

# HUEY LONG'S LOUISIANA HAYRIDE

*The American Rehearsal  
for Dictatorship  
1928-1940*

by HARNETT T. KANE

Foreword by  
Sam H. Jones

# Louisiana Hayride The American Rehearsal

**William Ivy Hair**

## **Louisiana Hayride The American Rehearsal:**

**Huey Long's Louisiana Hayride** Harnett T. Kane, 1971-01-31 A lively free hitting narrative written with a proper appreciation of the grotesque humor of many of its episodes but also with the proper appreciation of the political significance for the rest of the United States New York Times Book Review This book deserves to be widely read Library Journal Nothing like the regime of Huey Long has ever been enacted on American soil before Only a patriot of the staunchest character could stand up to the power of Huey and the threats and reprisals which he used so freely Those who were willing to do so paralleled the acts of America s bravest patriots at any stage of American history Nearly all the books on this subject end with the death of Huey Long Louisiana Hayride continues through the years of scandals which ended in my election in 1940 Huey s prediction that his successors would never be able to wield his great power without going to jail was born out by events described in this book This is the story of the sowing of the wind but the major part of the book is devoted to the reaping of the whirlwind In this telling Louisiana Hayride is unsurpassed It is a story for all Americans From the forward by Sam Houston Jones Governor 1940 1944

**Huey Long's Louisiana Hayride** Harnett Thomas Kane, 1971 Louisiana Hayride Harnett Thomas Kane, 1941 Louisiana Hayride Harnett Thomas Kane, 1986 *Louisiana Hayride* Harnett Thomas Kane, 1971 *Prequel* Rachel Maddow, 2025-05-06 1 NEW YORK TIMES BESTSELLER Rachel Maddow traces the fight to preserve American democracy back to World War II when a handful of committed public servants and brave private citizens thwarted far right plotters trying to steer our nation toward an alliance with the Nazis A ripping read well rendered fast paced and delivered with the same punch and assurance that she brings to a broadcast The parallels to the present day are strong even startling The New York Times Editors Choice Inspired by her research for the hit podcast Ultra Rachel Maddow charts the rise of a wild American strain of authoritarianism that has been alive on the far right edge of our politics for the better part of a century Before and even after our troops had begun fighting abroad in World War II a clandestine network flooded the country with disinformation aimed at sapping the strength of the U S war effort and persuading Americans that our natural alliance was with the Axis not against it It was a sophisticated and shockingly well funded campaign to undermine democratic institutions promote antisemitism and destroy citizens confidence in their elected leaders with the ultimate goal of overthrowing the U S government and installing authoritarian rule That effort worked tongue and groove alongside an ultra right paramilitary movement that stockpiled bombs and weapons and trained for mass murder and violent insurrection At the same time a handful of extraordinary activists and journalists were tracking the scheme exposing it even as it was unfolding In 1941 the U S Department of Justice finally made a frontal attack identifying the key plotters finding their backers and prosecuting dozens in federal court None of it went as planned While the scheme has been remembered in history if at all as the work of fringe players in reality it involved a large number of some of the country s most influential elected officials Their interference in law enforcement efforts against the plot is a dark story of the rule of

law bending and then breaking under the weight of political intimidation That failure of the legal system had consequences The tentacles of that unslain beast have reached forward into our history for decades But the heroic efforts of the activists journalists prosecutors and regular citizens who sought to expose the insurrectionists also make for a deeply resonant deeply relevant tale in our own disquieting times

**The Kingfish and His Realm** William Ivy Hair, 1996 The best biography of Long written to date New Orleans Times Picayune A remarkable work Of all the biographies of Huey P. Long Hair's best captures the atmosphere of public life in the Pelican State Written with passion and mordant wit the book is literally hard to put down Reviews in American History Well proportioned and tartly written Hair's book is notable for its conceptualization and exhaustive research for its analysis of Long's extraordinary control of Louisiana and his role in national politics and for its interpretation of the Long phenomenon Journal of American History A masterly biography of the redneck messiah A consistently engrossing portrait Kirkus Reviews starred review A fascinating and highly readable look at the improbable rise and fortunate fall of one of the most dangerous politicians in American History San Francisco Chronicle

