**Love, Stoic & Frustrated Barrel** Vivek Koka, 2020-10-15 This book is about 3 young men and their ordinary existence. The three are as different as beer and whiskey but by some divine intervention come together and stick it out against all odds. Their only agenda is to have fun and fill their infamous black diary. Purab Being gifted with exceptional quantitative skills he is so caught up in dealing with life in a logical and analytical manner that when true love comes knocking on his door he is too busy doing the math. Prakash Blatantly possessive about his friend he withdraws into his cave and behaves in an eccentric manner every time women enter their household. Sidharth An atheist as far as love is concerned he believes everything is fair in his quest for lust. He does experience a genuine bond with Mini Chaturvedi but soon realizes that some men are destined to be predators. Life in the Fast Lane: Unless your fast lane is Slow shari figroid, The Wizenard Series: Training Camp Kobe Bryant, Wesley King, 2019-03-19 1 New York Times Bestseller From the mind of basketball legend and Academy Award winning storyteller Kobe Bryant comes this radically original portrait of five young basketball players, one enlightening coach and the awesome transformative power of the game. Filled with insights about the mental stamina and emotional clarity that peak performance requires, this is an indispensable story for young athletes, coaches, educators, and anyone interested in the astonishing potential of team sports to unlock individual growth. **THE GAME WILL NEVER BE THE SAME** Magic doesn't seem possible for the West Bottom Badgers. They're the lowest ranked basketball team in their league and they live in the poorest neighborhood in Dren. Nobody expects them to succeed at anything. Plus every kid on the team has secret struggles of his own. When a new coach named Professor Wizenard arrives on the first day of training camp, the Badgers can't explain the magical seeming things they see and hear. Every player experiences unique and strange visions, visions that challenge everything they thought they knew about basketball and about their lives and their secrets off the court. To survive the increasingly intense ordeals of training, the Badgers will need to take unimaginable risks, learn to trust their teammates, and confront the darkness within themselves. *Reality TV* Susan Murray, Laurie Ouellette, 2009 A collection of essays which provide a comprehensive picture of how and why the genre of reality television emerged, what it means, how it differs from earlier television programming, and how it engages societies, industries, and individuals. **The Cabuliwallah** Rabindranath Tagore, 2014-12-25 Rabindranath Tagore also written Rabindranatha Thakura 7 May 1861 7 August 1941 sobriquet Gurudev was a Bengali polymath who reshaped Bengali literature and music as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries.
