Louisa Pallant (Annotated) Henry James, 2016-09-29 Louisa Pallant first appeared in magazine form in Harper's New Monthly Magazine for February 1888 alongside contributions by William Dean Howells and George Du Maurier It was then reprinted in book form in England and America later the same year Sometimes a work of literature may contains echoes or references to another work by a different author and the same may be true for works of art or music They may be placed there deliberately or unintentionally And these references may or may not throw extra light onto either the earlier or the later work Here there is a clear echo of Great Expectations 1860 61 Charles Dickens's character Miss Havisham has been jilted at the altar and has been eaten up with bitterness ever since As a form of revenge upon men she trains her young ward Estella to be deliberately stony hearted When the young hero of the novel Pip falls in love with Estella she encourages him then takes delight in rejecting and humiliating him In Louisa Pallant the roles are similar although the outcome is different Louisa has been engaged to the narrator but has rejected him in favour of Henry Pallant We have the impression that she chose a richer man but her marriage has not been a success and her husband has both died and left her without very much money Louisa has produced a daughter who is cold clever calculating and socially ambitious Louisa herself admits that the girl is the embodiment of her own weaknesses and flaws but much magnified And on the balance of events in the tale Linda gets what she wants a rich husband

Louisa Pallant (Annotated) [Biographical Edition] Chris Chundamala, Henry James, 2020-01-06 This version of Louisa Pallant includes a biography of the author Henry James at the end of the book This includes life before and after the release of the book In this tale from Henry James a pair of old lovers happen to cross paths in Europe and hash over the details of their ill fated romance In an unexpected twist the narrator's nephew finds himself falling for the old flame's beautiful daughter and history appears poised to repeat itself

Louisa Pallant Henry James, 2020-05-04 Never say you know the last words about any human heart I was once treated to a revelation which startled and touched me in the nature of a person with whom I had been acquainted well as I supposed for years whose character I had had good reasons heaven knows to appreciate and in regard to whom I flattered myself I had nothing more to learn It was on the terrace of the Kursaal at Homburg nearly ten years ago one beautiful night toward the end of July I had come to the place that day from Frankfort with vague intentions and was mainly occupied in waiting for my young nephew the only son of my sister who had been entrusted to my care by a very fond mother for the summer I was expected to show him Europe only the very best of it and was on his way from Paris to join me **Louisa Pallant (Esprios Classics)**

Henry James, 2021-05-25 Henry James OM 1843 1916 was an Anglo American novelist He was one of the most important literary people of the late 19th century James was the son of Henry James Senior a clergyman and the brother of William James the psychologist and philosopher He grew up mostly in the United States but spent the majority of his life in England He became a British citizen in 1915 His sister Alice James was also a writer In his novels he wrote from the viewpoint of one of the characters Some literary critics compared this to impressionist painting In his own literary criticism James insisted that writers be allowed the greatest possible freedom in how they looked at the world **Louisa Pallant**

Illustrated Henry James, 2020-06 In this tale from Henry James a pair of old lovers happen to cross paths in Europe and hash over the details of their ill fated romance In an unexpected twist the narrator s nephew finds himself falling for the old flame s beautiful daughter and history appears poised to repeat itself **The Aspern Papers and Other Tales, 1884-1888**

Henry James, 2022-04-07 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied The nine tales in this volume published between 1884 and 1888 include The Aspern Papers set in Venice and featuring a devious scholar attempting to steal the letters of an American poet from his former lover and The Liar on the world of painters and their models These tales exemplify James s continuing interest in the art of short fiction during a period which saw him responding to the stimulations of French naturalism and successfully reworking the international theme that had made him famous at the end of the 1870s Extensive explanatory notes enable modern readers to understand the tales historical cultural and literary references
