

Love and Politics

Re-interpreting Hegel

Alice Ormiston

Love And Politics Re Interpreting Hegel

Paolo Diego Bubbio, Paul Redding

Love And Politics Re Interpreting Hegel:

Love and Politics Alice Ormiston, 2004-04-29 Argues that love plays an essential if often implicit role in Hegel's mature theory of moral subjectivity and political community Love and Politics Alice Ormiston, 2012-02-01 Alice Ormiston's *Love and Politics* argues that modern politics is rooted not merely in the pursuit of power but that it is essentially underpinned by the experience of love Hegel understood love as a principle that unites reason and emotion and self and other and that provides the foundation for a deep sense of connectedness to the world and for genuine acts of autonomy Through an original and highly accessible interpretation of Hegel's works Ormiston shows how the modern commitment to individual rights and freedoms can only be adequately understood by reference to the experience of love that lies at the foundation of the modern subject and its political expression in acts of conscience Hegel's thought thus joins forces with feminist arguments for an embodied theory of the subject and for a focus on empathy in political reasoning with republican concerns about democracy and civic education and with postmodern concerns about the otherness of certain experiences and forms of knowledge Ormiston's book offers a developed concept of the subject that can serve as a foundation for resistance to problems of our time including atomism and instrumental rationality the ills of an unfettered capitalism and the reality of a radical evil

Hegel's Metaphysics and the Philosophy of Politics Michael J. Thompson, 2018-04-27 The renaissance in Hegel scholarship over the past two decades has largely ignored or marginalized the metaphysical dimension of his thought perhaps most vigorously when considering his social and political philosophy Many scholars have consistently maintained that Hegel's political philosophy must be reconstructed without the metaphysical structure that Hegel saw as his crowning philosophical achievement This book brings together twelve original essays that explore the relation between Hegel's metaphysics and his political social and practical philosophy The essays seek to explore what normative insights and positions can be obtained from examining Hegel's distinctive view of the metaphysical dimensions of political philosophy His ideas about the good the universal freedom rationality objectivity self determination and self development can be seen in a new context and with renewed understanding once their relation to his metaphysical project is considered Hegel's *Metaphysics and the Philosophy of Politics* will be of great interest to scholars of Hegelian philosophy German Idealism nineteenth century philosophy political philosophy and political theory *Emancipation After Hegel* Todd McGowan, 2019-05-28 Hegel is making a comeback After the decline of the Marxist Hegelianism that dominated the twentieth century leading thinkers are rediscovering Hegel's thought as a resource for contemporary politics What does a notoriously difficult nineteenth century German philosopher have to offer the present How should we understand Hegel and what does understanding Hegel teach us about confronting our most urgent challenges In this book Todd McGowan offers us a Hegel for the twenty first century Simultaneously an introduction to Hegel and a fundamental reimagining of Hegel's project *Emancipation After Hegel* presents a radical Hegel who speaks to a world overwhelmed by right wing populism

authoritarianism neoliberalism and economic inequalities McGowan argues that the revolutionary core of Hegel's thought is contradiction. He reveals that contradiction is inexorable and that we must attempt to sustain it rather than overcoming it or dismissing it as a logical failure. McGowan contends that Hegel's notion of contradiction when applied to contemporary problems challenges any assertion of unitary identity as every identity is in tension with itself and dependent on others. An accessible and compelling reinterpretation of an often misunderstood thinker, this book shows us a way forward to a new politics of emancipation as we reconcile ourselves to the inevitability of contradiction and find solidarity in not belonging.

The New Hegelians Douglas Moggach, 2006-03-27 The period leading up to the Revolutions of 1848 was a seminal moment in the history of political thought, demarcating the ideological currents and defining the problems of freedom and social cohesion which are among the key issues of modern politics. This 2006 anthology offers research on Hegel's followers in the 1830s and 1840s. With essays by philosophers, political scientists and historians from Europe and North America, it pays special attention to questions of state power, the economy, poverty and labour, as well as to ideas on freedom. The book examines the political and social thought of Eduard Gans, Ludwig Feuerbach, Max Stirner, Bruno Bauer and Edgar Bauer, the young Engels and Marx. It places them in the context of Hegel's philosophy, the Enlightenment, Kant, the French Revolution, industrialization and urban poverty. It also views Marx and Engels in relation to their contemporaries and interlocutors in the Hegelian school.

Hegel's Theory of Intelligibility Rocío Zambrana, 2015-11-20 Hegel's Theory of Intelligibility picks up on recent revisionist readings of Hegel to offer a productive new interpretation of his notoriously difficult work, the Science of Logic. Rocío Zambrana transforms the revisionist tradition by distilling the theory of normativity that Hegel elaborates in the Science of Logic within the context of his signature treatment of negativity, unveiling how both features of his system of thought operate on his theory of intelligibility. Zambrana clarifies crucial features of Hegel's theory of normativity previously thought to be absent from the argument of the Science of Logic: what she calls normative precariousness and normative ambivalence. She shows that Hegel's theory of determinacy views intelligibility as both precarious, the result of practices and institutions that gain and lose authority throughout history, and ambivalent, accommodating opposite meanings and valences even when enjoying normative authority. In this way, Zambrana shows that the Science of Logic provides the philosophical justification for the necessary historicity of intelligibility. Intervening in several recent developments in the study of Kant, Hegel and German Idealism, more broadly, this book provides a productive new understanding of the value of Hegel's systematic ambitions.

