## Love Child:

**Love Child** Allegra Huston, 2009-04-07 When Allegra Huston was four years old her mother was killed in a car crash. Soon afterward she was introduced to an intimidating man wreathed in cigar smoke the legendary film director John Huston with the words This is your father. So began an extraordinary odyssey from the magical Huston estate in Ireland to the Long Island suburbs to a hidden paradise in Mexico and at the side of her older sister Anjelica into the hilltop retreats of Jack Nicholson, Ryan O'Neal and Marlon Brando. Allegra's is the penetrating gaze of an outsider never quite sure if she belongs in this rarefied world and of a motherless child trying to make sense of her famous fragmented family. Then at the age of twelve Allegra's precarious sense of self was shattered when she was once more introduced to her father her real one this time the British aristocrat and historian John Julius Norwich. At the heart of *Love Child* is Allegra's search through the unreliable certainties of memory for the widely adored mother she never knew the ghost who shadowed her childhood and left her in a web of awkward and unwelcome truths. With clear-eyed tenderness Allegra tells of how she forged bonds with both her famous fathers transforming her mother's difficult legacy into a hard won blessing. Beautifully written and forensically honest *Love Child* is a seductive insight into one of Hollywood's great dynasties and the story of how in a family that defied convention one woman found her balance on the shifting sands of conflicting loyalties. *The Love Child* Rachel Hore, 2021-06-08 Brilliantly evoking the changing attitudes of the time *The Love Child* is a novel about love, family, separation, despair and hope full of tenderness and deep feeling. A young mother's sacrifice. A child's desperate search for the truth. London 1917. When nineteen-year-old Alice Copeman becomes pregnant she is forced by her father and stepmother to give up the baby. She simply cannot be allowed to bring shame upon her family. But all Alice can think about is the small kitten-like child she gave away and she mourns the father a young soldier so beloved who will never have the chance to know his daughter. Edith and Philip Burns a childless couple yearn for a child of their own. When they secretly adopt a baby girl Irene their life together must surely be complete. Irene grows up knowing that she is different from other children but no one will tell her the full truth. Putting hopes of marriage and children behind her Alice embarks upon a pioneering medical career striving to make her way in a male-dominated world. Meanwhile Irene struggles to define her own life eventually leaving her Suffolk home to find work in London. As two extraordinary stories intertwine across two decades will secrets long buried at last come to light. **The Love Child** Edith Olivier, 2014-08-28 What was she? Not a child for she was seventeen and taller than Kitty not a girl for she floated like a feather and flew into trees like a bird not a spirit she was human to touch. But to night she was all made of mischief and magic remote from him and yet calling him to her. At thirty-two her mother dead Agatha Bodenham finds herself quite alone. She summons back to life the only friend she ever knew Clarissa the dream companion of her childhood. At first Clarissa comes by night and then by day gathering substance in the warmth of Agatha's obsessive love until it seems that others too can see her. See but not touch for Agatha has made her love child for herself.
