## **Louisiana Legacy A History Of The State National Guard:**

**Louisiana Legacy** Evans J. Casso, 1976      **Louisiana Legacy** Evans J. Casso, 1976-09-01      *Louisiana Legacy* Evans J. Casso, 1999-04-30 From the militia of colonial days to the National Guard of modern times America's citizen soldiers have symbolized the preparedness the unselfish service and the devotion to duty that have sustained the nation in war and peace In times of grave national crisis including wars civil disorders and natural disasters these often unheralded patriots have served willingly faithfully and well And having contributed their special abilities to the task at hand they returned to their citizen roles to await the next summons to duty Here for the first time is the complete detailed documented history of the Louisiana National Guard a facet of the state's rich and colorful history that has never before been treated in depth Author Evans J Casso has woven an intricate tapestry of this continuing chronicle drawing heavily upon extensive research from official state papers archives journals narrative reports and numerous personal interviews With a disciplined historian's eye he traces the evolution of the Guard from its forerunners of the frontier days to the highly trained well equipped organization of modern times This work places in perspective the growth of the National Guard and the vital role it has played in the development of the Louisiana Territory and later of both the state and the nation      **United States Army Unit Histories** US Army Military History Institute, George S. Pappas, 1978      Louisiana History Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America's 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state *Louisiana History* R is an invaluable resource for scholars and researchers      The Great Call-Up Charles H. Harris, Louis R. Sadler, 2015-01-20 On June 18 1916 President Woodrow Wilson called up virtually the entire army National Guard some 150 000 men to meet an armed threat to the United States border raids covertly sponsored by a Mexican government in the throes of revolution The Great Call Up tells for the first time the complete story of this unprecedented deployment and its significance in the history of the National Guard World War I and U S Mexico relations Often confused with the regular army operation against Pancho Villa and overshadowed by the U S entry into World War I the great call up is finally given due treatment here by two premier authorities on the history of the Southwest border Marshaling evidence drawn from newspapers state archives reports to Congress and War Department documents Charles H Harris III and Louis R Sadler

trace the call up s state based deployment from San Antonio and Corpus Christi along the Texas and Arizona borders to California Along the way they tell the story of this mass mobilization by examining each unit as it was called up by state considering its composition missions and internal politics Through this period of intensive training the Guard became a truly cohesive national then international force Some units would even go directly from U S border service to the battlefields of World War I France remaining overseas until 1919 Balancing sweeping change over time with a keen eye for detail The Great Call Up unveils a little known yet vital chapter in American military history **United States Army unit histories** George Sotiros Pappas,1978 *The Six-Shooter State* Jonathan Obert,2018-10-18 American violence is schizophrenic On the one hand many Americans support the creation of a powerful bureaucracy of coercion made up of police and military forces in order to provide public security At the same time many of those citizens also demand the private right to protect their own families home and property This book diagnoses this schizophrenia as a product of a distinctive institutional history in which private forms of violence vigilantes private detectives mercenary gunfighters emerged in concert with the creation of new public and state forms of violence such as police departments or the National Guard This dual public and private face of American violence resulted from the upending of a tradition of republican governance in which public security had been indistinguishable from private effort by the nineteenth century social transformations of the Civil War and the Market Revolution Field Artillery ,2010 This volume gathers in compact form the official historical records of field artillery units in the United States Army in order to perpetuate and publicize their traditions honors and heraldic entitlements It includes the lineages and honors of Regular Army and Army Reserve field artillery commands brigades and groups and corps and division artillery that have been active since 1965 It also includes the fifty eight elements of each regiment that have been active since the inception of the Combat Arms Regimental System in 1957 This two part second edition updates the lineages honors and heraldic items of the Regular Army s field artillery regiments and further expands them to include organizations above the regimental level as well as Army National Guard units All are current through September 1 2003 This is the companion book of The Organizational History of Field Artillery 1775 2003 *Special Bibliography* ,1978 *Uncivil War* James K. Hogue,2011-11-15 No other Reconstruction state government was as chaotic or violent as Louisiana s located in New Orleans the largest southern city at the time James K Hogue explains the unique confluence of demographics geography and wartime events that made New Orleans an epicenter in the upheaval of Reconstruction politics and a critical battleground in the struggle for the future of southern society No other Reconstruction state government was as chaotic or violent as Louisiana s located in New Orleans the largest southern city at the time James K Hogue explains the unique confluence of demographics geography and wartime events that made New Orleans an epicenter in the upheaval of Reconstruction politics and a critical battleground in the struggle for the future of southern society Hogue characterizes Reconstruction in Louisiana as a continuation of civil war waged between well organized and well armed forces vying to

