

The background of the cover is a photograph of a blue and white fishing boat on a body of water. The boat has a complex rigging system with many masts and lines. In the background, there are palm trees and a clear sky. The title 'LOUISIANA ALMANAC' is written in large, bold, white letters with a black outline. Below it, '2008-2009 Edition' is written in a smaller, white font with a black outline. At the bottom, the editor and assistant editor names are listed in a white font with a black outline.

# LOUISIANA ALMANAC

2008-2009 Edition

Editor: Milburn Calhoun  
Assistant Editor: Bernie McGovern

# Louisiana Almanac 198485

**Richard A. Wood**

## **Louisiana Almanac 198485:**

**The Louisiana Almanac, 1984-85** Lucy Core,1984-05-01      Louisiana Almanac, 1997-98 Milburn Calhoun,1997

Known for its politics its natural resources and its colorful history the Pelican State is one of the most interesting states in America For more than forty five years Louisiana Almanac has been the authoritative guide to a million facts about Louisiana and this painstakingly updated fifteenth edition consists of hundreds of useful pages of information for ready reference The wealth of maps charts tables and graphs make the data and statistics easily accessible as well No Louisiana business classroom or library should be without a current copy      *Where The River Runs Deep* Joy J. Jackson,1999-03-01 Joy J Jackson's *Where the River Runs Deep* tells two stories both significant and both fascinating It is a biography of the author's father Oliver Jackson who spent virtually his entire life on or near the Mississippi River And it is a history of the river itself and the many changes that have transformed it in the twentieth century Born in an oysterman's camp in south Louisiana only a few miles from the Gulf of Mexico and raised in an orphanage in New Orleans Oliver Jackson 1896 1985 grew up to become a pilot boat crew member a merchant seaman a tugboat man and ultimately a Mississippi River pilot the profession to which he had always aspired Drawing extensively on oral history including a series of audiotapes her father recorded before his death Jackson presents a detailed social history not only of her father and his forebears but of a way of life now past She vividly portrays village life in once thriving but now vanished river communities such as Port Eads and Burrwood in the delta below New Orleans and in such working class areas of the city as the Irish Channel And she provides detailed descriptions of the early days of riverboat piloting between New Orleans and Baton Rouge and of tugboat work in the New Orleans harbor Throughout she evokes the special passion and respect that pilots have always had for their work and the river Woven into Jackson's narrative of her father's life and career is a history of the profound changes in life and commerce on the Mississippi River since the turn of the century During Oliver Jackson's lifetime cotton gave way to petroleum as the major product transported on the lower Mississippi while steamboats faded away and were replaced by towboats with their long lines of barges After mid century many of the plantations and rural homesteads that had lined the banks of the river since the eighteenth and nineteenth centuries were crowded by the increasing presence of petrochemical plants Jackson also writes about such calamitous events as the hurricane of 1915 and the great flood of 1927 and she describes the menace of German submarines at the mouth of the Mississippi during America's early months in World War II *Where the River Runs Deep* is a story of river life unlike any other It will appeal to students of regional history and family history as well as to anyone fascinated by the lore of the Mississippi      Lethal Imagination Michael A. Bellesiles,1999-03 Examining the role of violence in America's past this collection of essays explores its history and development from slave patrols in the colonial South to gun ownership in the 20th century The contributors focus not only on individual acts such as domestic violence murder duelling frontier vigilantism and rape but also on group and state led acts such as lynchings slave uprisings the establishment of rifle
