and published a 400 page history of the region In 1847 Mississippi elected him to the Senate where he promoted cooperation with the North during the Compromise of 1850 One of the South's most outspoken Unionists he infuriated many of his southern colleagues with his explosive temperament and unorthodox ideas that quickly established him as a political outsider His temper sometimes led to physical altercations including at least five duels pulling a gun on fellow senator Thomas Hart Benton during a legislative session and engaging in run ins with other politicians notably a fistfight with his worst political enemy Jefferson Davis He left the Senate in 1851 to run for governor of Mississippi on a pro Union platform and defeated Davis by a small margin Several years later Foote moved to Nashville was elected to the Confederate Congress after Tennessee seceded and continued his political sparring with the Confederate president From Foote's failed attempt to broker an unauthorized peace agreement with the Lincoln

government and his exile to Europe to the publication of his personal memoir and his appointment as director of the United States mint in New Orleans Wynne constructs an entertaining and nuanced portrait of a singular man who constantly challenged the conventions of southern and national politics

The "Immortal Six Hundred" and the Failure of the Civil War POW Exchange Process John F. Schmutz,2024-11-22 Compounding the devastating tragedy of the Civil War was the failure of the warring parties to maintain a system for exchange of prisoners of war rather than imprisoning combatants for the duration This failure added at least 56 000 deaths to those accumulating on the battlefield and caused the untold suffering of many thousands more This book focuses on 600 Confederate officers made prisoners of war who were dispatched to Charleston Harbor to act as human shields and were subsequently imprisoned elsewhere and deliberately starved nearly to death These actions were the result of the breakdown of the exchange cartel as well as the retaliation policies promoted by the Secretary of War and the Lincoln administration

Gun Barons John Bainbridge, Jr.,2022-05-24 John

Bainbridge Jr's Gun Barons is a narrative history of six charismatic and idiosyncratic men who changed the course of American history through the invention and refinement of repeating weapons. Love them or hate them, guns are woven deeply into the American soul. Names like Colt, Smith, Wesson, Winchester, and Remington are legendary. Yet few people are aware of the roles these men played at a crucial time in United States history, from westward expansion in the 1840s through the Civil War and into the dawn of the Gilded Age. Through personal drive and fueled by bloodshed, they helped propel the young country into the forefront of the world's industrial powers. Their creations helped save a nation divided while planting seeds that would divide the country again a century later. Their inventions embodied an intoxicating thread of American individualism, part fiction, part reality, that remains the foundation of modern gun culture. They promoted guns not only for the soldier but for the Everyman and also made themselves wealthy beyond their most fevered dreams. Gun Barons captures how their bold inventiveness dwelled in the psyche of an entire people, not just in the minds of men who made firearm fortunes. Whether we revere these larger-than-life men or vilify them, they helped forge the American character. Historical Sketch of the Old Sixth Regiment of Massachusetts Volunteers, During Its Three Campaigns in 1861, 1862, 1863, and 1864 John Wesley Hanson, 1866