**The Architects of Toxic Politics in America** Kenneth T. Walsh, 2024-04-16 The Architects of Toxic Politics in America Venom and Vitriol explains the history of poison politics in America by profiling some of the key political attack dogs who have shaped the modern landscape Comparing and contrasting the Trump and Biden presidencies with administrations of the past the book explains the unique character of the current toxic political moment and the forces that have created it The book also focuses quite extensively on non presidential architects of toxic politics other politicians campaign strategists activists and media figures and a few key figures that have fulfilled two or more of these roles Drawing on his long career as a journalist specializing in presidential coverage Kenneth T Walsh argues that due to the complex often conflicting nature of American government the angriest most decisive voices can command media voter and legislative attention and thereby maintain and consolidate power This results in frustration alienation and cynicism and ultimately a diminishment of voter participation that can reinforce the vicious cycle and lead to electoral disaster For anyone interested in politics media and the culture of gotcha journalism this book will also be a valuable addition to undergraduate and graduate courses on politics the presidency political and media ethics campaign history and government

**New Orleans** T. R. Johnson, 2023 This book traces the major writing of New Orleans through its five most famous streets as well as its outskirts

*America's Political Dynasties* Stephen Hess, 2017-07-05 This is the 30th anniversary edition of a book that was hailed on publication in 1966 as fascinating by Margaret L Coit in the Saturday Review and as masterly by Henry F Graff in the New York Times Book Review The Constitution could not be more specific No title of nobility shall be granted by the United States Yet in over two centuries since these words were written the American people despite official disapproval have chosen a political nobility For generation after generation they have turned for leadership to certain families They are America's political dynasties Now in the twentieth century surprisingly American political life seems to be largely peopled by those who qualify in Stewart Alsop's

phrase as People's Dukes They are all around us Kennedys Longs Tafts Roosevelts Here is the panorama of America's political dynasties from colonial days to the present in fascinating profiles of sixteen of the leading families Some like the Roosevelts have shown remarkable staying power Others are all but forgotten such as the Washburns a family in which four sons of a bankrupt shopkeeper were elected to Congress from four different states America's Political Dynasties investigates the roles of these families in shaping the nation and traces the whole pattern of political inheritance which has been a little considered but unique and significant feature of American government and diplomacy And in doing so it also illuminates the lives and personalities of some two hundred often engaging usually ambitious sometimes brilliant occasionally unscrupulous individuals New Orleans' Charity Hospital John E. Salvaggio, 1992-11-01 For more than 250 years New Orleans Charity

Hospital has struggled to serve the city's indigent ill and in so doing has become an institution steeped in Louisiana history and politics In this fascinating new book John Salvaggio traces the colorful history of Charity Hospital from the early days of French colonial medicine through the Spanish period the early American years the volatile Huey Long and World War II eras and the modern postwar period Established in 1736 with the legacy of a compassionate French ship builder Charity Hospital has weathered many storms to maintain its status as the oldest continually operating hospital in the United States It has withstood the transfer of Louisiana territory from the French to the Spanish and survived devastating hurricanes and a fire The institution has also endured the stormy beginnings of Louisiana statehood the hardships of the Civil War and more recently the stresses of caring for an ever expanding patient load Throughout much of its history Charity Hospital has encountered political squabbles patronage problems and financial woes As a new century approaches the hospital finds its future threatened by inadequate funding and the crumbling of its physical facilities Despite many setbacks Charity Hospital has accomplished much in its history Salvaggio presents a summary of the many medical procedures diagnostic techniques and therapeutic innovations that have been introduced at the Big Free as the hospital is popularly known He also provides previously unchronicled information on the hospital's history during the twentieth century writing about political infighting during the governorship of Huey P Long construction of a new hospital building in the 1930s integration of the hospital in the 1960s its relationships with the medical schools of Louisiana State University and Tulane University and the current frustrating attempts to adequately staff the institution Interviews with many of Charity's past directors and others associated with the hospital as well as lively anecdotes from the author's own experience bring the hospital's history to life and provide valuable insight into the institution's inner workings These reminiscences coupled with Salvaggio's depiction of Charity's past present and now questionable future make this a fascinating and informative work on an important hospital of the South

