Louisiana's Fiscal Alternatives James A. Richardson, 1988      Government Budget Forecasting Jinping Sun, Thomas D. Lynch, 2017-09-25 Revenue and expenditure forecasting plays an important role in public budgeting and financial management particularly during times of financial constraint when citizens impose greater accountability upon government to use taxpayer dollars more efficiently Despite its significance revenue and expenditure forecasting is often overlooked in the budget process and there is an imbalance between practice and research in this area Based on the collaboration of budget scholars and practitioners Government Budget Forecasting fulfills two purposes Enhances the understanding of revenue and expenditure estimation both theoretically and practically Stimulates dialogue and debate among practitioners and academicians to identify good forecast practices as well as areas for improvement Divided into four parts this comprehensive reference first examines forecast practices at the federal state and local levels drawing on case studies that include California Texas and Louisiana It then explores consensus systems and risk assessment considering political factors and the costs of forecast errors The text concludes with a call to transparency and guidance from a code of ethics and a look at forecasting practices in emerging countries      Handbook of Public Budgeting Jack Rabin, 1992-02-26 The Handbook is organized around two major themes the budget process and budgeting fundamentals Each chapter is a bibliographical treatise providing an in depth overview of a major subfield of the discipline The first section of the volume on the budget process presents background theories      Handbook on Taxation W. Bartley Hildreth, 2019-07-16 A groundbreaking reference this book provides a comprehensive review of tax policy from political legal constitutional administrative and economic perspectives A collection of writings from over 45 prominent tax experts it charts the influence of taxation on economic activity and economic behavior Featuring over 2400 references tables equations and drawings the book describes how taxes affect individual and business behavior shows how taxes operate as work and investment incentives explains how tax structures impact different income groups weighs the balanced use of sales property and personal income taxes traces the influence of recent tax changes and more      Louisiana History Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America's 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state

Louisiana History is an invaluable resource for scholars and researchers *Prison Capital* Lydia Pelot-Hobbs, 2023-10-16 Every year between 1998 to 2020 except one Louisiana had the highest per capita rate of incarceration in the nation and thus the world This is the first detailed account of Louisiana's unprecedented turn to mass incarceration from 1970 to 2020 Through extensive research Lydia Pelot Hobbs illuminates how policy makers enlarged Louisiana's carceral infrastructures with new prisons and jail expansions alongside the bulking up of police and prosecutorial power At the same time these infrastructures were the products of multiscalar crises the swings of global oil capitalism liberal federal court and policy interventions the rise of neoliberal governance and law and order austerity and racist and patriarchal moral panics surrounding crime However these crises have also created fertile space for anticarceral social movements From incarcerated people filing conditions of confinement lawsuits and Angola activists challenging life without parole to grassroots organizers struggling to shrink the New Orleans jail following Hurricane Katrina and LGBTQ youth of color organizing against police sexual violence grassroots movements stretch us toward new geographies of freedom in the lineage of abolition democracy Understanding Louisiana's carceral crisis extends our understanding of the interplay between the crises of mass criminalization and racial capitalism while highlighting the conditions of possibility for dismantling carceral power in all its forms
