Love Binds Us Together:

Seeing and savouring Jesus Christ JOHN PIPER, 2020-05-21 Who is Jesus Christ You've never met Him in person and you don't know anyone who has But there is a way to know who he is How Jesus Christ the divine Person revealed in the Bible has a unique excellence and a spiritual beauty that speaks directly to our souls and says Yes this is truth It's like seeing the sun and knowing that it is light or tasting honey and knowing that it is sweet The depth and complexity of Jesus shatter our simple mental frameworks He baffled proud scribes with his wisdom but was understood and loved by children He calmed a raging storm with a word but would not get himself down from the cross Look at the Jesus of the Bible Keep your eyes open and fill them with the portrait of Jesus in God's Word Jesus said If anyone's will is to do God's will He will know whether the teaching is from God or whether I am speaking on my own authority Ask God for the grace to do His will and you will see the truth of His Son John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else *The New Testament of Our Lord and Saviour Jesus Christ*, 1867 Love Binds Us Together Stormie Omartian, 2000 Stormie shares stories illustrating how love brings joy helps us grow and provides hope Each meditation focuses on an aspect of love and encourages readers to experience the abundant life Jesus offers Includes delightful artwork

Disciples' Literal New Testament Michael Magill, 2011 If You Love God's Word You Will Love This New Testament The Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure replacing it with paragraphing that reflects the flow of thought in the original Greek writings Paragraph headings make that flow of thought explicit to you speeding your understanding of the NT books This translation retains the writing style of the apostles themselves rather than transforming their Greek ways of writing into an elegant or contemporary English writing style as has been beautifully done so many times It is the same translation as the author's New Testament TransLine first published by Zondervan in 2002 Now you can read the New Testament as the original writers intended it and see it with a clarity formerly available only to those who could carefully study their Greek New Testament You can even see the difference in writing style between Matthew Mark and Luke Used along with your standard Bible version you will profit from both methods of translation Easily grasp the relationship of the whole and the parts of each book with the big picture overview outlines that use the words of the original author Gain quick insight into the flow of thought from descriptive paragraph headings that summarize the main point of each paragraph in its context You can visually follow the apostles thinking because the Intelligent Paragraphing visually displays their main and subordinate thoughts The hindrance to your understanding caused by our artificial chapter and verse structure is eliminated by paragraphing based on the Greek writings You will more fully appreciate the minds and thinking patterns and intent of the original writers because the translation corresponds more closely to their words and their grammar and their sentence structure Deepen and expand your understanding of the New Testament by meditating on the notes containing alternative renderings explanations of what is being said and different
