comes to world building for these novels where do you get your inspiration MR I get my inspiration from pretty much everywhere although I m visually inspired by some of my favorite TV shows and movies which run the gamut from Lord of the Rings to The Princess Bride to Game of Thrones to name just a few RM At the end of Falling Kingdoms things are looking pretty bleak in Mytica Is it fair to say that Rebel Spring will be quite a bit darker than book 1 MR The stakes have been raised and sharpened for sure Blood will spill and lives will be lost But I don't think I would ever want to write a book that was unrelentingly bleak from beginning to end I can promise that Rebel Spring contains plenty of comic relief and romance to counterbalance the darker bits RM The Falling Kingdoms books are written from multiple POVs and each of your narrators has such a unique voice and perspective How does your experience vary from POV to POV Are there some characters that are more difficult than others Do you have a favorite MR It's been a wonderful and exciting challenge to write in multiple points of view from my diverse cast I will admit some POVs are always a joy to write and others prove to be a challenge I try to put myself in the head of that character and see the world from their eyes no matter who they are or what their goals are I get into the heads of a couple different characters in Rebel Spring including a villain who definitely sees things from a darker angle than anything I ve written before which was fun The characters whose scenes I most look forward to writing since they are very specific personalities and basically take over and make things easier for me are Cleo and Magnus They tend to surprise me while the other characters usually stick to the outline RM Let's talk body count You're very good at making me fall in love with your characters but you re also very good at killing them off when I least expect it How do you decide the who how when and why when it comes to killing off your characters MR I never knew how much I enjoyed killing characters until I started writing this series evil grin However I like to think those who get the ax sometimes um literally are necessary deaths It s all for a purpose to change another character in the face of their shock and grief to lead them down a path they never would have taken before and to spark a desire for revolution and vengeance in the hearts of those who might previously have been passive and peaceful Plus I always think when things seem a bit too ideal and characters are getting too comfortable it s a good time to get a few heads rolling to keep things interesting for readers and for me as the writer RM What s going on with Magnus He seems like kind of a jerk in Falling Kingdoms but I get the sense he s got a soft spot MR With a father like King Gaius whose nickname is the King of Blood it would be pretty hard for a prince to grow up as a nice dude with a sunny disposition Magnus really came alive on the page for me more so than any other character in the cast Initially he was supposed to be a jerk through and through but he s really more of a lost soul whose entire life has been devoted to attempting to gain his cruel and driven father s love and respect However Magnus has begun to learn that he might have a different set of morals than the king even though he knows following in Daddy's footsteps would make life easier for him This isn t to say that Magnus hasn t made and will make some rather dreadful decisions that will certainly cast a shadow over his future relationships and experiences RM Jonas has a lot of axes to grind by the end of book 1 What can we

expect from him in Rebel Spring MR I think the main thing with Jonas is that beneath his thirst for vengeance focused on both the murderer of his brother Aron and King Gaius is that he really does mean well He cares about the people of downtrodden Paelsia and he s someone unlike his fellow countrymen who doesn t believe his future is ruled by uncontrollable fate In Rebel Spring Jonas has been thrust into the position of rebel leader which will be a challenge for him on many levels RM Okay ultimate personality test Are you a Cleo or a Lucia MR Both are princesses from vastly different kingdoms and upbringings Cleo is a girl who has favored parties and frivolity in the past while Lucia prefers learning and solitude Cleo is stubborn and sometimes reckless and Lucia is more measured and controlled but may be considered na ve in many ways I wouldn t say I m much like either princess really although I am blond like Cleo and I love books like Lucia RM Lastly can you talk a little bit about your writing process MR It would be next to impossible to undertake a large tapestry of a series like Falling Kingdoms if I didn t plan a lot of it ahead of time I work from a detailed outline and map out character goals and conflicts and relationship arcs but I m still surprised by some of the things my characters say and do that can take me in a direction different from what was meticulously planned So far it s been a lot of fun to explore these unexpected paths to see where they lead Where I Live Now Lucia Berlin, 2017-04-01 The New York Times bestselling author of So Long contemplates the human condition in this short story collection for fans of Grace Paley Alice Munro The elusive nature of happiness is a compelling theme in Where I Live Now The survivors in these stories many of them society s marginal or excluded people fighting alcohol or drug addiction bearing emotional scars recognize it all too well They mourn the lost dreams of youth the roads not taken They suffer the damage life inflicts the ache of loneliness the pain of separation the fear of death Set mainly in Los Angeles Lucia Berlin's gritty working class stories bridge the gap between the Americas rich and poor North and South Anglo and Hispanic While her style has been compared to Raymond Carver's and her dream and drink addicted characters to Richard Yates s her fictional territory and fatalistic humor are hers alone Praise for Where I Live Now Berlin's literary model is Chekhov but there are extra literary models too including the extended jazz solo with its surges convolutions and asides This is writing of a very high order August Kleinzahler London Review of Books This remarkable collection occasionally put me in mind of Annie Proulx's Accordion Crimes with its sweep of American origins and places Berlin is our Scheherazade continually surprising her readers with a startling variety of voices vividly drawn characters and settings alive with sight and sound Barbara Barnard American Book Review Berlin is marvelously successful placing her memorable characters in gripping situations plumbing their messed up lives for pathos and allowing us to see deeply into **Caring** Lucia Raatma, 2016-05-13 Describes caring as a virtue and suggests ways in which their souls Publishers Weekly caring can be shown such as recycling donating to charity helping others and listening **Evening in Paradise** Lucia Berlin, 2018-11-06 Berlin probably deserved a Pulitzer Prize Dwight Garner The New York Times New York Times Book Review Editors Choice Named one of the Best Books of 2018 by The Boston Globe Kirkus and Lit Hub Named a Fall Read by
