Cliché, I know, but hear me out. It's not one of those girls meets girl and is friend-zoned because she's too chicken-skittish to admit her feelings. It's a little okay, a lot more complicated than that. She's a vampire; they get one mate, and I'm not hers. Confessing my feelings will just make it awkward. Instead, I'll pine for the gorgeous Nic while doing absolutely nothing about it. Nicoletta There are two sides to every story. You'll just have to read the book to know mine. I didn't keep it a secret for a whole year just to blurt it out on here now, did I? If it's any consolation, I promise it's a HEA. **Miss Penneck and the Pixie's Poem** Deb Marlowe, 2021-01-10 Miss Penneck was sublimely content when she at last realized her dream of opening a bookstore until a handsome printer shows up claiming the shop space is his. Suddenly everything is complicated. There's a Pixie in her shop; her father is obsessed with the notion of her deceased mother returning to visit; and the handsome printer's enemies have made her a target. Her life is in a tangle, but a Pixie's poem will show them all that love and connection are always the answer and the best that life can give. Regency Historical Romance with a bit of Pixie Magic. This book can be read alone, but many readers prefer to read the series in order: Lady Tamsyn and the Pixie's Curse, Lord Locryn and the Pixie's Kiss, Miss Penneck and the Pixie's Poem. If she reveals it, she will surely die. Of course, she knows it's true because certain death is what he promised her after the incident in the deep woods years ago. Her fate is ever in his hands, keeping the secret guts her on the inside as she struggles to make ends meet, serving as a law clerk to a dangerously ambitious judge in the Nation's Capitol. With secrets of her own, Nicole is tired, exhausted, toying with thoughts she's afraid to own of letting life

go Her life is unraveling her sound mind frayed At the end of herself she knows she can't save herself but who can Worse does she want to be saved A swift reply to both questions comes in the way of a still small voice at an unlikely time that ushers her onto a path few dare to tread or openly discuss In contrast Nicole's former law school chum and classmate Timothy Grue is a hotshot private attorney who blazes notorious trails in and out of the courtroom Both handsome and brash owing to his kinship with privilege and social standing of a fine Philadelphia family he seems to have the world on a string every creature comfort easily within his reach including an overabundance of company from the fairer sex Despite his privilege and pedigree Tim later learns that it came at a very high price By a stroke of legal fortune or misfortune their paths collide professionally as Tim is handpicked to represent an A List Hollywood client in a lawsuit over which Nicole's boss is the presiding judge Not so secretly the judge relishes the prospect of having her fifteen seconds of fame before the world press Her staff knows that the attention from the paparazzi may prove to be her professional undoing and theirs Her job potentially on the line Nicole contacts Tim Grue for a clandestine meeting of the minds but will Tim take the bait and sign on to Nicole's harmless solution Their former friendship on course to self ignite or implode sets in motion a chain of events that blast open the door to Nicole's secret past and their bitter sweet history and where crises of identity spirituality and morality intersect conflicting issues of race and class deepen already murky waters as Nicole is black and Timothy is white Yet as between the two they want to know why race is still an issue at all On the road from hell to higher ground both learn that anything worth having is always tried by fires of a faith that asks simply what do you really believe And more can redemption ever come too late