Reconsidering the Origins of Recognition John Van Houdt, Arthur Kok, 2014-11-19 This volume brings together for the first time a group of young researchers who can be seen as representative of a new generation of researchers working on German idealism. Over the past few decades, several generations of the reception of German idealist philosophers have resulted in an intensive, inspiring and fruitful debate about the concept of recognition, a central topic in German idealism and the central topic of this book. Critically approaching many of the classical boundaries set up by earlier

generations the new wave of researchers in this volume explores diagnoses analyzes and evaluates the prospects for and limits of recognition from an informed yet independent perspective The contributors to this volume overcome both the traditionally strong emphasis on practical especially political philosophy when dealing with recognition and classical divisions such as the divide between analytic and continental philosophy or between Frankfurt School interpretations and more scholarly approaches This unique combination of methodological interests leads to a variety of original voices which incorporate the history of reception while also showing how German idealism continues to inspire new generations of philosophers This book provides a first step toward a comprehensive conception of German idealism through critical readings of the classical texts of German idealism approaching their argumentative potential their internal development and finally their limits

Life in the Spirit Douglas Finn, 2015-12-31 Since the nineteenth century many philosophical and theological commentators have sought to trace lines of continuity between the Trinitarian thought of Augustine of Hippo 354 430 and G W F Hegel 1770 1831 Many contemporary Christian theologians have also criticized Augustine's Trinitarian theology generally and his doctrine of the Holy Spirit more specifically through this historical lens At the same time Hegelian Trinitarian conceptual dynamics have come to exert a strong influence over contemporary Trinitarian theology In *Life in the Spirit* Douglas Finn seeks to redress several imbalances with respect to Augustine imbalances that have one of their hermeneutic causes in a Hegelian influenced theological tradition Finn argues that common readings of Augustine focus too much on his *De Trinitate* books 8 15 betraying a modern and to some extent Hegelian prejudice against considering sermons and biblical commentaries serious theological work This broadening of Augustinian texts allows Finn to critique readings of Augustine that on the one hand narrow his Trinitarian theology to the so called psychological analogy and thus chart him on a path to Descartes and Hegel or on the other hand suggest he sacrifices a theology of the Trinitarian persons on the altar of divine substance Augustine's Trinitarian theology on Finn's reading is one fully engaged with God's work in history With this renewed understanding of Augustine's Trinitarianism Finn allows Augustine to interrogate Hegel with his concerns rather than only the other way around In this ambitious study Finn shows that Hegel's rendition of Christianity systematically obviates whole swaths of Christian prayer and practice He does this nonpolemically carefully and with meticulous attention to the texts of both great thinkers

Political Thinking, Political Theory, and Civil Society Steven M. DeLue, Timothy M. Dale, 2016-07-01 This comprehensive overview of the Western tradition of political thought approaches concepts with the aim of helping readers develop their own political thinking and critical thinking skills This text is uniquely organized around the theme of civil society what is the nature of a civil society why is it important that will engage students and help make the material relevant Major thinkers discussed in the text are explored not only with the goal of understanding their views but also with an interest in understanding the relationship of their ideas to the notion of a civil society DeLue and Dale contend that a civil society is important for securing the way of life that most of us value and want to preserve a way of life that allows

people to live freely and place significance on their own lives New to the Fourth Edition Connects traditional political theory to contemporary challenges to civil society including new coverage of US electoral politics the Black Lives Matter movement Citizens United and Robert Putnam's view of the decline of social support systems Updates the coverage of feminism and feminist thinkers including coverage of gay marriage in the context of civil society Expands coverage of global civil society especially in terms of contemporary challenges posed by ISIS the failure of the Arab Spring and ongoing humanitarian crises in Syria Iran and beyond Uncivil Unions Adrian Daub,2012-03-02 Discusses the Idealist and Romantic poets and philosophers in Germany in the early 19th century who thought about marriage differently from their Enlightenment predecessors

Religion After Kant Paolo Diego Bubbio,Paul Redding,2011-11-15 After a period of neglect the idealist and romantic philosophies that emerged in the wake of Kant's revolutionary writings have once more become important foci of philosophical interest especially in relation to the question of the role of religion in human life By developing and reinterpreting basic Kantian ideas an array of thinkers including Schelling Hegel Friedrich Schlegel Holderlin and Novalis transformed the conceptual framework within which the nature of religion could be considered Furthermore in doing so they significantly shaped the philosophical perspectives from within which later thinkers such as Feuerbach Kierkegaard Wagner and Nietzsche could re pose the question of religion This volume explores the spaces opened during this extended period of post Kantian thinking for a reconsideration of the place of religion within the project of human self fashioning **Clio** ,2005

Spirit, the Family, and the Unconscious in Hegel's Philosophy David V. Ciavatta,2010-07-02 Investigates the role of family in Hegel's phenomenology *Hegel and the Logical Structure of Love* Toula Nicolacopoulos,George