control the state's government. He details five key New Orleans street battles in which elite Confederate veterans played central roles and gives an in-depth account of how the Republican state government raised militias and a state police force to defend against the violence. In response, a white supremacist movement arose in the mid 1870s and finally overthrew the Republicans. The occupation of Louisiana by federal troops from 1862 to 1877 was the longest of its kind in American history. Not coincidentally, Hogue argues, one of the longest unbroken periods of one-race, one-party dominance in American history followed, lasting until 1972. The Civil War reveals that the long-term military impact of the South's occupation included twenty-five years of crippled War Department budgets inflicted by southern congressmen who feared another Reconstruction. Within Louisiana, the biracial Republican militias were dismantled, leaving blacks largely unarmed against future atrocities; at the same time, the nucleus of the state's White Leagues became the Louisiana National Guard, which defended the Redeemer government's repressive labor policies. White supremacist victory cast its shadow over American race relations for almost a century. Moving between national and local realms, *The Civil War* demystifies the interplay of force and politics during a complex period of American history. **Louisiana History**, 2004 **Armies, Corps, Divisions, and Separate Brigades**, 1987 *History of the Militia and the National Guard* John K. Mahon, 1983 A study of American militia and the National Guard traces the history of such regiments from the Revolutionary War to the present. **More Generals in Gray** Bruce S. Allardice, 2006-04 Presents a biographical sketch, photograph, and short bibliography of 137 Confederate generals who attained their rank through a route other than presidential appointment and have therefore been largely overlooked in historical accounts of the Civil War. Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1978 *To Honor Our Veterans: The European theater*, 2005 Stories by Iberia Parish La World War II veterans Mobilizing the South Christopher M. Rein, 2022-08-23 Throughout its history, the United States has fought its major wars by mobilizing large numbers of citizen soldiers. While the small peacetime regular army provided trained leadership and a framework for growth, the citizen soldier, from the minuteman of the American Revolution to Civil War volunteers and the draftees of World War II, have successfully prosecuted the nation's major wars. But the Army and the nation have never fully resolved the myriad problems surrounding the mobilization and employment of reserve troops. National Guard divisions in World War II suffered from neglect during the interwar period and Great Depression, and regular Army commanders often replaced or relieved National Guard officers, which generated lingering resentment. At the same time, draftees from across the nation diluted the regional affiliations of many units, with a corresponding effect on morale and esprit de corps. Chris Rein's study of one division recruited from the Gulf South and employed in the Southwest Pacific Theater in 1944 and 1945 highlights the challenges of reserve mobilization, training, and the combat deployment of National Guard units. His account demonstrates the still strong connections between the local communities that hosted and supported National Guard companies before the war, even after an influx of new personnel nationalized the units and they shipped overseas. The 31st Division reorganized after

combat deployment in World War I consisted primarily of infantry regiments from Florida Alabama Mississippi and until 1942 Louisiana Mobilized for federal service in late 1940 the division participated in the critical Louisiana and Carolina Maneuvers in 1941 but then languished for the next two years as a training organization though it provided trained cadres and replacements for other divisions the Army deployed to Europe and the Pacific In 1944 the division finally shipped overseas enduring the brutal conditions in the Southwest Pacific but successfully conducting landings on the New Guinea coast in support of Gen Douglas MacArthur s island hopping campaign directed at liberating the Philippines After a change in leadership on the second day of the amphibious assault on Morotai the division supported the liberation of Mindanao the southernmost major island in the archipelago before redeploying for demobilization at the end of 1945 Rein s study traces the division s decades of duty from the interwar period when it contended with a series of devastating natural disasters through its mobilization and combat deployment However within the 31st Division s story there are several significant issues that remain highly relevant for reserve deployment today The first centers on the issue of World War II era National Guard leadership The Army implemented a purge of overage and less competent National Guard division commanders in order to replace them with younger officers of the regular Army Maj Gen John C Persons a pre war Birmingham resident and Alabama National Guard officer commanded the division throughout the peacetime mobilization and training and the first operation in New Guinea only to be summarily fired on the second day of the Morotai landings an action not adequately explained in the existing literature The second issue concerns the Army s nationalization of regional units While this policy has the benefit of spreading any casualties across the nation rather than duplicate the horrific losses of the Bedford Boys of the 29th Infantry Division that devastated one small Virginia community it also erodes regional identity and esprit de corps This work is a case study of the strength and weaknesses of units with a regional identity and explores the connections with the home front once that identity erodes It also examines the Dixie Division s operational and strategic evolution but just as importantly details drawn from soldiers correspondence and oral histories to show how their exposure to a larger world including service alongside African American and Filipino units changed their views on race and post war society

## **Louisiana Legacy A History Of The State National Guard Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Louisiana Legacy A History Of The State National Guard PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Louisiana Legacy A History Of The State National Guard PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Louisiana Legacy A History Of The State National Guard free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Louisiana Legacy A History Of The State National Guard Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
