Love and War Charisse Spiers, 2018-12-14 They say your childhood paves the way to adulthood and maybe it does I know mine was lit up in flames I walked the roads of Hell until I figured out that the only way to survive was to exist under a cloak of darkness to deal with the devil himself It was the only way to escape the pain the torment But the nightmares are still very real They ll never leave me alone The shadows of solitude follow me wherever I go Weapons they can be anything I need them to be Unlike people in my life they are predictable dependable Without any effort they can cause so much destruction but also so much peace Through the internal chaos the anger that won t cease and the constant noise everything is silenced with the pull of the trigger Ink I ve loved it since I can remember It defines me It s my release When I feel like I m about to blow I turn to the needle It is the one high I need I brand people It s what I do Kross Brannon is the best there is when it comes to tattoos The success of my company proves it But I never teach Those that work for me learn from someone else I m a solo artist Always have been and always will be but then I looked up and saw her standing in my shop beautiful tattooed and her soul screaming for me to reach out She was a force of nature I couldn t turn away That s the moment everything started falling into place

Of Love & War Lynsey Addario, 2018-10-23 Spectacular a majestic collection that captures the drama of everyday existence in war zones around the world There is no disputing the impact of this revelatory collection BookPage From the Pulitzer Prize winning photojournalist and New York Times bestselling author a stunning and personally curated selection of her work across the Middle East South Asia and Africa Pulitzer Prize winning photojournalist and MacArthur Fellow Lynsey

Addario has spent the last two decades bearing witness to the world's most urgent humanitarian and human rights crises. Traveling to the most dangerous and remote corners to document crucial moments such as Afghanistan under the Taliban immediately before and after the 9/11 attacks, Iraq following the US-led invasion and dismantlement of Saddam Hussein's government, and western Sudan in the aftermath of the genocide in Darfur, she has captured through her photographs visual testimony not only of war and injustice but also of humanity, dignity, and resilience. In this compelling collection of more than two hundred photographs, Addario's commitment to exposing the devastating consequences of human conflict is on full display. Her subjects include the lives of female members of the military as well as the trauma and abuse inflicted on women in male-dominated societies, American soldiers rescuing comrades in the Korengal Valley of Afghanistan, and Libyan opposition troops trading fire in Benghazi. Interspersed between her commanding and arresting images are personal journal entries and letters as well as revelatory essays from esteemed writers such as Dexter Filkins, Suzy Hansen, and Lydia Polgreen. A powerful and singular work from one of the most brilliant and influential photojournalists working today, *Of Love and War* is a breathtaking record of our complex world in all its inescapable chaos, conflict, and beauty. — *Hemingway in Love and War*, Agnes von Kurowsky, Ernest Hemingway, Henry Serrano Villard, James Nagel, 1997. Recuperating from shrapnel wounds, the young Hemingway fell in love with Agnes von Kurowsky, a nurse seven years his senior. The affair left an indelible impression: not only did Hemingway model Catherine Barkley in *A Farewell to Arms* on Agnes, but when he shot himself 40 years and four marriages later, her love letters were by his side. In 1918, Villard occupied a Milan hospital room next to Hemingway, and this work combines Villard's reminiscences with Agnes' diary, her letters to Hemingway, and his letters home.

In Love and War, Liz Trenow, 2018. July 1919: The First World War is over. The war-torn area of Flanders near Ypres is no longer home to trenches or troops but groups of tourists. Controversial battlefield tourism now drives bus loads of people to witness first-hand where loved ones fell and died. At the Hotel de la Paix in the small village of Poperinghe, three women have come to the battlefields to find a trace of men they have loved and lost. Ruby is just 21, a shy Englishwoman looking for the grave of her husband. Alice is only a little older but brimming with confidence; she has travelled all the way from America, convinced her brother is in fact still alive and still in France. Then there's Martha and her son Otto, who are not all they seem to be. — *All's Fair in Love, War and High School*, Janette Rallison, 2009-07-15. When your chance for getting into college and your date for the prom are all on the line, sixteen-year-old Samantha Taylor is used to having things go her way. She's head cheerleader and has all the right friends and a steady stream of boyfriends. But when she tanks the SATs, her automatic assumptions about going to college don't appear to be so automatic anymore. She determines that her only hope for college admission is to win the election for student body president. Unfortunately, with her razor wit and acid tongue, she's better suited to dishing out insults than winning votes. When she brashly bets her classmate Logan that she can go two weeks without uttering a single insult, Samantha immediately realizes that she may have bitten off more than she can chew. And

when her current boyfriend dumps her less than three weeks before the prom it couldn't be a worse time to be forced to keep her opinions to herself Finding a new boyfriend will be a challenge now that Logan shadows her every move hoping to catch her slipping back into her old ways Samantha is determined to win the election and find a dream date for the prom no matter what it takes After all all's fair in love and war and high school *Grendel's Guide to Love and War* A. From childhood Puerto Rican girls are taught to want one thing true love. Yet older generations are rife with broken promises and betrayal. While some believe they'll be the one to make it work others swear not to repeat cycles of violence. Playing out are these love wars as individuals find themselves caught in the crosshairs of romance expectations and community. *Lovely War* Julie Berry, 2019-03-05. NEW YORK TIMES BESTSELLER. Perfect for fans of *Divine Rivals* a critically acclaimed multi layered romance set in the perilous days of World Wars I and II where gods hold the fates and the hearts of four mortals in their hands. Pick an adjective: sweeping, sprawling, epic, Olympian and yet none quite conveys the emotional width and depth of Julie Berry's brilliant novel. The Washington Post: They are Hazel James Aubrey and Colette. A classical pianist from London, a British would be architect turned soldier, a Harlem born ragtime genius in the U.S. Army and a Belgian orphan with a gorgeous voice and a devastating past. Their story as told by goddess Aphrodite who must spin the tale or face judgment on Mount Olympus is filled with hope and heartbreak, prejudice and passion and reveals that though War is a formidable force it's no match for the transcendent power of Love. Hailed by critics *Lovely War* has received seven starred reviews and is an indie bestseller. Author Julie Berry has been called a modern master of historical fiction by Bookpage and a celestially inspired storyteller by the New York Times and *Lovely War* is truly her masterwork. *The Last Romantic War* Robin Traywick Williams, 2024-09.
