Love And Justice Selections From The Shorter Writing:

Love and Justice Reinhold Niebuhr, 1967 Reprint of the master's shorter works Still available from Peter Smith at 12 50 casebound Annotation copyright by Book News Inc Portland OR **Love and Justice** Reinhold Niebuhr, 1992-01-01 Niebuhr is renowned for his unflinching honesty concerning issues of social ethics specifically love and justice His influence is great both inside and outside the Christian church Now 64 of Niebuhr's important pieces about the problems of humanity and society are compiled in this single volume **The Living Church**, 1957 Religious Diversity and Public Religion in China Zhibin Xie, 2006 This book addresses the issue of public religion and its implications in Chinese society Zhibin Xie explores various normative considerations concerning the appropriate role of religion in public political life in a democratic culture Besides drawing on the theoretical discourse on religion in the public sphere from Western academics it holds that the issue of religion in Chinese politics should be addressed by paying attention to characteristics of religious diversity and its political context in China This leads to a position of liberal constrained public religion in China which encourages religious contribution to the public sphere as a substantial component of religious liberty in China on the one hand and proposes some constraints both upon government and religions for regulating religious political discourse on the other **Reinhold Niebuhr** Robin W. Lovin, 2007 An introduction and significance of one of the twentieth century's most influential theologians Reinhold Niebuhr Reinhold Niebuhr Richard Crouter, 2010-07-08 A primer on the current Niebuhr revival of the political left and right this book traces the significance of Reinhold Niebuhr's thought for secular as well as deeply Christian minds Placed in the context of religious and cultural history Niebuhr's theological views deepen and challenge contemporary expertise on issues of war peace economic and personal security While rejecting cynical pessimism and naive optimism Niebuhr's Christian realism reinvigorates age old teachings of the Bible St Paul Augustine and Kierkegaard His thought enriches present day debates between science and religion and between atheists agnostics and believers To live with Niebuhr's legacy is to combine critical acumen with humble self awareness It is to pursue a larger common good for him God given that is shared among individuals nations and the world community **The Architectonics of Hope** Kyle Gingerich Hiebert, 2017-09-19 The Architectonics of Hope provides a critical excavation and reconstruction of the Schmittian seductions that continue to bedevil contemporary political theology Despite a veritable explosion of interest in the work of Carl Schmitt which increasingly recognizes his contemporary relevance and prescience there nevertheless remains a curious and troubling reticence within the discipline of theology to substantively engage the German jurist and sometime Nazi apologist By offering a genealogical reconstruction of the manner and extent to which recognizably Schmittian gestures are unwittingly repeated in subsequent debates that often only implicitly assume they have escaped the violent aporetics that characterize Schmitt's thought this volume illuminates hidden resonances between ostensibly opposed political theologies Using the complex relationship between violence and apocalyptic as a guide the genealogy traces the transformation of

political theology through the work of a surprising collection of figures including Johann Baptist Metz John Milbank David Bentley Hart and John Howard Yoder

From Jeremiad to Jihad John D. Carlson, Jonathan H. Ebel, 2012-06-06 Violence has been a central feature of America's history culture and place in the world It has taken many forms from state sponsored uses of force such as war or law enforcement to revolution secession terrorism and other actions with important political and cultural implications Religion also holds a crucial place in the American experience of violence particularly for those who have found order and meaning in their worlds through religious texts symbols rituals and ideas Yet too often the religious dimensions of violence especially in the American context are ignored or overstated in either case poorly understood From Jeremiad to Jihad Religion Violence and America corrects these misunderstandings Charting and interpreting the tendrils of religion and violence this book reveals how formative moments of their intersection in American history have influenced the ideas institutions and identities associated with the United States Religion and violence provide crucial yet underutilized lenses for seeing America anew including its outlook on and relation to the world