*Kingfish* Richard D. White, Jr., 2009-03-25 From the moment he took office as governor in 1928 to the day an assassin's bullet cut him down in 1935 Huey Long wielded all but dictatorial control over the state of Louisiana A man of shameless ambition and ruthless vindictiveness Long orchestrated elections hired and fired thousands at will and deployed the state

militia as his personal police force And yet paradoxically as governor and later as senator Long did more good for the state s poor and uneducated than any politician before or since Outrageous demagogue or charismatic visionary In this powerful biography Richard D White Jr brings Huey Long to life in all his blazing controversial glory White taps invaluable new source material to present a fresh vivid portrait of both the man and the Depression era that catapulted him to fame From his boyhood in dirt poor Winn Parish Long knew he was destined for power the problem was how to get it fast enough to satisfy his insatiable appetite With cunning and crudity unheard of in Louisiana politics Long crushed his opponents in the 1928 gubernatorial race then immediately set about tightening his iron grip The press attacked him viciously the oil companies howled for his blood after he pushed through a controversial oil processing tax but Long had the adulation of the people In 1930 the Kingfish got himself elected senator and then there was no stopping him White s account of Long s heyday unfolds with the mesmerizing intensity of a movie Pegged by President Roosevelt as one of the two most dangerous men in the country Long organized a radical movement to redistribute money through his Share Our Wealth Society and his gospel of pensions for all a shorter workweek and free college spread like wildfire The Louisiana poor already worshiped him for building thousands of miles of roads and funding schools hospitals and universities his outrageous antics on the Senate floor gained him a growing national base By 1935 despite a barrage of corruption investigations Huey Long announced that he was running for president In the end Long was a tragic hero a power addict who squandered his genius and came close to destroying the very foundation of democratic rule Kingfish is a balanced lucid and absolutely spellbinding portrait of the life and times of the most incendiary figure in the history of American politics      **Leadership and Crisis** Bobby

Jindal,2010-11-15 Piyush Bobby Jindal is an American politician who was the 55th Governor of Louisiana between 2008 and 2016 and previously served as a U S Congressman and as the vice chairman of the Republican Governors Association

**Kingfish** U Robert Mann,2023-06-07 No political leader is more closely identified with Louisiana State University than the flamboyant governor and U S senator Huey P Long who devoted his last years to turning a small undistinguished state school into an academic and football powerhouse From 1931 when Long declared himself the official thief for LSU to his death in 1935 the school s budget mushroomed its physical plant burgeoned its faculty flourished and its enrollment tripled Along with improving LSU s academic reputation Long believed the school s football program and band were crucial to its success Taking an intense interest in the team Long delivered pregame and halftime pep talks devised plays stalked the sidelines during games and fired two coaches He poured money into a larger flashier band supervised the hiring of two directors and with the second one wrote a new fight song Touchdown for LSU While he rarely meddled in academic affairs Long insisted that no faculty member criticize him publicly When students or faculty from his school opposed him retribution was swift Long s support for LSU did not come without consequences His unrelenting involvement almost cost the university its accreditation And after his death several of his allies including his handpicked university president went to prison in a

scandal that almost destroyed LSU Rollicking and revealing Robert Mann's Kingfish U is the definitive story of Long's embrace of LSU

