#### Love Between Women Early Christian Responses To Female Homoeroticism:

Love Between Women Bernadette J. Brooten, 2009-02-15 Love Between Women examines female homoeroticism and the role of women in the ancient Roman world Employing an unparalleled range of cultural sources Brooten finds evidence of marriages between women and establishes that condemnations of female homoerotic practices were based on widespread awareness of love between women An extraordinary accomplishment A definitive source for all future discussion of homoeroticism and the Bible Mary Rose D Angelo Harvard Gay Lesbian Review Brooten's convincing analysis not only profoundly reshapes our understanding of the past but it should also shape the way in which that past particularly the early Christian texts with their immense normative weight will be used for the future Anne L Clark Journal of Lesbian Studies Love Between Women gives contemporary debates on sexuality a carefully delineated past It boldly insists upon a different future one informed by history but not tyrannized by it Susan Ackerman Lambda Book Report Fascinating provocative and lucid Brooten has made a fundamental contribution to women s and gender studies gay and lesbian studies and classics Elizabeth A Castelli Women s Review of Books Winner of the Lambda Literary Award for Best Lesbian Studies Book 1997 Love Between Women Bernadette J. Brooten, 1996 A Companion to Greek and Roman Sexualities Thomas K. Hubbard, 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres various social environments of sexual conduct and the technical disciplines of medicine magic physiognomy and dream interpretation Features contributions from more than 40 top international scholars

The Bible and Homosexual Practice Robert A. J. Gagnon,2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible s rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon s book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time J rgen Becker Professor of New Testament Christian Albrechts University Can You Be Gay and Christian? Michael L. Brown,2014 How do we respond to gay people who tell us how much they love the Lord and experience God s power What do we do with the argument that the Old Testament laws no longer apply Brown provides solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth He also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family From Shame to Sin Kyle Harper,2013-06-10 The transformation of the Roman world from polytheistic to

Christian is one of the most sweeping ideological changes of premodern history At the center was sex Kyle Harper examines how Christianity changed the ethics of sexual behavior from shame to sin and shows how the roots of modern sexuality are The Bible Now Richard Elliott Friedman, Shawna Dolansky, 2011-10-01 For grounded in an ancient religious revolution millennia people have used the Bible as a touchstone on important social and political questions and rightly so But many use the Bible simply as a weapon to wield against opponents in a variety of debates without knowing what the Bible actually says about the issue in guestion In The Bible Now two respected biblical scholars Richard Elliott Friedman and Shawna Dolansky tell us carefully what the Hebrew Bible says or does not say about a wide range of issues including homosexuality abortion women s status capital punishment and the environment In fascinating passages that shed new light on some of today s most passionate disputes the authors reveal how the Bible is frequently misunderstood misquoted mistranslated and misused For instance those who quote the Bible in condemning homosexuality often cite the story of Sodom and those who favor homosexuality point to David s lament over the death of Jonathan But as the authors show neither passage is clearly about homosexuality and these texts do not offer solid footing on which to make an argument Readers learn that female homosexuality is not prohibited only male homosexuality And on the subject of abortion the Bible is practically silent with one extraordinary exception The Bible has inspired people to do great good but has also been used by people to do great harm so it is vitally important for us to pay attention to it and to get it right The Bible Now shows us how we can and cannot use this ancient source of wisdom to address our most current and pressing issues Stirring Waters Diann L. Neu, 2020 A collection of fifty two feminist liturgies for justice from the Women's Alliance for Theology Ethics and Ritual WATER readv made to help communities venerate powerful women of faith develop a richer and deeper spirituality and take real action for justice **Among Women** Nancy Sorkin Rabinowitz, Lisa Auanger, 2009-06-03 Women's and men's worlds were largely separate in ancient Mediterranean societies and in consequence many women's deepest personal relationships were with other women Yet relatively little scholarly or popular attention has focused on women's relationships in antiquity in contrast to recent interest in the relationships between men in ancient Greece and Rome The essays in this book seek to close this gap by exploring a wide variety of textual and archaeological evidence for women s homosocial and homoerotic relationships from prehistoric Greece to fifth century CE Egypt Drawing on developments in feminist theory gay and lesbian studies and queer theory as well as traditional textual and art historical methods the contributors to this volume examine representations of women s lives with other women their friendships and sexual subjectivity They present new interpretations of the evidence offered by the literary works of Sappho Ovid and Lucian Bronze Age frescoes and Greek vase painting funerary reliefs and other artistic representations and Egyptian legal documents **I Love Jesus, But I Want to Die** Sarah J. Robinson, 2021-05-11 A compassionate shame free guide for your darkest days A one of a kind book to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized medicalized