Niebuhr's International Relations Gregory J. Moore, 2020-04-03 Reinhold Niebuhr's ideas about ethics social justice and foreign policy have been hugely influential for American political thought and this has been true across the political spectrum from progressive social justice activists to neo conservatives A one time leader in the Socialist party Niebuhr worked with Eleanor Roosevelt to found Americans for Democratic Action Jimmy Carter took inspiration from his ideas about love and justice and Barack Obama has praised him as one of his favorite philosophers His theories have also influenced neoconservatives many of whom cited his work to support the 2003 invasion of Iraq Yet Niebuhr never published a single comprehensive book on his approach to international relations and because he was so prolific one would have to sift through volumes of his work to try to construct such a unified vision This book distills Niebuhr's disparate and heretofore difficult to access work on international relations into one concise and accessible volume Drawing from the well springs of Niebuhr's Christian social thought the volume explores the depths of Niebuhr's views on human nature race collective life U S foreign policy Just War Theory Cold War era containment globalization and the U N It then applies his approach to contemporary foreign policy issues such as the 2003 Iraq War the Responsibility to Protect and the rise of China The book also considers Niebuhr's contribution to IR theory and contextualizes it in the present day revival of classical Realism with a multivariate existentialist twist Ultimately the book asserts that Niebuhr's notion of a fallible self interested view of human nature his dialectical approach and a related moral dualism run throughout his work on politics and international relations as they did through the rest of his work

A Faithful Public-Prophetic Witness Barry K. Morris, 2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairos time Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us

in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful realism and perspective of prophetic eschatology

Speaking Parables David Buttrick,2000-01-01 David Buttrick provides an introduction to the parables with a discussion of particular homiletical issues preachers face in interpreting parables Speaking Parables includes commentary on thirty three different parables with suggestions for preaching each one

The Mystery and the Passion David G. Buttrick,2002-09-06 resurrection and death in order to connect modern preaching with the excitement of a changed world Although we may be jaded by sermons that chase Bible verses tediously for twenty minutes or more original listeners heard the gospel as a huge excitement The apostles announced a changed world The human world they claimed had begun all over again we are living now in a new creation They invited startled listeners to join God s new humanity From the Introduction Buttrick s treatment is no romanticizing of early Christianity The church then was as dismaying as it is now Instead this book focuses on the early Christian sense that they had passed from death to new life a reversal that began with Jesus resurrection then explored his passion and finally his ministry and life This book carefully examines the Gospel traditions so that this great reversal can be captured in Christian theology and proclamation

Our Secular Vocation J. Daryl Charles,2023-01-15 The divide between the sacred and the secular life has dogged Christians for centuries Even today many Christians and church leaders still assume that the workplace is inferior to pastoring Bible study mission trips and the like This volume provides a different approach it surveys the persistence of the sacred secular divide in Christian history to develop a more robust theology of vocation while engaging with both the Old and New Testament Charles offers a vision for numerous ways Christians are called to live faithfully in the so called secular world

Hopeful Realism in Urban Ministry Barry K. Morris,2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry s steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another s literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on

justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy

Boursier, 2022-04-27 This book combines interviews of ethnically diverse clergy from various Christian traditions and their attitudes regarding forced migration at the U S Mexico border with case studies and church history to argue for a compassionate response to refugees seeking asylum that resists racism and exclusion *Love and justice : selections from the shorter writing of Reinhold Niebuhr* Reinhold Niebuhr, 1976 **Guide to Reprints** Albert James Diaz, 1977 *Love and Justice* Rique Johnson, 2007-11-01 In this searing thriller a detective on the edge must stop a vicious killer even as he mends the emotional scars in his own life Jason Jerrard didn't become Virginia City's finest detective by building stable romantic relationships And it's beginning to show he's got a new girlfriend who doesn't know what she's in for and an ex wife determined to do whatever it takes to get him back But the real nightmare in Jerrard's life is the serial murderer rapist who's turning Virginia City into a living hell Brutal and elusive this is a killer whose taunting has made it personal with Jerrard And taking him down might just require more than Jerrard has to give Passion jealousy courage and violence come to a head in *Love Justice* the first of the three Jason Jerrard books *Justice in the Making* Beverly Wildung Harrison, 2004-01-01 Beverly Harrison has long fought for women and others at the margins challenging the subjugating ways in which women's intellectual contributions their gifts of ministerial leadership and their reproductive capacity and sexual identity have been defined This collection of essays and lectures presented over the course of her career demonstrates the progression of Harrison's contribution to the field of Christian ethics and the evolution of her thought in response to changing social realities [Dictionary of Scripture and Ethics](#) Joel B.