**Natchez on the Mississippi** Harnett Thomas Kane, 2016-10-27 Originally published in 1947 this book by New Orleans native Harnett Kane provides over 300 pages of detailed history of the Natchez area in Mississippi It includes vivid descriptions of over 20 antebellum mansions the personal stories of the families that built them and the individuals who called them home History buffs will be interested in reading about the many famous figures named in this book such as Andrew Jackson and Aaron Burr who were among those who helped shape the state's history and in some cases the history of the American nation Also included in Kane's retelling of interesting and entertaining stories about Natchez are two that garnered national interest in years past the famous steamboat race between The Natchez and The Robert E Lee and the infamous story of Natchez's Goat Castle A fascinating read

**1932** David Pietrusza, 2015-10-20 Two Depression battered nations confronted destiny in 1932 going to the polls in their own way to anoint new leaders to rescue their people from starvation and hopelessness America would elect a Congress and a president ebullient aristocrat Franklin Roosevelt or tarnished Wonder Boy Herbert Hoover Decadent divided Weimar Germany faced two rounds of bloody Reichstag elections and two presidential contests doddering reactionary Paul von Hindenburg against rising radical hate monger Adolf Hitler The outcome seemed foreordained unstoppable forces advancing upon crumbled disoriented societies A merciless Great Depression brought greater perhaps hopeful perhaps deadly transformation FDR's New Deal and Hitler's Third Reich But neither outcome was inevitable Readers enter the fray through David Pietrusza's page turning account Roosevelt's fellow Democrats may yet halt him at a deadlocked convention 1928's Democratic nominee Al Smith harbors a grudge against his one time protege Press baron William Randolph Hearst lays his own plans to block Roosevelt's ascent to the White House FDR's politically inspired juggling of a New York City scandal threatens his juggernaut In Germany the Nazis surge at the polls but twice fall short of Reichstag majorities Hitler tasting power after a lifetime of failure and obscurity falls to Hindenburg for the presidency also twice within the year Cabals and counter cabals plot Secrets of love and suicide haunt Hitler Yet guile and ambition may yet still prevail 1932's breathtaking narrative covers two epic stories that possess haunting parallels to today's crisis filled vortex It is an all too human tale of scapegoats and panaceas class warfare and racial politics of a seemingly bottomless depression of massive unemployment and hardship of unprecedented public works infrastructure programs of business stimulus programs and damaging allegations of political cronyism of waves of bank failures and of mortgages foreclosed of Washington bonus marches and Berlin street fights of once solid financial empires collapsing seemingly overnight of rapidly shifting social mores and of mountains of irresponsible international debt threatening to crash not just mere nations but the entire global economy It is the tale of spell binding leaders versus bland businessmen and out of touch upper class elites and of two nations inching to safety but lurching toward disaster It is 1932's nightmare with lessons for today

