Love And The Loveless:

Loveless Love Luigi Pirandello, 2019-10-28 In *The Wave* a young man falls dangerously in love with the tenant downstairs who is engaged to be married in *The Signorina* a flirtatious young woman is caught between her feelings and her parents desire for a good match in *A Friend to the Wives* the peerless Pia Tolosani leaves a trail of regret in the life of a former suitor In this collection of stories Pirandello's first published work of fiction the master of Italian modernism dissects the passions that are either dimly felt or unrequited ultimately raising doubts about the very nature and existence of love while simultaneously foreshadowing the themes and the psychologically nuanced characters that he would go on to develop in his later works ABOUT THE SERIES The 101 Pages series has been created with the aim of redefining and enriching the classics canon by promoting unjustly neglected works of enduring significance These texts have been treated with a fresh editorial approach and are presented in an elegantly designed format

Love and the Loveless Henry Williamson, 2014-07-17 *Love and the Loveless* 1958 was the seventh entry in Henry Williamson's fifteen volume *A Chronicle of Ancient Sunlight* spanning the years from the late Victorian period to the Second World War The year covered by this novel 1917 was perhaps the darkest of the Great War with widespread mutinies in the French Army after the disastrous Nivelle offensive Phillip Maddison is now a young transport officer tending pack animals surviving amid devastation and death His courage sustained by poetry by comradeship by the comfort of whisky and water is perhaps unnatural but amid the charnel house of battle he endures in a way of life so alien to those at home that it might be the dark side of the moon Williamson's style is romantic though rarely sentimental and his sensuous response to nature is fresh and surprising Anthony Burgess *Ninety Nine Novels* The Best in English since 1939

Carmen Maria Machado's *Her Body and Other Parties* Written with Susan Abulhawa's distinctive richly detailed beautiful and resonant Publishers Weekly prose this powerful novel presents a searing darkly funny and wholly unique portrait of a Palestinian woman who refuses to be a victim **Loveless** Alice Oseman,2022-09-13 **The Loveless Family** Jon P. Bloch,2011-08-17 This scholarly and personal exploration of what it is like to grow up feeling unloved describes personality types and syndromes that often manifest regardless of whether the family unit was dysfunctional or not Though recent decades have seen a great deal of discussion on the dysfunctional family many people share a different problem regardless of whether their family was functional or not they are never given love or taught how to receive it This book will establish the concept of the loveless family by investigating scholarship on the subject as well as through the personal reflections and experiences of author Jon P Bloch *The Loveless Family* Getting Past Estrangement and Learning How to Love explains what a loveless family is some of the typical syndromes seen within it how families may cope with serious physical or mental issues and how adults who came from a loveless family can develop meaningful relationships This book is written to be engaging and accessible to the average reader yet authoritative and also of value to scholars **Loveless** C.L. Matthews,2022-02-22 *Loveless* is a standalone MM novella with a HEA I lie to everyone my entire life Hiding Lonely Loveless Then he came along The light to reveal me casting my shadows away The partner to be here for me who never allows me to be lonely again The man to prove I'm worthy promising to show me I'm not loveless after all My little prince My savior My happy ending Mine I honestly don't read a lot of M M romance not a lot at all In fact once upon a time I didn't think I ever would So to those who are more accustomed to the exact sub genre it might be your usual but to me this one's a masterpiece It's simple and understated and yet gut wrenching at its core because of the truth and realism of how harmful unwarranted judgment and censure is All in all the story is perfection Simply pure and utter perfection Goodreads Reviewer **The Loveless Marriage** BARBARA. CARTLAND,2021-12-31 After centuries of violence between the feuding McBrara and MacSteel Clans in the Scottish Highlands a fragile peace is about to break into a new war when one of the MacSteels shepherds is murdered allegedly by the McBraras In a desperate attempt to avoid further bloodshed before the imminent visit of the English King George IV the Laird of the MacSteels proposes that they unite the Clans with a marriage and the Earl of Braradale agrees somewhat reluctantly And so the Laird's daughter the elfin young beauty Fyna is obliged to marry a man she has never even met the Earl of Braradale himself Thus they are both ready to enter into a loveless marriage to save their Clans from further bloodletting and strife For his part the Earl is dreading the marriage imagining that she will be pious and heavily built while for her part Fyna too dreads a loveless union with a man she does not love and who will look down at her as his inferior As the two Clans celebrate their Wedding the reluctant bride and groom begin to become acquainted and from the start both are pleasantly surprised to find that they have much in common notably that they are both fey as many Scots are and can sense each other's thoughts and moods But it is only when the life of her new husband is imperilled by her murderous cousin

Noble,2015-08-20 This autobiographical account records events that unfolded during the particularly dynamic cultural revolution of the fifties sixties and early seventies This was the post war era when the Church slowly began to lose its influence over the day to day life of ordinary folk Furthermore Dr Spock s ideas about childcare began to encourage parents to be less rigid and more affectionate with their children and to treat them as individuals This contrasted with the authoritarian style of parenting which had hitherto demanded absolute obedience and offered little if any affection Such parenting was and is often based on a false understanding of what Christianity is all about and at its worse can be abusive The book is intended to stimulate reflection on why overt abuse is accepted and tolerated but goes unreported It would not be an exaggeration to say that the majority of my relatives friends and neighbours had expressed concern at the physical and emotional abuse I had suffered and yet none wanted to interfere What mechanisms were in play there Is this still as likely to happen today and if not what has changed And could the conditions which led to a culture that tolerated abuse ever return
