forgiveness for himself The writing of the book did produce healing emotional releases and an expanded awareness and trust of Holy Spirit Jesus and God You are encouraged to use this book for applying forgiveness in your own life joining first with Holy Spirit or Jesus to allow and accept their guidance correction and support Look within and remember you are love Holy Spirit offers his love and support as you awaken to the awareness of Love s presence I Am Love is written in a first person perspective with almost 3000 instances of I designed to resonate with YOU The book can be read out loud for enhanced affirmative power It is also useful to read the book out loud to another person and allow them to repeat everything you say Of course reading quietly to yourself is always a rewarding experience I Am Love features many beautiful passages thanks to the healing influence of our friend Holy Spirit The book also has a rhythmical quality especially toward later chapters Much of it poetically flows with a waltz like iambic pentameter rhythm and also includes numerous rhyming sentences During its writing the author felt often compelled to express the words within this rhythmical pattern Some readers have likened I Am Love to the Workbook of A Course in Miracles due to its practical application of forgiveness Above all else remember that God loves you     Love Comes Softly 5-8 Janette Oke,2016-06-21 4 in 1 Collection Completes Janette Oke s Most Beloved Series This special value edition features books five through eight in the classic series that launched Janette Oke s popularity in inspirational fiction These compelling prairie romances follow the Davis family in their journey through life s struggles and joys The collection includes Love s Unending Legacy Love s Unfolding Dream Love Takes Wing and Love Finds a Home Join the generations of readers who have read and reread these landmark stories     Love Comes Later Mohanalakshmi Rajakumar,2013-11 a deliciously tangled plot and insight into life on the Persian Gulf Kirkus Review When newlywed Abdulla loses his wife and unborn child in a car accident the world seems to crumble beneath his feet Thrust back into living in the family compound he goes through the motions work eat sleep repeat Blaming himself for their deaths he decides to never marry again but knows that culturally this is not an option Three years later he s faced with an arranged marriage to his cousin Hind whom he hasn t seen in years Hard pressed to find a way out he consents to a yearlong engagement and tries to find a way to end it What he doesn t count on and is unaware of is Hind s own reluctance to marry Longing for independence she insists on being allowed to complete a master s degree in England a condition Abdulla readily accepts When she finds an unlikely friend in Indian American Sangita she starts down a path that will ultimately place her future in jeopardy The greatest success of Rajakumar s novel is the emotional journey the reader takes via her rich characters One cannot help but feel the pressure of the culturally mandated marriage set before Hind and Abdulla He s not a real Muslim man if he remains single and she will never be allowed freedoms without the bondage of a potentially loveless marriage It s an impossible situation dictated by a culture that they still deeply respect Rajakumar pulls back the veil on life in Qatar to reveal a glimpse of Muslim life rarely seen by Westerners     **Love's Abiding Joy** Janette Oke,2011 Reunited with their daughter s family in the West Marty and Clark Davis find their hope and faith tested by a tragic accident     **West Side Love Story** Priscilla
