## **Love And Thunder A Spirituality Of The Old Testament:**

*Love and Thunder, a Spirituality of the Old Testament* John F. Craghan, 1983      *The Old Testament and Christian Spirituality* Christo Lombaard, 2012-05-27 An engaging anthology that deals with both theory and practice The emerging discipline of biblical spirituality considers how faith finds expression within the biblical texts and how modern expressions of faith interact with those texts This volume represents Christo Lombaard's reflective analytical and exegetical contributions to the field in order to explore how biblical texts mediate faith both ancient and contemporary It reflects on aspects of the interaction of faith and Scripture critically approaching both dimensions Features Seven previously published papers drawn predominately from South African journals Explorations of how biblical texts mediate faith Close examination of the discipline of biblical spirituality as part of spirituality studies      God Has a Name John Mark Comer, 2024-10-15 What you believe about God sets the foundation of the person you will become In *God Has a Name* pastor and New York Times bestselling author John Mark Comer invites you to rethink many of the prevalent myths and misconceptions about God and weigh them against what God actually tells us about himself After all what you believe about God will ultimately shape the type of person you become We all live at the mercy of our ideas and nowhere is this more true than our ideas about God The problem is many of our ideas about God are wrong Not all wrong but wrong enough to form our souls in detrimental and disheartening ways *God Has a Name* is a simple yet profound guide to understanding God in a new light focusing on what God says about himself in the Bible This one shift has the potential to radically alter how you relate to God not as a doctrine but as a relational being who responds to you in an elastic back and forth way John Mark Comer takes you line by line through Exodus 34:6-8 Yahweh's self revelation on Mount Sinai one of the most quoted passages in the Bible Along the way Comer addresses some of the most profound questions he came across as he studied these noted lines in Exodus including Why do we feel this gap between us and God Could it be that a lot of what we think about God is wrong Not all wrong but wrong enough to mess up how we relate to him What if our God is really a projection of our own identity ideas and desires What if the real God is different but far better than we could ever imagine No matter where you are in your spiritual journey *God Has a Name* invites you to step into a fresh and biblically rooted vision of who God is that has the potential to alter your life with God and shape who you become      **Rediscovering John** Lesław Daniel Chrupcała, 2014-05-29T00:00:00+02:00 The idea of dedicating a Festschrift to honor Professor Fr d ric Manns on the happy occasion of his 70th birthday came to mind in the autumn of 2011 and work on this project had been continuing ever since Felicitously achieving this goal the Faculty of Biblical Sciences and Archaeology Studium Biblicum Franciscanum and the Franciscan Custody of the Holy Land present this volume to Father Manns with gratitude for his profound scholarship and a lifetime service in the Holy Land Perusing through Father Manns writings it is easy to see a prominent and distinctive place devoted to the Gospel of John It seemed therefore suitable to focus on this subject in the Festschrift honoring him the title *Rediscovering John* relates to

Mann's significant contribution towards the better understanding of the Fourth Gospel. The volume comprises 21 studies authored by renowned scholars from various parts of the world from different institutions and denominations. While the first half of the studies examines general issues: history of interpretation, textual transmission, intertextuality, theological themes, archaeology, the second half treats literary narrative and exegetical approaches to particular texts of the Fourth Gospel. We augur that this rich collection will help to stimulate further discussion and reflection on the Gospel of John as well as constitute an incentive to an already distinguished scholar to continue writing challenging and thought provoking essays and books from the Foreword by the Editor.

**Elijah Prophet of Carmel** Jane Ackerman, 2018-07-18 For Carmelites Elijah is considered their legendary founder and patron. This study explores Elijah in Scripture, legend and Carmelite documents. Members of the three monotheistic faiths have always told stories of what the prophet Elijah has done and is still expected to do in sacred history. He is perhaps most appreciated by members of the Carmelite Order known for its contemplative and pastoral orientation. Elijah is considered their legendary founder and traditional patron. Carmelites rank him as one of their greatest spiritual models. Their coat of arms displays his flaming sword. Mount Carmel and Elijah's proclamation "With zeal I have been zealous for the Lord, God of Hosts." This book inquires into this deep appreciation. It examines the linkage between the Order and the prophet over time. More Information.

**Beginning with the oldest knowledge we have about Elijah coming from Scripture.** **Elijah Prophet of Carmel** briefly sketches his role in the three faiths of Judaism, Christianity and Islam. It then turns to what the distant but influential Christian antecedents of the Carmelite Order, the desert hermits and the early Fathers wrote about the zealous man of God. As the Carmelite Order was founded, achieved its corporate identity and changed over time, so did its views of its legendary model. Interaction between storytelling about Elijah and Carmelites' understanding of themselves continues even to the present. As thoughts from the past about the prophet continue to influence them, both Teresian Carmelites and Carmelites of the Ancient Observance of our times are developing a brand new tradition of him, the tradition of Elijah's double charism.

**Thinking Towards New Horizons** International Organization for the Study of the Old Testament. Congress, Hermann Michael Niemann, 2008. This volume presents recent international research results of Old Testament studies and related fields. The topics of the individual contributions vary widely and are concerned with exegetical and literary questions, historical and religious problems as well as central questions of Theology of the Old Testament. In den Beiträgen dieses Bandes werden neueste Forschungsergebnisse dargelegt, die weltweit mit der wissenschaftlichen Arbeit am Alten Testament sowie in den mit ihm in Verbindung stehenden Wissenschaftsgebieten erzielt wurden. Die Themen der einzelnen Aufsätze sind breit gefächert; sie betreffen sowohl exegetische und literarische Fragen als auch historische und religionsgeschichtliche Probleme sowie zentrale Fragen der Theologie des Alten Testaments.

unearthed what proved to be the Gnostic Gospels thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament In this spellbinding book renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today With insight and passion Pagels explores a remarkable range of recently discovered gospels including the Gospel of Thomas and the Gospel of Mary Magdalene to show how a variety of Christianities emerged at a time of extraordinary spiritual upheaval Some Christians questioned the need for clergy and church doctrine and taught that the divine could be discovered through spiritual search Many others like Buddhists and Hindus sought enlightenment and access to God within Such explorations raised questions Was the resurrection to be understood symbolically and not literally Was God to be envisioned only in masculine form or feminine as well Was martyrdom a necessary or worthy expression of faith These early Christians dared to ask questions that orthodox Christians later suppressed and their explorations led to profoundly different visions of Jesus and his message Brilliant and stunning in its implications The Gnostic Gospels is a radical eloquent reconsideration of the origins of the Christian faith American Book Publishing Record ,2007
