Louisiana Stories:

Swapping Stories Carl Lindahl, Maida Owens, C. Renée Harvison, 2009-10-20 Here are more than two hundred oral tales from some of Louisiana's finest storytellers. In this comprehensive volume of great range are transcriptions of narratives in many genres from diverse voices and from all regions of the state. Told in settings ranging from the front porch to the festival stage, these tales proclaim the great vitality and variety of Louisiana's oral narrative traditions. Given special focus are Harold Talbert, Lonnie Gray, Bel Abbey, Ben Guin, and Enola Matthews, whose wealth of imagination, memory, and artistry demonstrates the depth as well as the breadth of the storyteller's craft. For tales told in Cajun and Creole, French, Koasati, and Spanish, the editors have supplied both the original language and English translation. To the volume, Maida Owens has contributed an overview of Louisiana's folk culture and a survey of folklife studies of various regions of the state. Carl Lindahl's introduction and notes discuss the various genres and styles of storytelling common in Louisiana and link them with the worldwide world of the folktale.

Strange True Stories of Louisiana George Cable, 1994-05-30 At the turn of the century, people outside of New Orleans viewed the city through the eyes of journalist and author George Washington Cable. His writings portrayed a tropical European city nestled on the banks of an American river, still teeming with the literary, artistic, and social developments of a late Renaissance. In his own romance with Louisiana, Cable came upon many stories written by its denizens. While Cable assisted some authors in finding places to publish their works, there were many stories he kept for himself. Much of this collection can now be found in *Strange True Stories of Louisiana*. They are mine by right of discovery, writes Cable. From various necessities of the case, I am sometimes the story teller and sometimes in the reader's interest have to abridge, but I add no fact and trim naught of value away. Here are no unconfessed restorations, not one. In time, place, circumstance, in every essential feature, I give them as I got them: strange stories that truly happened, all partly, some wholly, in Louisiana. *Strange True Stories of Louisiana* is Cable's compilation of seven unusual, factual accounts of life and history in the area. They include tales of two French sisters who made the dangerous trek to the unsettled lands of North Louisiana at the beginning of the nineteenth century. Focusing on New Orleans, Cable adds the story of The Haunted House in Royal Street, which spurs the imaginations of ghost hunters more than a century after its original writing. There is also a diary account in its first published form of a Union woman trapped behind the battle lines during the Civil War.

Part of Me Kimberly Willis Holt, 2006-08-22 Ten stories trace the connections between four generations of one Louisiana family: from 1939 when a young girl leaves school to help support her family to 2006 when an eighty-year-old woman embarks on a book tour.

Louisiana Place Names Clare D'Artois Leeper, 2012-10-19 From Aansel to Zwolle, with Mardi Gras Bayou in between, avid writer Clare D'Artois Leeper offers her own alphabet of places in Louisiana, both past and present. *Louisiana Place Names* includes 893 entries that reveal Leeper's distinct view of the state's history. Her unique blend of documented fact and traditional wisdom results in an entertaining guide to Louisiana's place name lore.