or over spiritualized Kay Warren cofounder of Saddleback Church What happens when loving Jesus doesn t cure you of depression anxiety or suicidal thoughts You might be crushed by shame over your mental illness only to be told by well meaning Christians to choose joy and pray more So you beg God to take away the pain but nothing eases the ache inside As darkness lingers and color drains from your world you re left wondering if God has abandoned you You just want a way out But there s hope In I Love Jesus But I Want to Die Sarah J Robinson offers a healthy practical and shame free guide for Christians struggling with mental illness With unflinching honesty Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church Pairing her own story with scriptural insights mental health research and simple practices Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better Beautifully written and full of hard won wisdom I Love Jesus But I Want to Die offers a path toward a rich hope filled life in Christ even when healing doesn t look like what you expect Roman Sexualities Judith P. Hallett, Marilyn B. Skinner, 1997-12-28 In many cases the authors show how these roles could be inverted in ways that revealed citizens anxieties during the days of the early Empire when traditional power structures seemed threatened Abandoned to Lust Jennifer Wright Knust, 2005-11-09 Early Christians used charges of adultery incest and lascivious behavior to demonize their opponents police insiders resist pagan rulers and define what it meant to be a Christian Christians frequently claimed that they and they alone were sexually virtuous comparing themselves to those marked as outsiders especially non believers and heretics who were said to be controlled by lust and unable to rein in their carnal desires True or not these charges allowed Christians to present themselves as different from and morally superior to those around them Through careful innovative readings Jennifer Knust explores the writings of Paul Justin Martyr Irenaeus of Lyons and other early Christian authors who argued that Christ alone made self mastery possible Rejection of Christ led to both immoral sexual behavior and ultimately alienation and punishment from God Knust considers how Christian writers participated in a long tradition of rhetorical invective a rhetoric that was often employed to defend status and difference Christians borrowed deployed and reconfigured classical rhetorical techniques turning them against their rulers to undercut their moral and political authority Knust also examines the use of accusations of licentiousness in conflicts between rival groups of Christians Portraying rival sects as depraved allowed accusers to claim their own group as representative of true Christianity Knust s book also reveals the ways in which sexual slurs and their use in early Christian writings reflected cultural and gendered assumptions about what constituted purity morality and truth In doing so Abandoned to Lust highlights the complex interrelationships between sex gender and sexuality within the classical biblical and early Christian traditions Spiritual Friendship Wesley Hill, 2015-04-21 Friendship is a relationship like no other Unlike the relationships we are born into we choose our friends It is also tenuous we can end a friendship at any time But should friendship be so free and unconstrained Although our culture tends to pay more attention to romantic love marriage

family and other forms of community friendship is a genuine love in its own right This eloquent book reminds us that Scripture and tradition have a high view of friendship Single Christians particularly those who are gay and celibate may find it is a form of love to which they are especially called Writing with deep empathy and with fidelity to historic Christian teaching Wesley Hill retrieves a rich understanding of friendship as a spiritual vocation and explains how the church can foster friendship as a basic component of Christian discipleship He helps us reimagine friendship as a robust form of love that is worthy of honor and attention in communities of faith This book sets forth a positive calling for celibate gay Christians and suggests practical ways for all Christians to cultivate stronger friendships Beyond Slavery Jacqueline L. Hazelton, 2010-10-25 This book looks at a United States that continues to be driven by racial and cultural divisions from the disproportionately high number of incarcerated African Americans to heartfelt disagreements over the true nature of marriage and the proper role of faith in public policy Female Homosexuality in Ancient Greece and Rome Sandra Boehringer, 2021 This groundbreaking study among the earliest syntheses on female homosexuality throughout antiquity explores the topic with careful reference to ancient concepts and views drawing fully on the existing visual and written record including literary philosophical and scientific documents Even today ancient female homosexuals are still too often seen in terms of a mythical ethereal Sapphic love or stereotyped as Amazons or courtesans Boehringer's scholarly book replaces these clich es with rigorous precise analysis of iconography and texts by Sappho Plato Ovid Juvenal and many other lyric poets satirists and medical writers in search of the prevailing norms constraints and possibilities for erotic desire The portrait emerges of an ancient society to which today s sexual categories do not apply a society before sexuality where female homosexuality looks very different but is nonetheless very real Now available in English for the first time Female Homosexuality in Ancient Greece and Rome includes a preface by David Halperin The book will be of value to students and scholars of ancient sexuality and gender and to anyone interested in histories and theories of sexuality **Constructions of** Female Homoeroticism in Early Modern Drama D. Walen, 2005-09-16 This book explores representations of love and desire between female characters in nearly seventy plays written between 1580 and 1660 The work argues that playwrights of late sixteenth and early seventeenth century England recognized and constructed richly diverse tropes of female homoerotic desire Writers place female characters in erotic situations with other female characters in playful scenarios of mistaken identity in anxious moments of amorous intrigue in predatory situations and in enthusiastic utopian representations of romantic love These plays indicate an awareness of female homoeroticism in early modern England and belie statements that literary evidence of homosexuality was concerned primarily with men The Visio Pauli and the Gnostic Apocalypse of Paul Jan N. Bremmer, 2007 The Visio Pauli and the Gnostic Apocalypse of Paul is the first modern collection of studies on the most important aspects of the Visio Pauli the most popular early Christian apocalypse in the Middle Ages The volume starts with a short study of the textual traditions of the Visio Pauli its Jewish and early Christian traditions as well as its influence

