return When she will dream about me at night She will return while daydreaming about me She will return One day we will unite again The love won't be faded away As my lips are sore for not touching her lips As our lips want to unite again One day we will unite again This is what the God has written in our destiny She will return She will return She will return She will return She knows the comfort she gets in my arms She would not get in 1 day's lover's arms She knows the way she can behave as she is in front of me She cannot behave in front of a new stranger She will return She will forgive As the sun goes down but It comes up the next morning She will return She will return The lyrics of the poem Will touch her heart She will return without hesitation She will return She will return with the curls of her brown hairs She will return with the glow of her lips She will return with her brown hazelnut eyes She will sing the song While thinking about me She will see people are smoking cigarette In the smoking smokes she will see Even the little smoke Is capable for make a fog Which can lead a person to dead She will see without her My life will fall in the fog too Where the only option for me Will be death But I will still say I love you Even though I know she will smile Even though how much her heart is being broken She will see she will want she will return She will dream she will talk She will love But all after if she returns One day she had to cover her emotions from everyone These days her thoughts gets into my head without telling One day she was alone and Had no one to express her emotions Now she has me One day she was independent But now she cannot even spend a day Without the love Ok She says Even though I know Ok does not means okay It's means a new crack has made on her heart Probably by me probably because of my ruthlessness Probably because I did not listen to her As I should Probably because I could have cared a little bit more I ask for forgiveness even though I know One thousand forgiveness letters won't fill up the gap Which has made I want to tell you How much I love you But it is impossible to convey in words Even though as much as I try to express If I write how much I love you All the papers in the world will be ended If I speak how much I love you Blood will come out from my tongue If I sing how much I love you Infinity among of music will be made She is beautiful as she is She knows what she is doing She knows how her actions are breaking me down She knows what is going on She knows my condition I know how kind she is I know why she is doing I know her own actions are breaking her down as well I know why is that going on I know her condition But still probably saying sorry And leaving the matter would be easier But would it create any good impact Probably addressing the issue was more important Probably rather than trying to looking under her dress Looking into her eyes could save the love Probably I need to say again how much I love her Probably tears won't save it Probably the poem would not make her feel loved anymore Probably she won't find herself in the lyrics of the poem anymore Probably she will just look around while accepting the truth She cannot She cannot do it She cannot run on it She cannot walk by The days we spent The way we shaped each other's heart We both know Now we cannot live without the presence of each other In each other's life Probably we both know If separation is a option Then the option is really called death Neither I nor she would continue the misunderstanding As we know the childish misunderstanding Can create the biggest crack As she cried