Vassilacopoulos,2018-12-21 First published in 1999 this is an interesting and significantly valuable example of how Hegel's Logic can be applied to his own interpretation of his time to produce a contemporary Hegelian view of our world and its problems The authors show that by the logic of the family as conceived by Hegel contemporary views about same sex and single parent families can be justified and defunded The male dominance and heterosexual orientation taken for granted by Hegel's own world is not mandated by the Logic I find their argument completely convincing They demonstrate beyond dispute that Hegel's speculative philosophy remains relevant for us a very fruitful in its applications **Can Philosophy**

Love? Cindy Zeiher,Todd McGowan,2017-12-20 This volume considers formalisations of love in the 21st century Engaging heavily with the Slovenian School of Philosophy the book contends that the one line of thought that exposes the role that love plays in all knowledge is psychoanalysis emphasising the importance of love in these unsettled times Badiou and Hegel

Jim Vernon,Antonio Calcagno,2015-07-22 Badiou and Hegel Infinity Dialectics Subjectivity offers critical appraisals of two of the dominant figures of the Continental tradition of philosophy Alain Badiou and G W F Hegel Jim Vernon and Antonio Calcagno bring together established and emerging authors in Continental philosophy to discuss the relationship between the thinkers creating a multifarious collection of essays by Hegelians Badiouans and those sympathetic to both The text

privileges neither thinker nor any particular topic shared between them rather this book lays a broad and sound foundation for future scholarship on arguably two of the greatest thinkers of infinity universality subjectivity and the enduring value of philosophy in the modern Western canon Assuredly overdue this volume will attract Hegel and Badiou scholars as well as those interested in post structuralism political philosophy cultural studies ontology philosophy of mathematics and psychoanalysis

Hegel's Conscience Dean Moyar,2011-04-06 This book provides a new interpretation of the ethical theory of G W F Hegel The aim is not only to give a new interpretation for specialists in German Idealism but also to provide an analysis that makes Hegel s ethics accessible for all scholars working in ethical and political philosophy While Hegel s political philosophy has received a good deal of attention in the literature the core of his ethics has eluded careful exposition in large part because it is contained in his claims about conscience This book shows that contrary to accepted wisdom conscience is the central concept for understanding Hegel s view of practical reason and therefore for understanding his ethics as a whole The argument combines careful exegesis of key passages in Hegel s texts with detailed treatments of problems in contemporary ethics and reconstructions of Hegel s answers to those problems The main goals are to render comprehensible Hegel s notoriously difficult texts by framing arguments with debates in contemporary ethics and to show that Hegel still has much to teach us about the issues that matter to us most Central topics covered in the book are the connection of self consciousness and agency the relation of motivating and justifying reasons moral deliberation and the holism of moral reasoning mutual recognition and the rationality of social institutions

Encyclopedia of Philosophy Donald M. Borchert,2006 This volume covering entries from Gadamer Hans Georg to Just war theory presents articles on Eastern and Western philosophies medical and scientific ethics the Holocaust terrorism censorship biographical entries and much more

Love and Politics Jeffery L. Nicholas,2021-06-07 In Love and Politics Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

Hegel on Sacred Poetry Víctor Ibarra B.,2024-07-08 In his aesthetic reflections Hegel identifies the Judaic Psalms which he calls sacred poetry as the

core of the sublime While it has often been suggested that Hegel showed little interest in the notion of sublimity Ibarra B contends that this interpretation is misleading and warrants further elucidation Introducing a new perspective he argues that a careful examination of Hegel s remarks on sacred poetry reveals a critique of the notion of agency as depicted in the Psalms By revisiting Hegel s early works predating 1800 and his dispute with Kant s concept of freedom this study offers a practical account of Hegel s view on sublime art within the framework of his philosophy of love

When people should go to the books stores, search foundation by shop, shelf by shelf, it is essentially problematic. This is why we offer the books compilations in this website. It will totally ease you to see guide **Love And Politics Re Interpreting Hegel** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. Love And Politics Re Interpreting Hegel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Love And Politics Re Interpreting Hegel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong

learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Love And Politics Re Interpreting Hegel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Love And Politics Re Interpreting Hegel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Love And Politics Re Interpreting Hegel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Love And Politics Re Interpreting Hegel is one of the best book in our library for free trial. We provide copy of Love And Politics Re Interpreting Hegel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Love And Politics Re Interpreting Hegel. Where to download Love And Politics Re Interpreting Hegel online for free? Are you looking for Love And Politics Re Interpreting Hegel PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check

another Love And Politics Re Interpreting Hegel. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Love And Politics Re Interpreting Hegel are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Love And Politics Re Interpreting Hegel. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Love And Politics Re Interpreting Hegel To get started finding Love And Politics Re Interpreting Hegel, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Love And Politics Re Interpreting Hegel So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Love And Politics Re Interpreting Hegel. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Love And Politics Re Interpreting Hegel, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Love And Politics Re Interpreting Hegel is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Love And Politics Re Interpreting Hegel is universally compatible with any devices to read.