**The War Within** Daniel Joseph Singal, 2014-02-01 The years after World War I saw a different sort of war in

the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals In *The War Within* Daniel Joseph Singal examines the struggle between the characteristic culture of twentieth century America and the South's tenacious blend of Victorianism and the Cavalier myth He explores the lives and works of historians Ulrich B Phillips and Broadus Mitchell novelists Ellen Glasgow William Faulkner and Robert Penn Warren publisher William T Couch sociologists Howard Odum Rupert Vance Guy Johnson and Arthur Raper and Agrarian poets John Crowe Ransom Donald Davidson and Allen Tate The drama Singal unfolds is as much national as regional in its implications His sophisticated and original analysis of the complex relationship between these southern writers and their heritage enables him to trace the transition to Modernism with unusual clarity and to address questions of major importance in American intellectual history How did Modernism come into being Does it display a fundamental underlying pattern What are its essential values beliefs and assumptions Singal marshals archival and published sources and combines them with oral history interviews to trace this process of change on the levels of both formal thought and individual experience He uses the interwar South as the locale for a pioneering examination of the momentous change that has affected all of Western culture *Machine Art, 1934* Jennifer Jane Marshall, 2019-01-23 In 1934 New York's Museum of Modern Art staged a major exhibition of ball bearings airplane propellers pots and pans cocktail tumblers petri dishes protractors and other machine parts and products The exhibition titled *Machine Art* explored these ordinary objects as works of modern art teaching museumgoers about the nature of beauty and value in the era of mass production Telling the story of this extraordinarily popular but controversial show Jennifer Jane Marshall examines its history and the relationship between the museum's director Alfred H Barr Jr and its curator Philip Johnson who oversaw it She situates the show within the tumultuous climate of the interwar period and the Great Depression considering how these unadorned objects served as a response to timely debates over photography abstract art the end of the American gold standard and John Dewey's insight that how a person experiences things depends on the context in which they are encountered An engaging investigation of interwar American modernism *Machine Art 1934* reveals how even simple things can serve as a defense against uncertainty [Right-Wing Populism in America](#) Chip Berlet, Matthew N. Lyons, 2016-05-06 Right wing militias and other antigovernment organizations have received heightened public attention since the Oklahoma City bombing While such groups are often portrayed as marginal extremists the values they espouse have influenced mainstream politics and culture far more than most Americans realize This important volume offers an in depth look at the historical roots and current landscape of right wing populism in the United States Illuminated is the potent combination of anti elitist rhetoric conspiracy theories and ethnic scapegoating that has fueled many political movements from the colonial period to the present day The book examines the Jacksonians the Ku Klux Klan and a host of Cold War nationalist cliques and relates them to the evolution of contemporary electoral campaigns of Patrick Buchanan the militancy of the Posse Comitatus and the Christian Identity movement and an array of millennial sects Combining vivid description and

incisive analysis Berlet and Lyons show how large numbers of disaffected Americans have embraced right wing populism in a misguided attempt to challenge power relationships in U S society Highlighted are the dangers these groups pose for the future of our political system and the hope of progressive social change Winner Outstanding Book Award Gustavus Myers Center for the Study of Bigotry and Human Rights in North America      **Robert Penn Warren** Neil Nakadate,2014-10-17 Long recognized as one of America s foremost men of letters Robert Penn Warren continues to dazzle us with his many sided genius In the haunting images of his poetry the narrative power of his fiction the revealing insights of his essays we find literary achievement of the highest order Warren s writing has merited the close attention of literary critics In this book Neil Nakadate brings together the most important critical essays including a new essay written for this volume to give a comprehensive view of the range of Warren s work A list of Warren s published works 1929 1980 and a useful checklist of critical works on Warren s writing supplement this rich and balanced collection of essays Contributors A L Clements Chester E Eisinger Norton R Girault Robert B Heilman H P Heseltine James H Justus Richard Law Frederick P W McDowell Neil Nakadate Ladell Payne M Bernetta Quinn John Crowe Ransom Victor Strandberg Walter Sullivan William Tjenos Simone Vauthier and Robert Penn Warren

This is likewise one of the factors by obtaining the soft documents of this **Louisiana Hayride The American Rehearsal** by online. You might not require more era to spend to go to the books creation as capably as search for them. In some cases, you likewise reach not discover the broadcast Louisiana Hayride The American Rehearsal that you are looking for. It will no question squander the time.

However below, following you visit this web page, it will be for that reason entirely easy to acquire as well as download guide Louisiana Hayride The American Rehearsal

### **Louisiana Hayride The American Rehearsal Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Louisiana Hayride The American Rehearsal has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Louisiana Hayride The American Rehearsal has opened up a world of possibilities. Downloading Louisiana Hayride The American Rehearsal provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Louisiana Hayride The American Rehearsal has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Louisiana Hayride The American Rehearsal. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Louisiana Hayride The American Rehearsal. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Louisiana Hayride The American

Rehearsal, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Louisiana Hayride The American Rehearsal has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Louisiana Hayride The American Rehearsal Books**

1. Where can I buy Louisiana Hayride The American Rehearsal books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
