Senior Love Triangle Isadora Kosofsky, 2020-01-10 A romantic conflict between three seniors love jealousy and solitude play a major role not only in the life of young people

Trio William Boyd, 2021 From the award winning best selling author comes a rollicking novel with a dark undertow set around three unforgettable individuals and a doomed movie set A producer A novelist An actress It's summer 1968 a time of war and assassinations protests and riots While the world is reeling our trio is involved in making a disaster plagued Swinging Sixties British movie in sunny Brighton All are leading secret lives As the movie shoot zigzags and zags these layers of secrets become increasingly more untenable Pressures build inexorably The FBI and CIA get involved Someone is going to crack or maybe they all will From one of Britain's best loved writers comes an exhilarating tender novel by turns hilarious and heartbreaking that asks the vital questions What makes life worth living And what do you do if you find it isn't

The Musician, 1903 **Catalogues ...**, 1890 [Times Remembered](#), 15 Joe La Barbera, Charles Levin, 2021-09-15 In the late 1970s legendary pianist Bill Evans was at the peak of his career He revolutionized the jazz trio bass piano drums by giving each part equal emphasis in what jazz historian Ted Gioia called a telepathic level of interplay It was an ideal opportunity for a sideman and after auditioning in 1978 Joe La Barbera was ecstatic when he was offered the drum chair completing the trio with Evans and bassist Marc Johnson In [Times Remembered](#) La Barbera and co author Charles Levin provide an intimate fly on the wall peek into Evans's life critical recording sessions and behind the scenes anecdotes of life on the road Joe regales the trio's magical connection a group that quickly gelled to play music on the deepest and purest level imaginable He also watches his dream gig disappear a casualty of Evans's historical drug abuse when the pianist dies in a New York hospital emergency room in 1980 But La Barbera tells this story with love and respect free of judgment showing Evans's humanity and uncanny ability to transcend physical weakness and deliver first rate performances at nearly every show

The Stranger's Love Karl Merz, 1858 **Shakesplish** Paula Blank, 2018-11-20 For all that we love and admire Shakespeare he is not that easy to grasp He may have written in Elizabethan English but when we read him we can't help but understand his words metaphors and syntax in relation to our own Until now explaining the powers and pleasures of the Bard's language has always meant returning it to its original linguistic and rhetorical contexts Countless excellent studies situate his unusual gift for words in relation to the resources of the English of his day They may mention the presumptions of modern readers but their goal is to correct and invalidate any false impressions Shakesplish is the first book devoted to our experience as modern readers of Early Modern English Drawing on translation theory and linguistics Paula Blank argues that for us Shakespeare's language is a hybrid English composed of errors in comprehension and that such errors enable rather than hinder some of the pleasures we take in his language Investigating how and why it strikes us by turns as beautiful funny sexy or smart she shows how far from being the fossilized remains of an older idiom Shakespeare's English is also our own
