needed for clinical practice **The God Who Loves** John F. MacArthur, 2008-07-06 God is love It s the most basic definition of God in Scriptures but so profound that it s often misunderstood In this probing book a brilliant Bible expositor brings us into the very heart of God by answering such questions as If God is love how could He send anyone to hell What s the difference between the loving God of the New Testament and the angry God of the Old Testament If God is love why did He require His Son to die such a cruel death on the Cross How can God be both loving and jealous The author argues against the two polar views of God as a sentimental grandfather whose doting love could not bring him to punishment of the disobedient and God as an angry tyrant who would rule by threats Both extremes paint a distorted picture of God and further confuse the issue of understanding God s love Dr MacArthur writes He insists that what God loves is actually defined by what He hates and that neither His love nor His wrath can be understood in isolation from the other Although the author is clearly aware of the way great men have grappled with these issues in the history of the Church his doctrinal presentations arise more from the biblical text than from dogmatic theology He examines in detail the way John the apostle of love treats love in his First Epistle then fleshes out the doctrine of God s love in vivid representations of real people interacting with divine love Love After Marriage Barry Byrne, Lori Byrne, 2012-05-04 God intends marriages to be filled with love Why are so many faltering with distrust anger and contempt The authors of Love After Marriage believe that the Holy Spirit is ready to pour out healing and anointing on couples who seek God for themselves and their family Using the book s proven strategies based on the successful Love After Marriage workshops couples can bring an atmosphere of loving transparency and vulnerability into their relationship and develop a beautiful God designed intimacy that can last throughout their life together Couples will find clear teaching on God s perspective of marriage as well as methods for listening to the Holy Spirit and tools to develop the breakthroughs the Spirit brings to their marriage They will be refreshed by the knowledge marriage can be deeply enjoyable even if it is a little hard work Finding Love After Heartbreak Louise Maurice, Finding Love After Heartbreak How to Move On and Open Your Heart Again Still hurting from a breakup Scared to love again You re not alone Heartbreak can leave you feeling lost unworthy and afraid to trust again But what if your pain could be the turning point that leads you to the love you truly deserve In Finding Love After Heartbreak you will discover how to Heal from past wounds without carrying emotional baggage into your future Rebuild your confidence and create a fulfilling life so love becomes a choice not a necessity Let go of fear and trust again without losing yourself in the process Recognize healthy love and avoid repeating past mistakes Date with clarity and confidence knowing exactly what you want and deserve With real life stories psychological insights and actionable exercises this book is your step by step guide to moving forward not just to find love but to become the strongest most self assured version of yourself Love hasn t given up on you It s still waiting are you ready for it **Love After Love** Ingrid Persaud, 2020-08-04 A stellar debut about an unconventional family fear hatred violence chasing love losing it and finding it again just when we need it most The New York Times Book Review WINNER OF THE