on later literature such as Dante This is followed by studies of the Prologue the four rivers of Eden the place of the Ocean the relation between body and soul the image of hell and its punishments and the connection with fantastic literature Finally a codicological comparative and textual re evaluation of the Coptic translation attempts to correct earlier errors and to rehabilitate the value and interest of this long neglected version of the Visio Pauli The book is concluded with a study of the earthly tribunal in the fourth heaven of the Gnostic Apocalypse of Paul As has become customary the volume is rounded off by an extensive bibliography of the Visio Pauli and the Gnostic Apocalypse of Paul and a detailed index The Renaissance of Lesbianism in Early Modern England Valerie Traub, 2002-06-06 The Renaissance of Lesbianism in Early Modern England is the eagerly awaited study by the feminist scholar who was among the first to address the issue of early modern female homoeroticism Valerie Traub analyzes the representation of female female love desire and eroticism in a range of early modern discourses including poetry drama visual arts pornography and medicine Contrary to the silence and invisibility typically ascribed to lesbianism in the Renaissance Traub argues that the early modern period witnessed an unprecedented proliferation of representations of such desire By means of sophisticated interpretations of a comprehensive set of texts the book not only charts a crucial shift in representations of female homoeroticism over the course of the seventeenth century but also offers a provocative genealogy of contemporary lesbianism A contribution to the history of sexuality and to feminist and queer theory the book addresses current theoretical preoccupations through the lens of historical inquiry

Sapphistries Leila J. Rupp, 2009-12 A lyrical and meticulously researched mapping of the ways in which diverse societies have shaped female same sex sexuality across time and geography From the ancient poet Sappho to tombois in contemporary Indonesia women throughout history and around the globe have desired loved and had sex with other women In beautiful prose Sapphistries tells their stories capturing the multitude of ways that diverse societies have shaped female same sex sexuality across time and place Leila J Rupp reveals how from the time of the very earliest societies the possibility of love between women has been known even when it is feared ignored or denied We hear women in the sex segregated spaces of convents and harems whispering words of love We see women beginning to find each other on the streets of London and Amsterdam in the aristocratic circles of Paris in the factories of Shanghai We find women s desire and love for women meeting the light of day as Japanese schoolgirls fall in love and lesbian bars and clubs spread from 1920s Berlin to 1950s Buffalo And we encounter a world of difference in the twenty first century as transnational concepts and lesbian identities meet local understandings of how two women might love each other Giving voice to words from the mouths and pens of women and from men s prohibitions reports literature art imaginings pornography and court cases Rupp also creatively employs fiction to imagine possibilities when there is no historical evidence Sapphistries combines lyrical narrative with meticulous historical research providing an eminently readable and uniquely sweeping story of desire love and sex between women around the globe from the beginning of time to the present The New Testament and Homosexuality Robin

Scroggs, Just what is a proper use of the Bible especially the New Testament in Christian debates about acceptance of homosexuals In addition to bringing clarity and honesty to issues of the relevance of the Bible this work brings a little more light and a little less heat to the discussion a little more acceptance of all persons on the other side and maybe even an awareness that in Christ there is really no other side at all
